

## PSCR 2020 Participant Survey Emails

### First Email:

%%First\_Name%%

Thank you for participating in PSCR 2020: The Digital Experience! We hope you enjoyed receiving this year's research updates in a virtual format. We understand that this engagement was a pivot from our annual in-person event, and we are grateful for you joining us on this journey.

In the coming weeks, PSCR will reconvene on feedback and learnings from the Digital Experience. Whether you have joined an Annual Stakeholder Meeting in the past or this was your first time interacting with PSCR, please take a moment to fill out this participant survey; YOU are the reason we convene, and we want to hear from you. You may even see your thoughts and suggestions reflected in future programming!

Additionally, make sure you're signed up for PSCR's quarterly newsletter to get the latest updates on webinars, publications, and funding opportunities. It's the best way to stay-up-to-date with PSCR.

Thank you for all that you do,  
PSCR

### Reminder Email:

%%First\_Name%%

2020 has been a year of pivots – Pivoting plans, expectations, and engagements such as in-person events. It was no exception for PSCR; for the first time in ten years, we did not convene in one physical space for our Annual Stakeholder Meeting. But when faced with the thought of waiting a year to meet with stakeholders, we decided to turn to a new, virtual format, *PSCR: 2020 The Digital Experience*. I'm writing to sincerely thank you for being part of this inaugural engagement.

While nothing compares to sharing a space with each other, I'm pleased we were able to bring you research updates and enable you to provide input, feedback, and guidance to the entire stakeholder community. If you have not done so already, please take a moment to fill out this attendee survey; YOU are the reason we convene, and we want to hear from you. This format was new and different, and I look forward to reading your evaluation of the experience. Please don't hesitate to provide supplemental comments not covered in the survey to [info@pscr.gov](mailto:info@pscr.gov).

In the meantime, I encourage you to continue accessing sessions and demos through the PSCR 2020 portal, connecting with one another via the mobile app and social media channels, and perusing PSCR.gov for additional resources and publications.

Stay informed, stay connected, and above all, stay well.

THANK YOU,

Dereck Orr, Division Chief, PSCR
