Head Start Family and Child Experiences Survey (FACES)

DRAFT

Mathematica is conducting the Head Start Family and Child Experiences Survey (FACES) under contract with the Administration for Children and Families (ACF) of the U. S. Department of Health and Human Services (DHHS).

We need for you to complete a brief Teacher Survey. The Teacher Survey asks you about your teaching position, your well-being, and your education and experience.

Thank you for taking the time to complete the survey. There are no right or wrong answers to the questions. The Teacher Survey will take about 10 minutes of your time to complete.

Your participation in the study is voluntary and you may refuse to answer any questions you are not comfortable answering. Your answers will not be shared with parents or other staff in your center, or anybody else not working on this study. Please be assured that all information you provide will be kept private to the extent permitted by law. The information you provide to the study will be protected and will only be seen by selected members of the study team.

Using the login ID and password ensures that the information you provide to the study will be protected and will only be seen by selected members of the study team. The next page provides you with general instructions on how to complete the survey.

Please click the "Next" button below to continue, or close this webpage to exit.

The Paperwork Reduction Act Statement: This collection of information is voluntary and will be used to provide descriptive information about Head Start programs and the families they serve. Public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB number and expiration date for this collection are OMB #: 0970-0151, Exp: XX/XX/XXXX. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to Lizabeth Malone, Mathematica, 1100 1st Street, NE, 12th Floor, Washington, DC 20002.
