STEPP Overall Evaluation & Future Advanced Courses

Welcome

OMB Control No. 0651-0080 Expiration Date: x/xx/20xx

Thank you for previously participating in a STEPP course on examination practice and procedure. We would like to know if STEPP has impacted how you practice before the USPTO. We would also like to gauge your interest in future advanced STEPP courses.

This survey should take no more than 10 minutes to complete. For general questions regarding the purpose of the survey, contact STEPP@uspto.gov. If you encounter any problems with the survey instrument, contact Michael Easdale (michael.easdale@uspto.gov).

Thank you in advance for your participation in this important survey.

A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995 unless the information collection has a currently valid OMB Control Number. The OMB Control Number for this information collection is 0651-0080. Without this approval, we could not collect this information. Public reporting for this information collection is estimated to be approximately 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the survey. All responses to this information collection are voluntary. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to the Office of the Chief Administrative Officer, United States Patent and Trademark Office, P.O. Box 1450, Alexandria, VA 22313-1450 or email InformationCollection@uspto.gov.

What impact, if any, has STEPF	P had on how y	ou prosecute a	an application be	fore the USPT	0 ?:
