We will use this information to determine an income value, if any, of food and shelter the applicant received.

Furnishing us the information is voluntary. However, failing to provide all or part of the requested information may prevent us from making an accurate and timely decision on the applicant's SSI claim or could result in the loss of benefits.

We rarely use the information you supply for any purpose other than for determining eligibility for benefits. However, we may use the information for the administration of our programs including sharing information:

We may also use the information you provide in computer matching programs. Matching programs compare our records with records kept by other Federal, State, or local government agencies. We use the information from these programs to establish or verify a person's eligibility for Federally funded or administered benefit programs and for repayment of incorrect payments or delinquent debts under these programs.
