Introduction, Part 2.

PRAMS is short for the **P**regnancy **R**isk **A**ssessment **M**onitoring **S**ystem. PRAMS is sponsored by the Centers for Disease Control and Prevention and the <NAME OF HEALTH DEPARTMENT>. Answering some questions about your recent pregnancy can help us find out why some babies are born healthy and others are not. The information you give us will be used to help us build programs to benefit mothers and babies in <STATE>.

We are asking <NUMBER> women in <YOUR STATE> to answer these same questions. Your name was picked by a computer from recent birth certificates.

Your answers are very important, whether you and your baby have been healthy or sick. If you have lost your baby because of death, we are truly sorry about your loss and offer our sympathy to you and your family. We also ask that you do the interview because your answers are important, and could help other mothers and babies in the future.

Most questions are about your health and life before, during, and after pregnancy. It takes about 25-35 minutes to answer all questions. Some questions may be sensitive, such as questions about smoking or drinking during pregnancy.

You are free to do the survey or not. If you don't want to participate at all, or if you don't want to answer a particular question, that's okay. There is no penalty or loss of benefits for not participating or answering all questions.

Your answers will be grouped with those from other women. Your name will not be on any reports from PRAMS. Your survey may be combined with information the health department has from other sources.

If you choose to do the survey, your answers will be kept private and will be used only to answer questions related to the purpose of this study. What we learn from PRAMS will be used to plan programs to help mothers and babies in <YOUR STATE>.

This study has been given a Certificate of Confidentiality. This means that we may not share information that may identify you in legal suits or proceeding, even if a court orders us to do so, unless you say it's okay. <OPTIONAL STATE-SPECIFIC LANGUAGE BASED ON STATE REPORTING REQUIREMENTS SUCH AS child abuse, elder abuse, harm to self and others. For example: *But under the law, we must report to the state suspected cases of child abuse or elder abuse or if you tell us you are planning to cause serious harm to yourself or others.*>

If you have questions about PRAMS, please call <PROJECT COORDINATOR'S NAME>, <YOUR STATE> PRAMS Project Coordinator, at 1-800-<###-####>. If you have any questions about your rights in the project, please call <NAME OF A PERSON AT YOUR LOCAL IRB OFFICE> at <PHONE NUMBER>.
