Thank you for taking part in this study, which is about the COVID-19 pandemic experiences of people who worked in early care and education programs for children prior to the pandemic. It is funded by the U.S. Department of Health and Human Services, and conducted by NORC at the University of Chicago. Your participation in this study will help the government better support the people who care for our nation's children, especially in difficult crises like the COVID-19 pandemic.

This interview takes about 20 minutes, and your participation is voluntary. You may choose not to answer any questions you don't wish to answer, or end the interview at any time. All personnel associated with this study must sign a legal document in which they pledge to protect the privacy of the information collected in the survey. We have systems in place to protect your identity and keep your responses private. There is only a small chance that your information could be accidentally disclosed. For that reason we avoid questions that could cause difficulty for you. This study also has a Federal Certificate of Confidentiality from the government which protects researchers and other staff from being forced to release information that could be used to identify participants in court proceedings.

Data collected for this study will be used for statistical purposes only, so that no individuals or organizations can be identified directly or indirectly in research findings. Identifiers such as your name, your organization's name or addresses will be considered private and can only be accessed for the study's research purposes by authorized personnel associated with this study.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB number for this information collection is 0970-0391 and the expiration date is XX/XX/XXXX. Please send comments regarding the time required for this survey or any other aspect of this information collection to: NORC at the University of Chicago, 55 E Monroe St, Ste 3000, Chicago, IL, 60603, Attention: A.
