UNITED STATES DEPARTMENT OF AGRICULTURE ANIMAL AND PLANT HEALTH INSPECTION SERVICE ANIMAL CARE

TEACHABLE MOMENT REVIEW CHECKLIST

FOR INTERNAL USE

Documents needed to review a TM: ☐ The corresponding inspection report ☐ The previous IR and TM ☐ Enforcement History
When reviewing Teachable Moments (TM), the reviewer should ensure that the use of the TM was appropriate, using the following criteria: Facilities which are not appropriate for the use of the TM: Prelicense or New Site Addition Poor compliance record Under investigation or have a current case at OGC History of refusal of inspection or interference
NCIs which are not appropriate for the use of the TM: Impacting animal welfare Direct or critical Could soon become direct or critical Previous TM or citation Same section is being cited on the inspection report Item may actually be in compliance
If any of the following TM apply to a Research Facility or contains a red flag, it should be reviewed carefully by the Supervisor or referred to the Supervisor: Ueterinary Care Handling Space
The TM is not documented appropriately if: 4 or more TMs are noted, possibly too many Section # is incorrect Narrative contains excessive detail* No narrative or insufficient detail* Reviewer is unable to determine if TM is appropriate and needs more information
Example TM Narrative 3.1 (c) Not enough detail: dirty den boxes / carpet strings Too much detail: 2 pens in the Yorkie area in the top barn (# 3 and 4) have mild staining around the den box opening and should be cleaned more frequently. In 2 pens in the whelping area, # 6 and 8, housing 2 litters of poodles, there are carpet strings / excessive wear on 25% of each carpet. The owner did not want to disturb the new mother for the last couple days but has a plan to replace the whelping carpets with the pups tomorrow.
Appropriate detail: 2 pens have staining at dog door (need more frequent cleaning) & 2 whelping boxes with worn carpets need carpets replaced.
If any of the above criteria are noted by the non-Supervisor reviewer, the TM form should refer to the Supervisor. Supervisors will contact the inspector to discuss the TM.
