

Introduction

OMB Control No. 0651-0080
Expiration Date: 9/30/2023

Thank you for attending Patent Center DOCX Training. This short survey is designed to obtain your feedback regarding your experience, and if necessary, make any improvements to our services. Your voluntary response will be combined with all other responses and analyzed in aggregated format only.

The survey should take no more than 5 minutes to complete. For questions regarding the purpose of the survey, contact our E-modernization team (emod@uspto.gov). If you have any technical problems with the survey instrument, please contact Michael Easdale (michael.easdale@uspto.gov).

A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995 unless the information collection has a currently valid OMB Control Number. The OMB Control Number for this information collection is 0651-0080. Without this approval, we could not collect this information. Public reporting for this information collection is estimated to be approximately 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the survey. All responses to this information collection are voluntary. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to the Chief Administrative Officer, United States Patent and Trademark Office, P.O. Box 1450, Alexandria, VA 22313-1450 or email InformationCollection@uspto.gov.
