Based on the 2021 salary table (https://www.opm.gov/policy-data-oversight/pa y-leave/salaries-wages/salary-tables/pdf/ 2021/DCB\_h.pdf) the hourly mean wage for a GS-13 in 2021 is \$49.68. The hourly salary is adjusted to reflect the total costs of employee compensation based on the BLS Employer Costs for Employee Compensation Summary, which indicates that wages for civilian workers are 68.3 percent of total compensation (total wage = wage rate/wage % of total compensation).
