Certification Statements

- (1) I certify that the product or products for which export or investment-related assistance is requested is not regulated under the U.S. Controlled Substances Act.
- (2) I certify that any components of the product or products for which export or investment-related assistance is requested that are sourced or otherwise derived from the cannabis plant were to the best of my information and belief cultivated, processed, and/or produced in compliance with applicable Federal laws.
- (3) I certify that the product or products for which export or investment-related assistance is requested and all marketing and other activities related to the product or products comply with all applicable U.S. regulatory requirements, including as applicable the Food, Drug, and Cosmetics Act and any other regulatory requirements imposed by the U.S. Food and Drug Administration.

Advocacy Center Questions

ADVOCACY QUESTIONNAIRE

By submitting this Advocacy Questionnaire, the applicant agrees to allow the Advocacy Center to share this document and the information contained herein and in any supplementary materials, on an as-needed basis, with other United States Government agencies to carry out appropriate due diligence and to more effectively advocate for your interests. (Supplementary materials include, among other items, written correspondence and verbal communication.) Please note that the Advocacy Center uses student interns to assist us in the due diligence process. If you object to having one review your case under the supervision of an Advocacy Center regional manager, please inform us when you submit your questionnaire. Otherwise, a no-reply will mean you consent to interns working on your case, which includes having access to your company's business confidential information. You may contact the Advocacy Center at any time to withdraw your consent.

Your responses to the questionnaire, and any supplementary materials provided by your company, are considered business confidential and will not be shared with any other person or organization outside the U.S. Government unless the Advocacy Center is given permission to do so by your company. All business confidential information will be protected from disclosure to the extent permitted by law.

Yes No

a. If yes, please list the foreign government(s), and partner(s), if applicable:

AGREEMENT CONCERNING BRIBERY AND CORPORATE POLICY PROHIBITING BRIBERY

Agreement:

_____ ("the Applicant") is requesting U.S. Government Advocacy support in connection with its Project to supply _____ (goods and/or services) to _____ (procuring or other project authority) in _____ (foreign country).

In connection with this request, the Applicant affirms that it and its agents and affiliates:

- (1) Have not and will not engage in the bribery of foreign public officials in connection with the above-described Project; and
- (2) Maintain and enforce a policy that prohibits the bribery of foreign public officials.

The Applicant understands that failure to comply with this Agreement may result in the denial of Commercial Advocacy.

Definitions:

For the purpose of this Agreement:

The term "affiliate" means (a) any entity that holds, directly or indirectly, a majority of the voting stock of the Applicant; and (b) any other entity the majority ownership of whose voting stock is held, directly or indirectly, by the Applicant or by an entity described in (a).

The term "bribery of foreign public officials" has the meaning of the "bribery of foreign public officials" in the Convention on Combating Bribery of Foreign Public Officials in International Business Transactions. In addition, for Applicants that are subject to the Foreign Corrupt Practices Act of 1977 (FCPA), as amended, the term "bribery of foreign public officials" refers to practices prohibited by the FCPA (see 15 U.S.C. §§ 78dd-1, 78dd-2, and 78dd-3).

Does your product or service contain at least 51% U.S. content? Yes No

Are you currently working with a U.S. Export Assistance Center (USEAC)? Yes No

If yes, please provide City and Trade Specialist name:

LEVEL OF DIGITAL ENGAGEMENT

Internal Client Digital Capacity

Is your educational institution talking, thinking, or actively engaged in a cross-border digital strategy?

Does your educational institution have cross-border sales channels for online courses for credit or offer online classes of any kind? If so, is it being offered through your own website, marketplace, social media or in-country partner?

Does your educational institution employ in-house talent to manage your online presence? If so, in what capacity, (e.g. C-suite, digital marketing department, single webmaster, or do you use a contracted 3rd party service provider?

Is your educational institution aware of what your competition is doing online? If so, what have you learned about your competition?

Does your educational institution have established Key Performance Indicators (KPIs) to track your website and digital marketing progress? If so, are you willing to share those with us to establish baseline performance benchmarks?

Digital Sales Channels

Does your educational institution have an established digital strategy that supports your ability to conduct online cross-border campaigns?

Does your educational institution use online platforms overseas to promote the institution? If so, which platforms promote your education institution?

Does your educational institution website include a translation mechanism (i.e. Google translate)?

If your educational institution website is translated, have you assigned someone to reply to inquiries in that language?

Do you have recruitment partners selling your courses online?

Do your in-country agents have an established online recruitment reputation and robust online recruitment channel network?

When your educational institution is assessing potential partners, including recruitment agents in target markets, is the ability of partners to assist with online program promotion and/or recruitment a primary qualifier?

Is your educational institution utilizing any 3rd party service providers to help manage your online presence in your target markets? (e.g. social media and marketplace linking)

Does your educational institution understand online transaction options and patterns for your courses and training in target markets? (e.g. market intel on consumer behavior in the education sector)

Digital Regulatory Compliance (e.g. GDPR/Privacy Shield)

Is your educational institution familiar with the international regulatory requirements that impact cross-border digital activity (e.g. consumer privacy, fiscal thresholds, customs fees and tax such as Value Added Tax (VAT) or Digital Service Tax (DST) obligations)? If so, what is your institution doing to meet these requirements?

Has your educational institution taken General Data Protection Regulation (GDPR) into consideration?

Does your educational institution have an IT security program, and have you updated it in the last 6 months to address new online cyber security issues?

Other Information

Is there any additional information you would like to provide about your website or digital strategy?
