§1.1 Purpose and scope.

This subpart establishes policy, procedures, requirements, and responsibilities for administration and coordination of the Freedom of Information Act ("FOIA"), 5 U.S.C. 552, pursuant to which any person may obtain official records. It also provides rules pertaining to the disclosure of records pursuant to compulsory process. This subpart also serves as the implementing regulations (referred to in §1.3,

“Agency implementing regulations”) for the Office of the Secretary (the immediate offices of the Secretary, Deputy Secretary, Under Secretaries and Assistant Secretaries) and for the Office of Communications. The Office of Communications has the primary responsibility for implementation of the FOIA in the Department of Agriculture (“USDA” or “Department”). The term “agency” or “agencies” is used throughout this subpart to include both USDA program agencies and staff offices.

§1.2 Policy.

(a) Agencies of USDA shall comply with the time limits set forth in the FOIA and in this subpart for responding to and processing requests and appeals for agency records, unless there are unusual circumstances within the meaning of 5 U.S.C. 552(a)(6)(B) and §1.16(b). An agency shall notify a requester in writing whenever it is unable to respond to or process a request or appeal within the time limits established by the FOIA.

(b) All agencies of the Department shall comply with the fee schedule provided as appendix A to this subpart, with regard to the charging of fees for providing copies of records and related services to requesters.

§1.3 Agency implementing regulations.

Each agency of the Department shall promulgate regulations setting forth the following:

(a) The location and hours of operation of the agency office or offices where members of the public may gain access to those materials required by 5 U.S.C. 552(a)(2) and §1.4 to be made available for public inspection and copying.

(b) Information regarding the publication and distribution (by sale or otherwise) of indexes and supplements to indexes that are maintained in accordance with the requirements of 5 U.S.C. 552(a)(2) and §1.4(c);

(c) The title and mailing address of the official or officials of the agency authorized to receive requests for records submitted in accordance with §1.5(a), and to make determinations regarding whether to grant or deny such requests. Authority to make such determinations includes authority to:

(1) Extend the 20 working day administrative deadline for reply pursuant to §1.16;

(2) Make discretionary releases pursuant to §1.19(b);

(3) Make determinations regarding the charging of fees pursuant to appendix A to this subpart;

(d) The title and mailing address of the agency official who is authorized to receive appeals submitted in accordance with §1.14 and to make determinations regarding whether to grant or deny such appeals. Authority to determine appeals includes authority to:

(1) Extend the 20 working day administrative deadline for reply pursuant to §1.16 (to the extent the maximum extension authorized by §1.16(c) was not used with regard to the initial request;

(2) Make discretionary releases pursuant to §1.19(b);

(3) Make determinations regarding the charging of fees pursuant to appendix A to this subpart; and

(e) Other information which would be of concern to a person wishing to request records from that agency in accordance with this subpart.

§1.4 Public access to certain materials.

(a) In accordance with 5 U.S.C. 552(a)(2), each agency within the Department shall make the following materials available for public inspection and copying (unless they are promptly published and copies offered for sale):

(1) Final opinions, including concurring and dissenting opinions, as well as orders, made in the adjudication of cases;

(2) Those statements of policy and interpretation which have been adopted by the agency and are not published in the FEDERAL REGISTER;

(3) Administrative staff manuals and instructions to staff that affect a member of the public;

(4) Copies of all records, regardless of form or format, which have been released pursuant to a FOIA request under 5 U.S.C. 552(a)(3), and which because of the nature of their subject matter, have become or are likely to become the subject of subsequent requests for substantially the same records. Agencies shall decide on a case by case basis whether records fall into this category, based on the following factors:

- (i) Previous experience with similar records;
 - (ii) The particular characteristics of the records involved, including their nature and the type of information contained in them; and
 - (iii) The identity and number of requesters and whether there is widespread media, historical, academic, or commercial interest in the records.
- (5) A general index of the records referred to in paragraph (a)(4) of this section.

(b) Records encompassed within paragraphs (a)(1) through (a)(5) of this section created on or after November 1, 1996, shall be made available to the public by computer telecommunications or, if computer telecommunications means have not been established by the agency, by other electronic means.

(c) Each agency of the Department shall maintain and make available for public inspection and copying current indexes providing identifying information regarding any matter issued, adopted or promulgated after July 4, 1967, and required by paragraph (a) of this section to be made available or published. Each agency shall publish and make available for distribution copies of such indexes and supplements to such indexes at least quarterly, unless it determines by notice published in the FEDERAL REGISTER that publication would be unnecessary and impracticable. After issuance of such notice, each agency shall provide copies of any index upon request at a cost not to exceed the direct cost of duplication.

(d) Each agency is responsible for preparing reference material or a guide for requesting records or information from that agency. This guide shall also include an index of all major information systems, and a description of major information and record locator systems.

(e) Each agency shall also prepare a handbook for obtaining information from that agency. The handbook should be a short, simple explanation to the public of what the FOIA is designed to do, and how a member of the public can use it to access government records. The handbook should be available on paper and through electronic means, and it should identify how a requester can access agency Freedom of Information Act annual reports. Similarly, the annual reports should refer to the handbook and how to obtain it.

(f) It is appropriate to make frequently requested records available in accordance with paragraph (a)(4) of this section in situations where public access in a timely manner is important, and it is not intended to apply where there may be a limited number of requests over a short period of time from a few requesters. Agencies may remove a record from this access medium when the appropriate official determines that it is unlikely there will be substantial further requests for that document.

§1.5 Requests for records.

(a) Any person who wishes to inspect or obtain copies of any record of any agency of the Department shall submit a request in writing and address the request to the official designated in regulations promulgated by that agency. The requester may ask for a fee waiver. All such requests for records shall be deemed to have been made pursuant to the Freedom of Information Act, regardless of whether the request specifically mentions the Freedom of Information Act. To facilitate processing of a request, the requester should place the phrase "FOIA REQUEST" in capital letters on the front of the envelope or on the cover sheet of the facsimile transmittal.

(b) A request must reasonably describe the records to enable agency personnel to locate them with reasonable effort. Where possible, a requester should supply specific information regarding dates, titles, names of individuals, names of offices, and names of agencies or other organizations that may help identify the records. If the request relates to a matter in pending litigation, the requester should identify the court and its location.

(c) If an agency determines that a request does not reasonably describe the records, the agency shall inform the requester of this fact and extend the requester an opportunity to clarify the request or to confer promptly with knowledgeable agency personnel to attempt to identify the records the requester is seeking. The "date of receipt" in such instances, for purposes of §1.13, shall be the date of receipt of the amended or clarified request.

(d) If a request for records or a fee waiver made under this subpart is denied, the requester shall have the right to appeal the denial. Requesters also may appeal agency determinations of a requester's status for purposes of fee levels under sec. 5 of appendix A to this subpart. All appeals must be in writing and addressed to the official designated in regulations promulgated by the agency which denied the request. To facilitate processing of an appeal, the requester should place the phrase "FOIA APPEAL" in capital letters on the front of the envelope or on the cover sheet of the fax transmittal.

(e) Requests that are not addressed to a specific agency in USDA, or which pertain to more than one USDA agency, or which are sent to the wrong agency of USDA, should be forwarded to the Department's FOIA Officer in the Office of Communications, U.S. Department of Agriculture, Washington, DC 20250.

(f) The Department FOIA Officer will determine which agency or agencies should process the request, and, where necessary, refer the request to the appropriate agency or agencies. The Department FOIA Officer will also notify the requester of the referral and of the name of each agency to which the request has been referred.

(g) A request will be properly received when it is in the possession of the component agency that has responsibility for maintaining the requested records.

(h) Each agency shall develop and maintain a record of all written requests and appeals received in that agency. The record shall include the names of the requester; a brief summary of the information requested; whether the request or appeal was granted, denied, or

partially denied; the exemption from mandatory disclosure under 5 U.S.C. 552(b) upon which any denial was based; and the amount of any fees associated with the request or appeal.

§1.6 Aggregating requests.

When an agency reasonably believes that a requester, or a group of requesters acting in concert, is attempting to break a request down into a series of requests for the purpose of evading the assessment of fees, the agency may aggregate any such requests and charge accordingly. One element that may be considered in determining whether such a belief would be reasonable is the brevity of the time period during which the requests have been made.

§1.7 Agency response to requests for records.

(a) 5 U.S.C. 552(a)(6)(A)(i) provides that each agency of the Department to which a request for records is submitted in accordance with §1.5(a) shall inform the requester of its determination concerning that request within 20 working days of its date of receipt (excepting Saturdays, Sundays, and legal public holidays), plus any extension authorized under §1.16. If the agency determines to grant the request, it shall inform the requester of any conditions surrounding the granting of the request (e.g., payment of fees) and the approximate date upon which the agency will provide the requested records. If the agency grants only a portion of the request, it shall treat the portion not granted as a denial, and make a reasonable effort to estimate the volume of the records denied and provide this estimate to the requester, unless providing such an estimate would harm an interest protected by an exemption of the FOIA. If the agency determines to deny the request in part or in whole, it shall immediately inform the requester of that decision and provide the following:

- (1) The reasons for the denial;
- (2) The name and title or position of each person responsible for denial of the request;
- (3) The requester's right to appeal such denial and the title and address of the official to whom such appeal is to be addressed; and
- (4) The requirement that such appeal be made within 45 days of the date of the denial.

(b) If the reason for not fulfilling a request is that the records requested are in the custody of another agency outside USDA, other than in the permanent custody of the National Archives and Records Administration ("NARA"), the agency shall inform the requester of this fact and shall forward the request to that agency or Department for processing in accordance with its regulations. If the records are in the permanent custody of NARA, the agency shall so inform the requester. Information about obtaining access to records at NARA may be obtained through the NARA Archival Information Locator (NAIL) Database at <http://www/nara.gov/nara.nail.html>, or by calling NARA at (301) 713-6800. If the agency has no knowledge of requested records or if no records exist, the agency shall notify the requester of that fact.

§1.8 Multitrack processing.

(a) When an agency has a significant number of requests, the nature of which precludes a determination within 20 working days, the requests may be processed in a multitrack processing system, based on the date of receipt, the amount of work and time involved in processing the request, and whether the request qualifies for expedited processing.

(b) Agencies may establish as many processing tracks as appropriate; processing within each track shall be based on a first-in, first-out concept, and rank-ordered by the date of receipt of the request.

(c) Agencies may provide a requester whose request does not qualify for the fastest track an opportunity to limit the scope of the request in order to qualify for a faster track. This multitrack processing system does not lessen agency responsibility to exercise due diligence in processing requests in the most expeditious manner possible.

(d) Agencies shall process requests in each track on a "first-in, first-out" basis, unless there are unusual circumstances as set forth in §1.16, or the requester is entitled to expedited processing as set forth in §1.9.

§1.9 Expedited processing.

(a) A requester may apply for expedited processing at the time of the initial request for records. Within ten calendar days of its receipt of a request for expedited processing, an agency shall decide whether to grant it, and shall notify the requester of the decision. Once the determination has been made to grant expedited processing, an agency shall process the request as soon as practicable. If a request for expedited processing is denied, the agency shall act expeditiously on any appeal of that decision.

(b) A request or appeal will be taken out of order and given expedited treatment whenever the agency determines that the requester has established either of the following criteria:

(1) Circumstances in which the lack of expedited treatment could reasonably be expected to pose an imminent threat to the life or physical safety of an individual; or

(2) An urgency to inform the public about an actual or alleged federal government activity, if made by an individual primarily engaged in disseminating information. Representatives of the news media would normally qualify as individuals primarily engaged in disseminating information; however, other requesters must demonstrate that their primary activity involves publishing or otherwise disseminating information to the public as a whole, and not just a particular segment or group. "Urgency" contemplates that the information has a particular value that will be lost if not disseminated quickly. Ordinarily this means a breaking news story of general public interest. Information of historical interest only or information sought for litigation or commercial activities would not meet the test of urgency, nor would a news media publication or broadcast deadline unrelated to the news breaking nature of the information.

(c) A requester who seeks expedited processing must provide a written statement that the requester has certified to be true and correct to the best of the requester's knowledge, explaining in detail the basis for requesting expedited processing. The agency will not consider the request to have been received unless accompanied by a written, certified statement, and will be under no obligation to consider the request for expedited processing until it receives such a written, certified statement.

(d) the same procedures apply to requests for expedited processing of administrative appeals.

§1.10 Search services.

Search services are services of agency personnel—clerical or professional—used in trying to find the records, that are responsive to a request. Search services includes both manual and electronic searches and time spent examining records for the purpose of finding information that is within the scope of the request. Search services also include services to transport personnel to places of record storage, or records to the location of personnel for the purpose of the search, if such services are reasonably necessary.

§1.11 Review services.

(a) Review services are services of agency personnel—clerical or professional—in examining records, both paper and electronic, located in response to a request that is for a commercial use (as specified in sec. 6 of appendix A to this subpart) to determine whether any portion of any record located is exempt from mandatory disclosure.

(b) Review services include processing any records for disclosure e.g., doing all that is necessary to redact exempt portions and otherwise prepare records for release.

(c) Review services do not include the time spent resolving general legal or policy issues regarding the application of exemptions.

§1.12 Handling information from a private business.

Each USDA agency is responsible for making the final determination with regard to the disclosure or nondisclosure of information in agency records that has been submitted by a business. When, in the course of responding to an FOIA request, an agency cannot readily determine whether the information obtained from a person is privileged or confidential business information, the policy of USDA is to obtain and consider the views of the submitter of the information and to provide the submitter an opportunity to object to any decision to disclose the information. If a request (including a subpoena duces tecum as described in §1.215) is received in USDA for information that has been submitted by a business, the agency shall:

(a) Provide the business information submitter with prompt notification of a request for that information (unless it is readily determined by the agency that the information requested should not be disclosed or, on the other hand, that the information is not exempt by law from disclosure). Afford business information submitter reasonable time in which to object to the disclosure of any specified portion of the information. The submitter must explain fully all grounds upon which disclosure is opposed. For example, if the submitter maintains that disclosure is likely to cause substantial harm to its competitive position, the submitter must explain item-by-item why disclosure would cause such harm. Information provided by a business submitter pursuant to this paragraph may itself be subject to disclosure under FOIA;

(b) Notify the requester of the need to inform the submitter of a request for submitted business information;

(c) Determine whether the requested records are exempt from disclosure or must be released;

(d) Provide business information submitters with notice of any determination to disclose such records prior to the disclosure date, in order that the matter may be considered for possible judicial intervention; and

(e) Notify business information submitters promptly of all instances in which FOIA requesters bring suit seeking to compel disclosure of submitted information.

§1.14 Appeals.

(a) Requesters seeking administrative appeal of a denial of a request for records or denial of a fee waiver must ensure that the appeal is received by the agency within 45 days of the date of the denial letter.

(b) Each agency shall provide for review of appeals by an official different from the official or officials designated to make initial denials.

(c) 5 U.S.C. 552(a)(6)(A)(ii) provides that each agency in the Department to which an appeal of a denial is submitted shall inform the requester of its determination concerning that appeal within 20 working days (excepting Saturdays, Sundays, and legal public holidays), plus any extension authorized by §1.16, of its date of receipt. If the agency determines to grant the appeal, it shall inform the requester of any conditions surrounding the granting of the request (e.g., payment of fees) and the approximate date upon which compliance will be effected. If the agency grants only a portion of the appeal, it shall treat the portion not granted as a denial. If it determines to deny the appeal either in part or in whole, it shall inform the requester of that decision and of the following:

- (1) The reasons for denial;
- (2) The name and title or position of each person responsible for denial of the appeal; and
- (3) The right to judicial review of the denial in accordance with 5 U.S.C. 552(a)(4).

(d) Each agency, upon a determination that it wishes to deny an appeal, shall send a copy of the records requested and of all correspondence relating to the request to the Assistant General Counsel, General Law Division, Office of the General Counsel ("Assistant General Counsel"). When the volume of records is so large as to make sending a copy impracticable, the agency shall enclose an informative summary of those records. The agency shall not deny an appeal until it receives concurrence from the Assistant General Counsel

(e) The Assistant General Counsel shall promptly review the matter (including necessary coordination with the agency) and render all necessary assistance to enable the agency to respond to the appeal within the administrative deadline or any extension of the administrative deadline.

§1.15 General provisions respecting release of records.

(a) When releasing documents, agencies shall provide the record in any form or format the requester specifies, if the record is readily reproducible in that form or format. Agencies shall make reasonable efforts to maintain their records in forms or formats that are reproducible. In responding to requests for records, agencies shall make reasonable efforts to search for records in electronic form or format, except when such efforts would significantly interfere with the operation of an agency's automated information system. Such determinations shall be made on a case-by-case basis.

(b) In the event a requested record contains some portions that are exempt from mandatory disclosure and others that are not, the official responding to the request shall ensure that all reasonably segregable nonexempt portions are disclosed, and that all exempt portions are identified according to the specific exemption or exemptions which are applicable. The amount of deleted information shall be indicated on the released portion of paper records. Deletions may be marked by use of brackets or darkened areas indicating removal of information, or by any other method that would reasonably demonstrate the extent of the deletion. In the case of electronic deletion, or deletion in audiovisual or microfiche records, if technically feasible, the amount of redacted information shall be indicated at the place in the records, if technically feasible, the amount of redacted information shall be indicated at the place in the record where such deletion was made. This may be done by use of brackets, shaded areas, or some other identifiable technique which will clearly show the limits of the deleted information.

(c) If, in connection with a request or an appeal, a charge is to be made in accordance with sec. 8 of appendix A to this subpart, agencies shall inform the requester of the fee amount and of the basis for the charge. Each agency, in accordance with sec. 8 of appendix A to this subpart, may require payment of the entire fee, or a portion of the fee, before it provides the requested records. An agency shall require full payment of any delinquent fee owed by the requester plus any applicable interest prior to releasing records on a subsequent request or appeal. If a requester refuses to remit payment in advance, an agency may refuse to process the request or appeal with written notice to that effect forwarded to the requester. The "date of receipt" appeal for which advance payment has been required shall be the date that payment is received.

(d) In the event compliance with the request or appeal involves inspection of records by the requester rather than providing copies of the records, the agency response shall include the name, mailing address, and telephone number of the person to be contacted to arrange a mutually convenient time for such inspection.

(e) Whenever duplication fees, or search fees for unsuccessful searches (see sec. 4(f) of appendix A to this subpart), are anticipated to exceed \$25.00, and the requester has not indicated, in advance, a willingness to pay fees as high as those anticipated, agencies shall notify the requester of the amount of the anticipated fee. If an extensive and therefore costly successful search is anticipated, agencies also should notify requesters of the anticipated fees. The notification shall offer the requester the opportunity to confer with agency personnel to reform the request to meet the requester's needs at a lower fee. In appropriate cases, an advance deposit in accordance with sec. 8 of appendix A to this subpart may be required.

§1.16 Extension of administrative deadlines.

(a) In unusual circumstances as specified in this section, when additional time is needed to respond to the initial request or to an appeal, agencies shall acknowledge the request or the appeal in writing within the 20 working day time period, describe the unusual circumstances requiring the delay, and indicate the anticipated date for a substantive response that may not exceed 10 additional working days, except as provided in the following:

(1) In instances in which the agency, with respect to a particular request, has extended the response date by 10 additional working days, if the agency finds that it cannot make a response determination within the additional 10 working day period, the agency shall notify the requester and provide the requester an opportunity to limit the scope of the request to allow the agency to process the request within the extended time limit, or an alternative time frame for processing the request or a modified request.

(2) If the requester refuses to reasonably modify the request or arrange for an alternative time frame for processing the request, the FOIA provides that such refusal shall be considered as a factor in determining whether there are exceptional circumstances that warrant granting additional time for the agency to complete its review of the records, as set forth in 5 U.S.C. 552(a)(6)(C)(iii). The term "exceptional circumstances" does not include a delay that results from a predictable agency backlog, unless the agency demonstrates reasonable progress in reducing its backlog of pending requests.

(b) As used in this section, "unusual circumstances" that may justify delay are:

(1) The need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request;

(2) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or

(3) The need for consultation, which shall be conducted with all practicable speed, with another Department or agency having a substantial interest in the determination of the request or among two or more components of agency having substantial subject-matter interest in the request.

NOTE TO PARAGRAPH (b): Consultation regarding policy or legal issues between an agency and the Office of the General Counsel, Office of Communications, or the Department of Justice is not a basis for extension under this section.

(c) The 10-day extension authorized by this section may be divided between the initial and appellate reviews, but in no event shall the total extension exceed 10 working days.

(d) Nothing in this section shall preclude the agency and the requester from agreeing to an extension of time. Any such agreement should be confirmed in writing and should specify clearly the total time agreed upon.

§1.17 Failure to meet administrative deadlines.

In the event an agency fails to meet the administrative deadlines set forth in §1.7 or §1.14, plus any extension authorized by §1.16, it shall notify the requester, state the reasons for the delay, and the date by which it expects to dispatch a determination. Although the requester may be deemed to have exhausted his or her administrative remedies under 5 U.S.C. 552(a)(6)(C), the agency shall continue processing the request as expeditiously as possible and dispatch the determination when it is reached in the same manner and form as if it had been reached within the applicable deadline.

Appendix A to Subpart A of Part 1—Fee Schedule

Section 1. General.

This schedule sets forth fees to be charged for providing copies of records—including photographic reproductions, microfilm, maps and mosaics, and related services—under the Freedom of Information Act (FOIA). Records and related services are available at the locations specified by agencies in their FOIA implementing regulations. The fees set forth in this schedule are applicable to all agencies of the Department of Agriculture, and are based upon guidelines prescribed by the Office of Management and Budget (OMB) issued at 52 FR 10012 (March 27, 1987). No higher fees or charges in addition to those provided for in this schedule may be charged a party requesting services under the Freedom of Information Act.

Section 2. Types of services for which fees may be charged.

Subject to the criteria set forth in section 5 of this appendix, fees may be assessed under the Freedom of Information Act on all requests involving such services as record search, duplication, and review. Fees may also be charged in situations involving special service to a request, such as certifying that records requested are true copies, or sending records by special methods such as express mail, etc. For services not covered by the FOIA or by this appendix, agencies may set their own fees in accordance with applicable law, or costs incurred will be assessed the requester at the actual cost to the Government. For example, where records are required to be shipped from one office to another by commercial carrier in order to timely answer a request, the actual freight charge will be assessed the requester.

Section 3. Instances in which fees will not be charged.

(a) Except for requests seeking records for a commercial use (as specified in section 5 of this appendix), no charge shall be made for either: (1) The first 100 pages of duplicated records (8½" × 14" or smaller-size paper); or (2) The first two hours of manual search time, or the equivalent value of computer search time as defined in section 4(e) of this appendix.

(b) No charge shall be made—even to commercial use requesters—if the cost of collecting a fee would be equal to or greater than the fee itself. For USDA, this figure has been calculated to be \$25.00.

(c) Fees may not be charged for time spent by an agency employee in resolving legal or policy issues, or in monitoring a requester's inspection of agency records. No charge shall be made for normal postage costs.

(d) Records shall also be furnished without charge under the following conditions:

(1) When filling requests from other Departments or Government agencies for official use, provided quantities requested are reasonable in number;

(2) When members of the public provide their own copying equipment, in which case no copying fee will be charged (although search and review fees may still be assessed); or

(3) When any notices, decisions, orders, or other materials are required by law to be served on a party in any proceeding or matter before any Department agency.

Section 4. Fees for records and related services.

(a) The fee for photocopies of pages 8½" × 14" or smaller shall be \$0.20 per page (per individual side of sheet).

(b) The fee for photocopies larger than 8½" × 14" shall be \$0.50 per linear foot of the longest side of the copy.

(c) The fee for other forms of duplicated records, such as microform, audio-visual materials, or machine-readable documentation (i.e., magnetic tape or disk), shall be the actual direct cost of producing the records.

(d) Manual searches shall be charged for in one of the two following manners in the given order:

(1) When feasible, at the salary rate of the employee conducting the search, plus 16 percent of the employee's basic pay; or

(2) Where a homogeneous class of personnel is used exclusively, at the rate of \$10.00 per hour for clerical time, and \$20.00 per hour for supervisory or professional time. Charges should be computed to the nearest quarter hour required for the search. A homogeneous class of personnel, for purposes of conducting manual searches and where more than one individual is involved, is a group of employees of like rank, grade, pay or position. A heterogeneous class of personnel is a group of employees of unlike rank, grade, pay, or position. If a heterogeneous class of personnel is involved in a search then the search shall be charged for at the salary rate of the individuals.

(e) Mainframe computer searches and services shall be charged for at the rates established in the Users Manual or Handbook published by the computer center at which the work will be performed. Where the rate has not been established, the rate shall be \$27.00 per minute. Searches using computers other than mainframes shall be charged for at the manual search rate.

(1) Other rates are published and may be examined at the following places:

Fort Collins Computer Center Users Manual

Fort Collins Computer Center, U.S. Department of Agriculture, 3825 East Mulberry Street (P.O. Box 1206), Fort Collins, Colo. 80521.

St. Louis Computer Center, U.S. Department of Agriculture, 1520 Market Street, St. Louis, MO. 63103.

(f) Charges for unsuccessful searches, or searches which fail to locate records or which locate records which are exempt from disclosure, shall be assessed at the same fee rate as searches which result in disclosure of records.

(g) The fee for providing review services shall be the hourly salary rate (i.e., basic pay plus 16 percent) of the employee conducting the review to determine whether any information is exempt from mandatory disclosure.

(h) The fee for Certifications shall be \$5.00 each; Authentications under Department Seal (including aerial photographs), \$10.00 each.

(i) All other costs incurred by USDA agencies will be assessed the requester at the actual cost to the Government.

(j) The fees specified in paragraphs (a) through (g) of this section apply to all requests for services under the FOIA, unless no fee is to be charged, or the agency has determined to waive or reduce those fees pursuant to section 6 of this appendix. No higher fees or charges in addition to those provided for in this appendix may be charged for services under the FOIA.

(k) The fees specified in paragraphs (h) and (i) of this section and in section 17 of this appendix apply to requests for services other than those subject to the FOIA. The authority for establishment of these fees is at 31 U.S.C. 9701 and other applicable laws.

(l) Except as provided in section 11 of this appendix, for services not subject to the FOIA, and not covered by paragraph (h) of this section, agencies may set their own fees in accordance with applicable law.

Section 5. Levels of fees for each category of requesters.

Under the FOIA, there are four categories of FOIA requesters: Commercial use requesters, educational and non-commercial scientific institutions; representatives of the news media; and all other requesters. FOIA prescribes specific levels of fees for each category:

(a) Commercial use requesters—For commercial use requesters, agencies shall assess charges which recover the full direct costs of searching for, reviewing for release, and duplicating the records sought. Commercial use requesters are not entitled to the free search time or duplication referenced in section 3(a) of this appendix. Agencies may recover the cost of searching for and reviewing records for commercial use requesters even if there is ultimately no disclosure of records.

(1) A commercial use requester is defined as one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made.

(2) In determining whether a requester properly belongs in this category, agencies must determine whether the requester will put the records to a commercial use. Where an agency has reasonable cause to doubt the use to which a requester will put the records sought, or where that use is not clear from the request itself, the agency may seek additional clarification from the requester.

(b) Educational and non-commercial scientific institution requesters—Fees for this category of requesters shall be limited to the cost of providing duplication service alone, minus the charge for the first 100 reproduced pages. No charge shall be made for search or review services. To qualify for this category, requesters must show that the request is being made as authorized by and under the auspices of an eligible institution and that the records are not sought for a commercial use, but are sought in furtherance of scholarly research (if the request is from an educational institution) or scientific research (if the request is from a non-commercial scientific institution).

(1) The term *educational institution* refers to a preschool, a public or private elementary or secondary school, an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education, and an institution of vocational education, which operates a program or programs of scholarly research.

(2) The term *non-commercial scientific institution* refers to institution that is not operated on a “commercial” (see section 5(a)(1)) of this appendix basis, and which is operated solely for the purpose of conducting scientific research the results of which are not intended to promote any particular product or industry.

(c) Requesters who are representatives of the news media—Fees for this category of requesters shall also be limited to the cost of providing duplication service alone, minus the charge for the first 100 reproduced pages. No charge shall be made for providing search or review services. Requests in this category must not be made for a commercial use.

(1) The term *representative of the news media* refers to any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public.

(2) The term *news* means information that is about current events or that would be of current interest to the public.

(3) Examples of news media entities include television or radio stations broadcasting to the public at large, and publishers of periodicals which disseminate news and who make their products available for purchase or subscription by the general public.

(4) *Freelance* journalists may be regarded as working for a news organization if they can demonstrate a solid basis for expecting publication through that organization, even though not actually employed by it.

(d) All other requesters—Fees for requesters who do not fit into the categories described in paragraphs (a), (b), or (c) of this section shall be assessed for the full reasonable direct cost of searching for and duplicating records that are responsive to a request. No charge, however, shall be made to requesters in this category for: (1) The first 100 duplicated pages; or (2) the first two hours of manual search time, or the equivalent value of computer search time as defined in section 4(e) of this appendix.

Section 6. Fee waivers and reductions.

(a) Agencies shall waive or reduce fees on request for records if disclosure of the information in the records is deemed to be in the public interest. A request is in the public interest if it is likely to contribute significantly to public understanding of the operations or activities of the government, and is not primarily in the commercial interest of the requester.

(1) In determining when fees shall be waived or reduced, agencies should consider the following six factors:

(i) The subject of the request, i.e., whether the subject of the requested records concerns “the operations or activities of the government”;

(ii) The informative value of the information to be disclosed, i.e., whether the disclosure is "likely to contribute" to an understanding of government operations or activities;

(iii) The contribution to an understanding of the subject by the general public likely to result from disclosure, i.e., whether disclosure of the requested information will contribute to "public understanding";

(iv) The significance of the contribution to public understanding, i.e., whether the disclosure is likely to contribute "significantly" to public understanding of government operations or activities;

(v) The existence and magnitude of a commercial interest, i.e., whether the requester has a commercial interest that would be furthered by the requested disclosure; and,

(vi) The primary interest in disclosure, i.e., whether the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is "primarily in the commercial interest of the requester."

(2) An agency may, in its discretion, waive or reduce fees associated with a request for disclosure, regardless of whether a waiver or reduction has been requested, if the agency determines that disclosure will primarily benefit the general public.

(3) Agencies may also waive or reduce fees under the following conditions:

(i) Where the furnishings of records or a service without charge or at a reduced rate is an appropriate courtesy to a foreign country or international organization, or where comparable fees are set on a reciprocal basis with a foreign country or an international organization;

(ii) Where the requester is engaged in a nonprofit activity designed for the public safety, health, or welfare; or

(iii) Where it is determined that payment of the full fee by a State or local government or nonprofit group would not be in the interest of the program involved.

(4) Fees shall be waived, however, without discretion in all circumstances where the amount of the fee is \$25.00 or less.

Section 7. Restrictions regarding copies.

(a) Agencies may restrict numbers of photocopies and directives furnished the public to one copy of each page. Copies of forms provided the public shall also be held to the minimum practical. Persons requiring any large quantities should be encouraged to take single copies to commercial sources for further appropriate reproduction.

(b) Single or multiple copies of transcripts, provided to the Department under a reporting service contract, may be obtained by the public from the contractor at a cost not to exceed the cost per page charged to the Department for extra copies. The contractor may add a postage charge when mailing orders to the public, but no other charge may be added.

Section 8. Payments of fees and charges.

(a) Payments should be billed for to the fullest extent possible at the time the requested materials are furnished. Payments should be made by requesters within 30 days of the date of the billing.

(b) Payments shall be made by check, draft, or money order made payable to the Treasury of the United States, although payments may be made in cash, particularly where services are performed in response to a visit to a Department office. All payments should be sent to the address indicated by the agency responding to the request.

(c) Where the estimated fees to be charged exceed \$250.00, agencies may require an advance payment of an amount up to the full estimated charges (but not less than 50 percent) from the requester before any of the requested materials are reproduced.

(d) In instances where a requester has previously failed to pay a fee, an agency may require the requester to pay the full amount owed, plus any applicable interest as provided in section 9 of this appendix, as well as the full estimated fee associated with any new request before the agency begins to process that new or subsequent request.

Section 9. Interest charges.

On requests that result in fees being assessed, agencies may begin levying interest charges on an unpaid bill starting on the 31st day following the day on which the billing was sent. Interest will be at the rate prescribed in 31 U.S.C. 3717, and will accrue from the date of the billing.

Section 10. Effect of the Debt Collection Act on fees.

In attempting to collect fees levied under the FOIA, agencies shall abide by the provisions of 31 U.S.C. 3701, 3711-3720A, in disclosing information to consumer reporting agencies and in the use of collection agencies, where appropriate, to encourage payment.

Section 11. Photographic and digital reproductions of microfilm, aerial imagery, and maps.

(a) *Applicability.* This section applies to all hearings and other proceedings before the Department of Agriculture, except to the extent that any other regulation of the Department may specifically make this section, or any part of this section, inapplicable as to particular hearings or other proceedings.

(b) *Administrative provisions.* (1) In any hearing or other proceeding before the Department of Agriculture, the parties may appear in person or by counsel or other representative. Persons who appear as counsel or in a representative capacity in any hearing or proceeding must conform to the standards of ethical conduct required of practitioners before the U.S. District Court for the District of Columbia, and to any applicable standards of ethical conduct established by statutes, executive orders and regulations.

(2) Whenever the Secretary finds, after notice and opportunity for hearing, that a person who is acting or has acted as counsel or representative in any hearing or other proceeding before the Department has not conformed to any such standards of ethical conduct, the Secretary may order that such person be precluded from acting as counsel or representative in any hearing or other proceeding before the Department for such period of time as the Secretary deems warranted. Whenever the Secretary has probable cause to believe that any person who is acting or has acted as counsel or representative in any such hearing or other proceeding has not conformed to any such standards of ethical conduct, the Secretary may, by written notice to such person, suspend the person from acting as such a counsel or representative pending completion of the procedures specified in the preceding sentence.

(3) No employee or former employee of the Department shall be permitted to represent any person before the Department in connection with any particular matter as to which by reason of employment with the Department the employee or former employee acquired personal knowledge of such a nature that it would be improper, unethical, or contrary to the public interest for the employee or former employee so to act.

Subpart E—Cooperative Production of Television Films

SOURCE: 22 FR 2904, Apr. 25, 1957, unless otherwise noted.

[↑ Back to Top](#)

§1.71 Purpose.

This subpart establishes procedures for developing special working relationships with the Department of Agriculture requested by producers of films for television use. These procedures are designed to guide Department employees and producers of commercial television pictures in entering into such arrangements.

[↑ Back to Top](#)

§1.72 Policy.

(a) *General.* It is a basic policy of the Department of Agriculture to make information freely available to the public.

(b) *Cooperation with television film producers.* The Department recognizes that its people and programs constitute a rich source of materials on public services, often dramatic and interesting for their human values, which are suitable for production of films for television showings. The Department welcomes the interest of television film producers in its activities and maintains an “open door” policy with respect to the availability of factual information to such producers, as it does to representatives of other media. As its resources will permit, the Department will work with producers at their request, to assure technical accuracy of scripts and story treatments.

(c) *Special working relationships.* In those instances where a producer of films for television seeks special Department participation such as the use of official insignia of the Department, or who request special assistance such as the services of technical advisors, use of Government equipment and similar aids which require a material expenditure of public funds, and where the proposed film will further the public service of the Department, the Department will consider entering into a special working relationship with such producer.

(d) *News film reporting exempted.* Television and news film reporting of Department activities is not covered by this subpart.

[↑ Back to Top](#)

§1.73 Responsibility.

The Director of Information or his designee will be the authority for the approval of special working relationships on the part of the Department of Agriculture and its agencies. The Director or his designee shall not commit the Department to such special arrangements without proper concurrence and coordination with interested agencies and approval by the appropriate Assistant Secretary or Group Director.

[↑ Back to Top](#)

§1.74 Basis for special working relationships.

The Department and its agencies may lend special assistance on television films when it is clearly evident that public interests are served. Where special assistance is sought, an individual cooperative agreement will be drawn up between the Department with the Director of Information as its agent, and the producer. Details on such assistance as reviewing stories and scripts, loan of material, arrangements for locations, use of official motion picture footage, assignment of technical advisors and similar aids will be covered in the agreement, which shall delineate the general stipulations listed in §1.75.

[↑ Back to Top](#)

§1.75 General stipulations.

In requesting special working arrangements the producer must agree to the following stipulations:

(a) The producer must show that he has legal authority to the literary property concerned.

(b) The producer must show access to a distribution channel recognized by the motion picture or television industry. In lieu of complete distribution plans for a television series, a producer must produce satisfactory evidence of financial responsibility (showing financial resources adequate for the defrayment of costs for the proposed undertaking).

(c) The commercial advertising of any show produced, using oral or written rights granted to the producer, shall not indicate any endorsement, either direct or implied, by the U.S. Department of Agriculture or its agencies, of the sponsor's product.

(d) Commercial sponsorship shall be only by a person, firm, or corporation acceptable under the terms of the 1954 Television Code of the National Association of Radio and Television Broadcasters, and all subsequent amendments thereto. Political sponsorship shall not be permitted.

(e) That no production costs shall be chargeable to the U.S. Department of Agriculture.

(f) That such cooperation will not interfere with the conduct of Department programs.

(g) All damages, losses and personal liability incurred by producer will be his responsibility.

(h) That mutual understanding and agreement will be reached upon story, script and film treatment with the Department before film production is begun.

[↑ Back to Top](#)

§1.76 Department cooperation.

When the producer agrees to meet the above stipulations to the satisfaction of the Director of Information, the U.S. Department of Agriculture and its agencies will be available for consultation on story ideas and give guidance through the services of a technical advisor to insure technical authenticity. Equipment, locations, and personnel will be available to the extent that such availability is concurrent with normal and usual conduct of the operations of the Department. The Department will check and work with the cooperators to arrange shooting schedules in order to avoid interferences with working schedules.

[↑ Back to Top](#)

§1.77 Assignment of priorities.

(a) *Authority.* (1) The Director of Information or his designee will make assignment of priorities for the U.S. Department of Agriculture for a television film company's and/or individual producer's story treatment of the subject matter, but no such priority shall limit use of the subject matter itself.

(2) A priority will be given in writing upon acceptance in writing by the producer of the stipulations in §1.75(b). The U.S. Department of Agriculture will hold the producer's treatment of the story material in confidence until the producer has made a public release pertaining to the subject.

(b) *Time and scope.* A priority will be given on the producer's story treatment for an agreed upon period of time. Requests for cooperation with similar or conflicting ideas and backgrounds will be considered only after holder of the first priority has used the agreed upon time to develop the materials.

(1) Details on priorities will be written into the agreements.

(2) The Director of Information will retain the right to cancel priorities when the producer at any stage violates the provisions of the regulations or of a particular agreement, or when public interest is no longer served.

(3) No priority will be canceled until the producer has had an opportunity to appear before the Secretary of Agriculture or his designee.

[↑ Back to Top](#)

§1.78 Development of special working relationships.

(a) *Preliminary.* Prior to the submittal of a script or the rendering of an agreement, assistance may be given by the Department or one of its agencies in outlining story plans, visits to field points, and other incidentals that will assist the producer in determining his course of action.

(b) *Request for special working arrangements.* Once the decision is made to go ahead with an agreement, either the interested agency or the producer will make a written submission to the Director of Information, requesting that special working arrangements be established.

(1) In submitting scripts prior or subsequent to executing a written agreement under a special working relationship four (4) copies of the completed script shall be submitted to the Director of Information or his designee, along with a statement of specific requirements and the anticipated production schedule.

(2) No script will be used under a special working relationship without the specific approval of the Director of Information.

(3) Upon approval of the script, the agency of the Department concerned with subject matter will endeavor to arrange for the desired assistance with the stipulations of this policy.

[↑ Back to Top](#)

§1.79 Credits.

On films on which the Department or one of its agencies provides special assistance it shall be mutually agreed by the producer and the Director of Information what credits shall be given to the Department, and the form these credits will take.

§1.113 Times, places, and requirements for identification of individuals making requests.

(a) If an individual submitting a request for access under §1.112 has asked that an agency authorize a personal inspection of records pertaining to him or her, and the agency has granted that request, the requester shall present himself or herself at the time and place specified in the agency's response or arrange another, mutually convenient, time with the appropriate agency official.

(b) Prior to inspection of the records, the requester shall present sufficient identification (e.g., driver's license, employee identification card, social security card, credit cards) to establish that the requester is the individual to whom the records pertain. If the requester is unable to provide such identification, the requester shall complete and sign in the presence of an agency official a signed statement asserting the requester's identity and stipulating that the requester understands that knowingly or willfully seeking or obtaining access to records about another individual under false pretenses is a misdemeanor punishable by fine up to \$5,000. No identification shall be required, however, if the records are required by 5 U.S.C. 552 to be released.

(c) Any individual who has requested access to records about himself or herself by personal inspection, and who wishes to have another person or persons accompany the requester during this inspection, shall submit a written statement authorizing disclosure of the record in the presence of such other person or persons.

(d) Any individual having made a personal inspection of records pertaining to the requester may request the agency to provide the requester copies of those records or any portion of those records. Each agency shall grant such requests but may charge fees in accordance with §1.120.

(e) If an individual submitting a request for access under §1.112 wishes to be supplied with copies of the records by mail, the requester shall include with his or her request sufficient data for the agency to verify the requester's identity. If the sensitivity of the records warrant it, however, the agency to which the request is directed may require the requester to submit a signed, notarized statement indicating that the requester is the individual to whom the records pertain and stipulating the requester understands that knowingly or willfully seeking or obtaining access to records about another individual under false pretenses is a misdemeanor punishable by fine up to \$5,000. No identification shall be required, however, if the records are required by 5 U.S.C. 552 to be released. If the agency to which this request is directed determines to grant the requested access, it may charge fees in accordance with §1.120 before making the necessary copies.

§1.114 Disclosure of requested information to individuals.

(a) Any agency which receives a request or appeal under §1.112 should acknowledge the request or appeal within 10 days of its receipt (excluding Saturdays, Sundays, and legal public holidays). Wherever practicable, the acknowledgment should indicate whether or not access will be granted and, if so, when and where. When access is to be granted, the agency should provide the access within 30 days of receipt of the request or appeal (excluding Saturdays, Sundays and legal public holidays) unless, for good cause shown, it is unable to do so. If the agency is unable to meet this deadline, it shall inform the requester of this fact, the reasons for its inability to do so, and an estimate of the date on which access will be granted.

(b) Nothing in 5 U.S.C. 552a or this subpart shall be interpreted to require that an individual making a request under §1.112 be granted access to the physical record itself. The form in which a record is kept (e.g., on magnetic tape), or the content of the record (e.g., a record indexed under the name of the requester may contain records which are not about the requester) may require that the record be edited or translated in some manner. Neither of these procedures may be utilized, however, to withhold information in a record about the requester.

(c) No agency shall deny any request under §1.112 for information concerning the existence of records about the requester in any system of records it maintains, or deny any request for access to records about the requester in any system of records it maintains, unless that system is exempted from the requirements of 5 U.S.C. 552a(d) in §1.123.

(d) If any agency receives a request pursuant to §1.112(a) for access to records in a system of records it maintains which is so exempted, the system manager shall determine if the exemption is to be asserted. If the system manager determines to deny the request, the system manager shall inform the requester of that determination, the reason for the determination, and the title and address of the agency head to whom the denial can be appealed.

(e) If the head of an agency determines that an appeal pursuant to §1.112(b) is to be denied, the head of the agency shall inform the requester of that determination, the reason for the determination, and the requester's right under 5 U.S.C. 552a(g) to seek judicial review of the denial in Federal district court.

(f) Nothing in 5 U.S.C. 552a or this subpart shall allow an individual access to any information compiled in reasonable anticipation of a civil action or proceeding.

§1.115 Special procedures: Medical records.

In the event an agency receives a request pursuant to §1.112 for access to medical records (including psychological records) whose disclosure it determines would be harmful to the individual to whom they relate, it may refuse to disclose the records directly to the requester but shall transmit them to a doctor designated by that individual.

§1.116 Request for correction or amendment to record.

(a) Any individual who wishes to request correction or amendment of any record pertaining to him or her contained in a system of records maintained by an agency shall submit that request in writing in accordance with the instructions set forth in the system notice for that system of records. This request shall include:

- (1) The name of the individual making the request;
- (2) The name of the system of records (as set forth in the system notice to which the request relates);
- (3) A description of the nature (e.g., modification, addition or deletion) and substance of the correction or amendment requested; and
- (4) Any other information specified in the system notice.

(b) Any individual submitting a request pursuant to paragraph (a) of this section shall include sufficient information in support of that request to allow the agency to which it is addressed to apply the standards set forth in 5 U.S.C. 552a(e) (1) and (5).

(c) Any individual whose request under paragraph (a) of this section is denied may appeal that denial to the head of the agency which maintains the system of records to which the request relates.

(d) In the event that an appeal under paragraph (c) of this section is denied, the requester may bring a civil action in federal district court to seek review of the denial.

§1.117 Agency review of request for correction or amendment of record.

(a) Any agency which receives a request for amendment or correction under §1.116 shall acknowledge that request within 10 days of its receipt (excluding Saturdays, Sundays and legal public holidays). The agency shall also promptly, either:

(1) Make any correction, deletion or addition with regard to any portion of a record which the requester believes is not accurate, relevant, timely or complete; or

(2) Inform the requester of its refusal to amend the record in accordance with the request; the reason for the refusal; the procedures whereby the requester can appeal the refusal to the head of the agency; and the title and business address of that official. If the agency informs the requester of its determination within the 10-day deadline, a separate acknowledgement is not required.

(b) If an agency is unable to comply with either paragraphs (a)(1) or (2) of this section within 30 days of its receipt of a request for correction or amendment, (excluding Saturdays, Sundays and legal public holidays), it should inform the requester of that fact, the reasons for the inability to comply with paragraphs (a)(1) or (a)(2) of this section within 30 days, and the approximate date on which a determination will be reached.

(c) In conducting its review of a request for correction or amendment, each agency shall be guided by the requirements of 5 U.S.C. 552a(e)(1) and (5).

(d) If an agency determines to grant all or any portion of a request for correction or amendment, it shall:

- (1) Advise the individual of that determination;
- (2) Make the requested correction or amendment; and

(3) Inform any person or agency outside USDA to whom the record has been disclosed, if an accounting of that disclosure is maintained in accordance with 5 U.S.C. 552a(c), of the occurrence and substance of the correction or amendments.

(e) If an agency determines not to grant all or any portion of a request for correction or amendment, it shall:

- (1) Comply with paragraph (d) of this section with regard to any correction or amendment which is made;
- (2) Advise the requester of its determination and the reasons for the determination not to grant all or a portion of the request for a correction or amendment;
- (3) Inform the requester that he or she may appeal this determination to the head of the agency which maintains the system of records; and

(4) Describe the procedures for making such an appeal, including the title and business address of the official to whom the appeal is to be addressed.

(f) In the event that an agency receives a notice of correction or amendment to information in a record contained in a system of records which it maintains, it shall comply with paragraphs (d)(2) and (3) of this section in the same manner as if it had made the correction or amendment itself.

§1.118 Appeal of initial adverse agency determination on correction or amendment.

(a) Any individual whose request for correction or amendment under §1.116 is denied, and who wishes to appeal that denial, shall address such appeal to the head of the agency which maintains the system of records to which the request relates, in accordance with the procedures set forth in the agency's initial denial of the request.

(b) The head of each agency shall make a final determination with regard to an appeal submitted under paragraph (a) of this section not later than 30 days (excluding Saturdays, Sundays, and legal public holidays) from the date on which the individual requests a review, unless, for good cause shown, the head of the agency extends this 30-day period and so notifies the requester, together with an estimate of the date on which a final determination will be made. Such extension should be utilized only in exceptional circumstances and should not normally exceed 30 days. The delegation of authority set forth in this paragraph may not be redelegated.

(c) In conducting a review of an appeal submitted under paragraph (a) of this section, the head of an agency shall be guided by the requirements of 5 U.S.C. 552a(e)(1) and (5).

(d) If the head of an agency determines to grant all or any portion of an appeal submitted under paragraph (a) of this section, the head of the agency shall inform the requester and the agency shall comply with the procedures set forth in §1.117(d)(2) and (d)(3).

(e) If the head of an agency determines in accordance with paragraph (c) of this section not to grant all or any portion of an appeal submitted under paragraph (a) of this section, the head of the agency shall inform the requester:

(1) Of this determination and the reasons for the determination;

(2) Of the requester's right to file a concise statement of the requester's reasons for disagreeing with the agency's decision;

(3) Of the procedures for filing such a statement of disagreement;

(4) That such statements of disagreements will be made available to anyone to whom the record is subsequently disclosed, together with (if the agency deems it appropriate) a brief statement by the agency summarizing its reasons for refusing to amend the record;

(5) That prior recipients of the disputed record will be provided with a copy of the statement of disagreement, together with (if the agency deems it appropriate) a brief statement of the agency's reasons for refusing to amend the record, to the extent that an accounting of disclosures is maintained under 5 U.S.C. 552a(c); and

(6) Of the requester's right to seek judicial review of the agency's determination in accordance with 5 U.S.C. 552a(g). The agency shall insure that any statements of disagreement submitted by a requester are handled in accordance with paragraphs (e)(4) and (5) of this section.

No agency shall disclose any record which is contained in a system of records it maintains, by any means of communication to any person, or to another agency outside USDA, except pursuant to a written request by, or with the prior written consent of, the individual to whom the record pertains, unless the disclosure is authorized by one or more provisions of 5 U.S.C. 552a(b).

§1.120 Fees.

Any agency which provides copies of records pursuant to a request under this subpart may charge fees for the direct costs of producing such copies in accordance with appendix A to subpart A of this part. No agency, however, shall charge any fee for searches necessary to locate records. Nor shall an agency charge any fees for copies or searches, when the requester sought to make a personal inspection but was provided copies instead at the discretion of the agency.

Appendix A to Subpart G of Part 1—Internal Directives

SECTION 1. *General requirements.* Each agency that maintains a system of records subject to 5 U.S.C. 552a and the regulations of this subpart shall:

(a) Maintain in its records only such information about an individual as is relevant and necessary to accomplish a purpose of the agency required to be accomplished by statute or by executive order of the President;

(b) Collect information to the greatest extent practicable directly from the subject individual when the information may result in adverse determinations about an individual's rights, benefits, and privileges under Federal programs;

(c) Inform each individual whom it asks to supply information, on the form which it uses to collect the information, or on a separate form that can be retained by the individual, of:

(1) The authority (whether granted by statute, or by executive order of the President) which authorizes the solicitation of the information and whether disclosure of such information is mandatory or voluntary;

(2) The principal purpose or purposes for which the information is intended to be used;

(3) The routine uses which may be made of the information, as published pursuant to paragraph (d)(4) of this section; and

(4) The effects on the individual, if any, of not providing all or any part of the requested information;

(d) Subject to the provisions of section 2 of this appendix, prepare for publication in the FEDERAL REGISTER at least annually a notice of the existence and character of each system it maintains, which notice shall include:

(1) The name and location(s) of the system;

(2) The categories of individuals on whom records are maintained in the system;

(3) The categories of records maintained in the system;

(4) Each routine use of the records contained in the system, including the categories of uses and the purpose of such use;

(5) The policies and practices of the agency regarding storage, retrievability, access controls, retention, and disposal of the records;

(6) The title and business address of the agency official who is responsible for the system of records;

(7) The agency procedures whereby an individual can be notified at his or her request if the system of records contains a record pertaining to the individual;

(8) The agency procedures whereby an individual can be notified at his or her request how the individual can gain access to any record pertaining to him or her contained in the system of records, and how he can contest its content; and

(9) The categories of sources of records in the system;

(e) Maintain all records which are used by the agency in making any determination about any individual with such accuracy, relevance, timeliness, and completeness as is reasonably necessary to assure fairness to the individual in the determination;

(f) Prior to disseminating any record about an individual to any person other than an agency, unless the dissemination is made pursuant to 5 U.S.C. 552a(b)(2), make reasonable efforts to assure that such records are accurate, complete, timely, and relevant for agency purposes;

(g) Maintain no record describing how any individual exercises rights guaranteed by the First Amendment unless expressly authorized by statute or by the individual about whom the record is maintained, or unless pertinent to and within the scope of an authorized law enforcement activity;

(h) Make reasonable efforts to serve notice on an individual when any record on such individual is made available to any person under compulsory legal process when such process becomes a matter of public record;

(i) Establish rules of conduct for persons involved in the design, development, operation, or maintenance of any system of records, or in maintaining any record, and instruct each such person with respect to such rules and the requirements of this section, including any other rules and procedures adopted pursuant to this section and the penalties for noncompliance;

(j) Establish appropriate administrative, technical, and physical safeguards to insure the security and confidentiality of records and to protect against any anticipated threats or hazards to their security or integrity which could result in substantial harm, embarrassment, inconvenience, or unfairness to any individual on whom information is maintained.

Sec. 2. Amendment of routine uses for an existing system of records, or establishment of a new system of records.

(a) Any agency which intends to add a routine use, or amend an existing one, in a system of records it maintains, shall, in accordance with 5 U.S.C. 552a(e)(11), ensure that at least 30 days advance notice of such action is given by publication in the FEDERAL REGISTER and an opportunity provided for interested persons to submit written data, views or arguments to the agency.

(b) Any agency which intends to establish a new system of records, or to alter any existing system of records, shall insure that adequate advance notice is provided to Congress and the Office of Management and Budget to permit an evaluation of the probable or potential effect of such action on the privacy and other personal or property rights of individuals or the disclosure of information relating to such individuals, and its effect on the preservation of the constitutional principles of federalism and separation of powers. Such notice is required for any new system of records and for any alteration in an existing one which will:

- (1) Increase the number or types of individuals on whom records are maintained;
- (2) Expand the type or amount of information maintained;
- (3) Increase the number or categories of agencies or other persons who may have access to those records;

(4) Alter the manner in which the records are organized so as to change the nature or scope of those records (e.g., the combining of two or more existing systems);

(5) Modify the way the system operates at its location(s) in such a manner as to alter the procedures by which individuals can exercise their rights under this subpart; or

(6) Change the equipment configuration on which the system is operated so as to create the potential for greater access (e.g., adding a telecommunications capability).

Sec. 3. Accounting of certain disclosures. Each agency, with respect to each system of records under its control, shall:

(a) Except for disclosures made under 5 U.S.C. 552a(b)(1) and (2), keep an accurate account of:

- (1) The date, nature, and purpose of each disclosure of a record to any person or agency outside the Department; and
- (2) The name and address of the person or agency to whom the disclosure is made;

(b) Retain the accounting made under paragraph (a) of this section for the longer of a period of five years, after the date of the disclosure for which the accounting is made, or the life of the record disclosed;

(c) Except for disclosures made under 5 U.S.C. 552a(b)(7), make the accounting required under paragraph (a) of this section available to the individual named in the record at his or her request.

Sec. 4. Government contractors. When an agency within the Department provides by a contract for the operation by or on behalf of the agency of a system of records to accomplish an agency function, the agency shall, consistent with its authority, cause the requirements of this subpart to be applied to such system. For purposes of 5 U.S.C. 552a(i) any such contractor or any employee of such contractor shall be considered to be an employee of an agency and therefore subject to the criminal penalties set forth in 5 U.S.C. 552a(i).

Sec. 5. Mailing lists. No agency within the Department shall sell or rent any individual's name and address unless such action is specifically authorized by law. This section shall not be construed to require, or to authorize, the withholding of names and addresses whose disclosure is required by 5 U.S.C. 552.

Sec. 6. Social security account numbers. (a) No agency shall deny, or permit any State or local government with whom it is involved in a cooperative venture to deny, to any individual any right, benefit, or privilege provided by law because of such individual's refusal to disclose his or her social security account number.

(b) Paragraph (a) of this section shall not apply with respect to:

(1) Any disclosure required by Federal statute; or

(2) Any disclosure to any agency relating to a system of records it maintained prior to January 1, 1975, if such disclosure was required under statute or regulation adopted prior to that date, to verify the identity of an individual.

(c) Any agency in the Department which requests an individual to disclose his or her social security account number shall inform that individual whether the disclosure is mandatory or voluntary, by what statutory or other authority the number is solicited, and what uses will

be made of it. The agency shall also insure that this information is provided by a State or local government with whom it is involved in a cooperative agreement.

Sec. 7. Annual report. Each agency in the Department shall submit to the Office of the General Counsel prior to March 30 of each year a report containing the following information related to implementation of 5 U.S.C. 552a:

(a) A summary of major accomplishments;

(b) A summary of major plans for activities in the upcoming year;

(c) A list of the systems which were exempted during the year from any of the operative provisions of this subpart pursuant to 5 U.S.C. 552a (j) and (k), whether or not the exemption was effected during that year, the number of instances with respect to each system exempted in which the exemption was invoked to deny access, and the reasons for invoking the exemption;

(d) A brief summary of changes to the total inventory of personal data system subject to this subpart including reasons for major changes; and

(e) A general description of operational experiences including estimates of the number of individuals (in relation to the total number of records in the system):

(1) Requesting information on the existence of records pertaining to them;

(2) Refusing to provide information;

(3) Requesting access to their records;

(4) Appealing initial refusals to amend records; and

(5) Seeking redress through the courts.

Sec. 8. Effect of 5 U.S.C. 552. No agency in the Department shall rely on any exemption in 5 U.S.C. 552 to withhold from an individual any record which is otherwise accessible to such individual under 5 U.S.C. 552a and this subpart.

§1.140 Conferences and procedure.

(a) *Purpose and scope.* (1) Upon motion of a party or upon the Judge's own motion, the Judge may direct the parties or their counsel to attend a conference at any reasonable time, prior to or during the course of the hearing, when the Judge finds that the proceeding would be expedited by a conference. Reasonable notice of the time, place, and manner of the conference shall be given. The Judge may order each of the parties to furnish at or subsequent to the conference any or all of the following:

(i) An outline of the case or defense;

(ii) The legal theories upon which the party will rely;

(iii) Copies of or a list of documents which the party anticipates introducing at the hearing; and

(iv) A list of anticipated witnesses who will testify on behalf of the party. At the discretion of the party furnishing such list of witnesses, the names of the witnesses need not be furnished if they are otherwise identified in some meaningful way such as a short statement of the type of evidence they will offer.

(2) The Judge shall not order any of the foregoing procedures that a party can show is inappropriate or unwarranted under the circumstances of the particular case.

(3) At the conference, the following matters shall be considered:

(i) The simplification of issues;

(ii) The necessity of amendments to pleadings;

(iii) The possibility of obtaining stipulations of facts and of the authenticity, accuracy, and admissibility of documents, which will avoid unnecessary proof;

(iv) The limitation of the number of expert or other witnesses;

(v) Negotiation, compromise, or settlement of issues;

(vi) The exchange of copies of proposed exhibits;

(vii) The identification of documents or matters of which official notice may be requested;

(viii) A schedule to be followed by the parties for completion of the actions decided at the conference; and

(ix) Such other matters as may expedite and aid in the disposition of the proceeding.

(b) *Reporting.* A conference will not be stenographically reported unless so directed by the Judge.

(c) *Manner of Conference.* (1) The conference shall be conducted by telephone or correspondence unless the Judge determines that conducting the conference by audio-visual telecommunication:

(i) Is necessary to prevent prejudice to a party;

(ii) Is necessary because of a disability of any individual expected to participate in the conference; or

(iii) Would cost less than conducting the conference by telephone or correspondence. If the Judge determines that a conference conducted by audio-visual telecommunication would measurably increase the United States Department of Agriculture's cost of conducting the conference, the conference shall be conducted by personal attendance of any individual who is expected to participate in the conference, by telephone, or by correspondence.

(2) If the conference is not conducted by telephone or correspondence, the conference shall be conducted by audio-visual telecommunication unless the Judge determines that conducting the conference by personal attendance of any individual who is expected to participate in the conference:

(i) Is necessary to prevent prejudice to a party;

(ii) Is necessary because of a disability of any individual expected to participate in the conference; or

(iii) Would cost less than conducting the conference by audio-visual telecommunication.

(d) *Order.* Actions taken as a result of a conference shall be reduced to a written appropriate order, unless the Judge concludes that a stenographic report shall suffice, or, if the conference takes place within 7 days of the beginning of the hearing, the Judge elects to make a statement on the record at the hearing summarizing the actions taken.

(e) *Related matters.* Upon motion of a respondent, the Judge may order the attorney for the complainant to produce and permit the respondent to inspect and copy or photograph any relevant written or recorded statements or confessions made by such respondent within the possession, custody or control of the complainant.

§1.141 Procedure for hearing.

(a) *Request for hearing.* Any party may request a hearing on the facts by including such request in the complaint or answer, or by a separate request, in writing, filed with the Hearing Clerk within the time in which an answer may be filed. A petition for review shall be deemed a request for a hearing. Failure to request a hearing within the time allowed for the filing of the answer shall constitute a waiver of such hearing. Waiver of hearing shall not be deemed to be a waiver of the right to request oral argument before the Judicial Officer upon appeal of the Judge's decision. In the event the respondent denies any material fact and fails to file a timely request for a hearing, the matter may be set down for hearing on motion of the complainant or upon the Judge's own motion.

(b) *Time, place, and manner.* (1) If any material issue of fact is joined by the pleadings, the Judge, upon motion of any party stating that the matter is at issue and is ready for hearing, shall set a time, place, and manner for hearing as soon as feasible after the motion is filed, with due regard for the public interest and the convenience and necessity of the parties. The Judge shall file with the Hearing Clerk a notice

stating the time and place of the hearing.² This notice shall state whether the hearing will be conducted by telephone, audio-visual telecommunication, or personal attendance of any individual expected to participate in the hearing. The Judge's determination regarding the manner of the hearing shall be made in accordance with paragraphs (b)(3) and (b)(4) of this section. If any change in the time, place, or manner of the hearing is made, the Judge shall file with the Hearing Clerk a notice of such change, which notice shall be served upon the parties, unless it is made during the course of an oral hearing and made part of the transcript or recording, or actual notice is given to the parties.

²The place of hearing in a proceeding under the Packers and Stockyards Act shall be set in accordance with the Packers and Stockyards Act (7 U.S.C. 228(e) and (f)). In essence, if there is only one respondent, the hearing is to be held as near as possible to the respondent's place of business or residence depending on the availability of an appropriate location for conducting the hearing. If there is more than one respondent and they have their places of business or residence within a single unit of local government, a single geographical area within a State, or a single State, the hearing is to be held as near as possible to their places of business or residence depending on the availability of an appropriate location for conducting the hearing. If there is more than one respondent, and they have their places of business or residence distant from each other, 7 U.S.C. 228(e) and (f) have no applicability.

(2)(i) If any material issue of fact is joined by the pleadings and the matter is at issue and is ready for hearing, any party may move that the hearing be conducted by telephone or personal attendance of any individual expected to attend the hearing rather than by audio-visual telecommunication. Any motion that the hearing be conducted by telephone or personal attendance of any individual expected to attend the hearing must be accompanied by a memorandum in support of the motion stating the basis for the motion and the circumstances that require the hearing to be conducted other than by audio-visual telecommunication.

(ii) Within 10 days after the Judge issues a notice stating the manner in which the hearing is to be conducted, any party may move that the Judge reconsider the manner in which the hearing is to be conducted. Any motion for reconsideration must be accompanied by a memorandum in support of the motion stating the basis for the motion and the circumstances that require the hearing to be conducted other than in accordance with the Judge's notice.

(3) The hearing shall be conducted by audio-visual telecommunication unless the Judge determines that conducting the hearing by personal attendance of any individual who is expected to participate in the hearing:

(i) Is necessary to prevent prejudice to a party;

(ii) Is necessary because of a disability of any individual expected to participate in the hearing; or

(iii) Would cost less than conducting the hearing by audio-visual telecommunication. If the Judge determines that a hearing conducted by audio-visual telecommunication would measurably increase the United States Department of Agriculture's cost of conducting the hearing, the hearing shall be conducted by personal attendance of any individual who is expected to participate in the hearing or by telephone.

(4) The Judge may, in his or her sole discretion or in response to a motion by a party to the proceeding, conduct the hearing by telephone if the Judge finds that a hearing conducted by telephone:

(i) Would provide a full and fair evidentiary hearing;

(ii) Would not prejudice any party; and

(iii) Would cost less than conducting the hearing by audio-visual telecommunication or personal attendance of any individual who is expected to participate in the hearing.

(c) *Appearances.* The parties may appear in person or by attorney of record in the proceeding. Any person who appears as attorney must conform to the standards of ethical conduct required of practitioners before the courts of the United States.

(d) *Debarment of attorney.* (1) Whenever a Judge finds that a person acting as attorney for any party to the proceeding is guilty of unethical or contumacious conduct, in or in connection with a proceeding, the Judge may order that such person be precluded from further acting as attorney in the proceeding. An appeal to the Judicial Officer may be taken from any such order, but no proceeding shall be delayed or suspended pending disposition of the appeal: *Provided*, That the Judge shall suspend the proceeding for a reasonable time for the purpose of enabling the party to obtain another attorney.

(2) Whenever it is found, after notice and opportunity for hearing, that a person, who is acting or has acted as attorney for another person in any proceeding before the United States Department of Agriculture, is unfit to act as such counsel because of such unethical or contumacious conduct, such person will be precluded from acting as counsel in any or all proceedings before the Department as found to be appropriate.

(e) *Failure to appear.* (1) A respondent who, after being duly notified, fails to appear at the hearing without good cause, shall be deemed to have waived the right to an oral hearing in the proceeding and to have admitted any facts which may be presented at the hearing. Such failure by the respondent shall also constitute an admission of all the material allegations of fact contained in the complaint. Complainant shall have an election whether to follow the procedure set forth in §1.139 or whether to present evidence, in whole or in part, in the form of affidavits or by oral testimony before the Judge. Failure to appear at a hearing shall not be deemed to be a waiver of the right to be served with a copy of the Judge's decision and to appeal and request oral argument before the Judicial Officer with respect thereto in the manner provided in §1.145.

(2) If the petitioner in the case of a Petition for Review of a determination of responsibly connected status within the meaning of 7 U.S.C. 499a(b)(9), having been duly notified, fails to appear at the hearing without good cause, such petitioner shall be deemed to have waived the right to a hearing and to have voluntarily withdrawn the petition for review.

(f) *Order of proceeding.* Except as may be determined otherwise by the Judge, the complainant shall proceed first at the hearing.

(g) *Written statements of direct testimony.* (1) Except as provided in paragraph (g)(2) of this section, each party must exchange with all other parties a written narrative verified statement of the oral direct testimony that the party will provide at any hearing to be conducted by telephone; the direct testimony of each employee or agent of the party that the party will call to provide oral direct testimony at any hearing to be conducted by telephone; and the direct testimony of each expert witness that the party will call to provide oral direct testimony at any hearing to be conducted by telephone. The written direct testimony of witnesses shall be exchanged by the parties at least 10 days prior to the hearing. The oral direct testimony provided by a witness at a hearing conducted by telephone will be limited to the presentation of the written direct testimony, unless the Judge finds that oral direct testimony which is supplemental to the written direct testimony would further the public interest and would not constitute surprise.

(2) The parties shall not be required to exchange testimony in accordance with this paragraph if the hearing is scheduled to begin less than 20 days after the Judge's notice stating the time of the hearing.

(h) *Evidence*—(1) *In general.* (i) The testimony of witnesses at a hearing shall be on oath or affirmation and subject to cross-examination.

(ii) Upon a finding of good cause, the Judge may order that any witness be examined separately and apart from all other witnesses except those who may be parties to the proceeding.

(iii) After a witness called by the complainant has testified on direct examination, any other party may request and obtain the production of any statement, or part thereof, of such witness in the possession of the complainant which relates to the subject matter as to which the witness has testified. Such production shall be made according to the procedures and subject to the definitions and limitations prescribed in the Jencks Act (18 U.S.C. 3500).

(iv) Evidence which is immaterial, irrelevant, or unduly repetitious, or which is not of the sort upon which responsible persons are accustomed to rely, shall be excluded insofar as practicable.

(2) *Objections.* (i) If a party objects to the admission of any evidence or to the limitation of the scope of any examination or cross-examination or to any other ruling of the Judge, the party shall state briefly the grounds of such objection, whereupon an automatic exception will follow if the objection is overruled by the Judge.

(ii) Only objections made before the Judge may subsequently be relied upon in the proceeding.

(3) *Depositions.* The deposition of any witness shall be admitted in the manner provided in and subject to the provisions of §1.148.

(4) *Exhibits.* Unless the Judge finds that the furnishing of copies is impracticable, four copies of each exhibit shall be filed with the Judge: *Provided*, That, where there are more than two parties in the proceeding, an additional copy shall be filed for each additional party. A true copy of an exhibit may be substituted for the original.

(5) *Official records or documents.* An official government record or document or entry therein, if admissible for any purpose, shall be admissible in evidence without the production of the person who made or prepared the same, and shall be prima facie evidence of the relevant facts stated therein. Such record or document shall be evidenced by an official publication thereof or by a copy certified by a person having legal authority to make such certification.

(6) *Official notice.* Official notice shall be taken of such matters as are judicially noticed by the courts of the United States and of any other matter of technical, scientific, or commercial fact of established character: *Provided*, That the parties shall be given adequate notice of matters so noticed, and shall be given adequate opportunity to show that such facts are erroneously noticed.

(7) *Offer of proof.* Whenever evidence is excluded by the Judge, the party offering such evidence may make an offer of proof, which shall be included in the transcript or recording. The offer of proof shall consist of a brief statement describing the evidence excluded. If the evidence consists of a brief oral statement, it shall be included in the transcript or recording in toto. If the evidence consists of an exhibit, it shall be marked for identification and inserted in the hearing record. In either event, the evidence shall be considered a part of the transcript or recording and hearing record if the Judicial Officer, upon appeal, decides the Judge's ruling excluding the evidence was erroneous and prejudicial. If the Judicial Officer decides the Judge's ruling excluding the evidence was erroneous and prejudicial and that it would be inappropriate to have such evidence considered a part of the hearing record, the Judicial Officer may direct that the hearing be reopened to permit the taking of such evidence or for any other purpose in connection with the excluded evidence.

(i) *Transcript or recording.* (1) Hearings to be conducted by telephone shall be recorded verbatim by electronic recording device. Hearings conducted by audio-visual telecommunication or the personal attendance of any individual who is expected to participate in the hearing shall be transcribed, unless the Judge finds that recording the hearing verbatim would expedite the proceeding and the Judge orders the hearing to be recorded verbatim. The Judge shall certify that to the best of his or her knowledge and belief any recording made pursuant to this paragraph with exhibits that were accepted into evidence is the record of the hearing.

(2) If a hearing is recorded verbatim, a party requests the transcript of a hearing or part of a hearing, and the Judge determines that the disposition of the proceeding would be expedited by a transcript of the hearing or part of a hearing, the Judge shall order the verbatim transcription of the recording as requested by the party.

(3) Recordings or transcripts of hearings shall be made available to any person at actual cost of duplication.

§1.142 Post-hearing procedure.

(a) *Corrections to transcript or recording.* (1) Within the period of time fixed by the Judge, any party may file a motion proposing corrections to the transcript or recording.

(2) Unless a party files such a motion in the manner prescribed, the transcript or recording shall be presumed, except for obvious typographical errors, to be a true, correct, and complete transcript or recording of the testimony given at the hearing and to contain an accurate description or reference to all exhibits received in evidence and made part of the hearing record, and shall be deemed to be certified without further action by the Judge.

(3) As soon as practicable after the close of the hearing and after consideration of any timely objections filed as to the transcript or recording, the Judge shall issue an order making any corrections to the transcript or recording which the Judge finds are warranted, which corrections shall be entered onto the original transcript or recording by the Hearing Clerk (without obscuring the original text).

(b) *Proposed findings of fact, conclusions, orders, and briefs.* Prior to the Judge's decision, each party shall be afforded a reasonable opportunity to submit for consideration proposed findings of fact, conclusions, order, and brief in support thereof. A copy of each such document filed by a party shall be served upon each of the other parties.

(c) *Judge's decision.* (1) The Judge may, upon motion of any party or in his or her own discretion, issue a decision orally at the close of the hearing, or within a reasonable time after the closing of the hearing.

(2) If the decision is announced orally, a copy thereof, excerpted from the transcript or recording, shall be furnished to the parties by the Hearing Clerk. Irrespective of the date such copy is mailed, the issuance date of the decision shall be the date the oral decision was announced.

(3) If the decision is in writing, it shall be filed with the Hearing Clerk and served upon the parties as provided in §1.147.

(4) The Judge's decision shall become final and effective without further proceedings 35 days after the issuance of the decision, if announced orally at the hearing, or if the decision is in writing, 35 days after the date of service thereof upon the respondent, unless there is an appeal to the Judicial Officer by a party to the proceeding pursuant to §1.145; *Provided, however,* that no decision shall be final for purposes of judicial review except a final decision of the Judicial Officer upon appeal.

§1.143 Motions and requests.

(a) *General.* All motions and requests shall be filed with the Hearing Clerk, and served upon all the parties, except (1) requests for extensions of time pursuant to §1.147, (2) requests for subpoenas pursuant to §1.149, and (3) motions and requests made on the record during the oral hearing. The Judge shall rule upon all motions and requests filed or made prior to the filing of an appeal of the Judge's decision pursuant to §1.145, except motions directly relating to the appeal. Thereafter, the Judicial Officer will rule on any motions and requests, as well as the motions directly relating to the appeal.

(b) *Motions entertained.* (1) Any motion will be entertained other than a motion to dismiss on the pleading.

(2) All motions and request concerning the complaint must be made within the time allowed for filing an answer.

(c) *Contents.* All written motions and requests shall state the particular order, ruling, or action desired and the grounds therefor.

(d) *Response to motions and requests.* Within 20 days after service of any written motion or request, or within such shorter or longer period as may be fixed by the Judge or the Judicial Officer, an opposing party may file a response to the motion or request. The other party shall have no right to reply to the response; however, the Judge or the Judicial Officer, in the Judge's or the Judicial Officer's discretion, may order that a reply be filed.

(e) *Certification to the judicial officer.* The submission or certification of any motion, request, objection, or other question to the Judicial Officer prior to the filing of an appeal pursuant to §1.145 shall be made by and in the discretion of the Judge. The Judge may either rule upon or certify the motion, request, objection, or other question to the Judicial Officer, but not both.

§1.144 Judges.

(a) *Assignment.* No Judge shall be assigned to serve in any proceeding who (1) has any pecuniary interest in any matter or business involved in the proceeding, (2) is related within the third degree by blood or marriage to any party to the proceeding, or (3) has any conflict of interest which might impair the Judge's objectivity in the proceeding.

(b) *Disqualification of Judge.* (1) Any party to the proceeding may, by motion made to the Judge, request that the Judge withdraw from the proceeding because of an alleged disqualifying reason. Such motion shall set forth with particularity the grounds of alleged disqualification. The Judge may then either rule upon or certify the motion to the Secretary, but not both.

(2) A Judge shall withdraw from any proceeding for any reason deemed by the Judge to be disqualifying.

(c) *Powers.* Subject to review as provided in this subpart, the Judge, in any assigned proceeding, shall have power to:

- (3) Administer oaths and affirmations;
- (4) Issue subpoenas as authorized by the statute under which the proceeding is conducted, requiring the attendance and testimony of witnesses and the production of books, contracts, papers, and other documentary evidence at the hearing;
- (5) Summon and examine witnesses and receive evidence at the hearing;
- (6) Take or order the taking of depositions as authorized under these rules;

- (11) Require that any hearing to be conducted by telephone or audio-visual telecommunication be conducted at locations at which the parties and the Judge are able to transmit and receive documents during the hearing;
- (12) Require that any deposition to be conducted by telephone or audio-visual telecommunication be conducted at locations at which the parties are able to transmit and receive documents during the deposition;
- (13) Do all acts and take all measures necessary for the maintenance of order, including the exclusion of contumacious counsel or other persons; and

§1.145 Appeal to Judicial Officer.

(a) *Filing of petition.* Within 30 days after receiving service of the Judge's decision, if the decision is a written decision, or within 30 days after issuance of the Judge's decision, if the decision is an oral decision, a party who disagrees with the decision, any part of the decision, or any ruling by the Judge or who alleges any deprivation of rights, may appeal the decision to the Judicial Officer by filing an appeal petition with the Hearing Clerk. As provided in §1.141(h)(2), objections regarding evidence or a limitation regarding examination or cross-examination or other ruling made before the Judge may be relied upon in an appeal. Each issue set forth in the appeal petition and the arguments regarding each issue shall be separately numbered; shall be plainly and concisely stated; and shall contain detailed citations to the record, statutes, regulations, or authorities being relied upon in support of each argument. A brief may be filed in support of the appeal simultaneously with the appeal petition.

(b) *Response to appeal petition.* Within 20 days after the service of a copy of an appeal petition and any brief in support thereof, filed by a party to the proceeding, any other party may file with the Hearing Clerk a response in support of or in opposition to the appeal and in such response any relevant issue, not presented in the appeal petition, may be raised.

(c) *Transmittal of record.* Whenever an appeal of a Judge's decision is filed and a response thereto has been filed or time for filing a response has expired, the Hearing Clerk shall transmit to the Judicial Officer the record of the proceeding. Such record shall include: the pleadings; motions and requests filed and rulings thereon; the transcript or recording of the testimony taken at the hearing, together with the exhibits filed in connection therewith; any documents or papers filed in connection with a prehearing conference; such proposed findings of fact, conclusions, and orders, and briefs in support thereof, as may have been filed in connection with the proceeding; the Judge's decision; such exceptions, statements of objections and briefs in support thereof as may have been filed in the proceeding; and the appeal petition, and such briefs in support thereof and responses thereto as may have been filed in the proceeding.

(d) *Oral argument.* A party bringing an appeal may request, within the prescribed time for filing such appeal, an opportunity for oral argument before the Judicial Officer. Within the time allowed for filing a response, appellee may file a request in writing for opportunity for such an oral argument. Failure to make such request in writing, within the prescribed time period, shall be deemed a waiver of oral argument. The Judicial Officer may grant, refuse, or limit any request for oral argument. Oral argument shall not be transcribed unless so ordered in advance by the Judicial Officer for good cause shown upon request of a party or upon the Judicial Officer's own motion.

(e) *Scope of argument.* Argument to be heard on appeal, whether oral or on brief, shall be limited to the issues raised in the appeal or in the response to the appeal, except that if the Judicial Officer determines that additional issues should be argued, the parties shall be given reasonable notice of such determination, so as to permit preparation of adequate arguments on all issues to be argued.

(f) *Notice of argument; postponement.* The Hearing Clerk shall advise all parties of the time and place at which oral argument will be heard. A request for postponement of the argument must be made by motion filed a reasonable amount of time in advance of the date fixed for argument.

(g) *Order of argument.* The appellant is entitled to open and conclude the argument.

(h) *Submission on briefs.* By agreement of the parties, an appeal may be submitted for decision on the briefs, but the Judicial Officer may direct that the appeal be argued orally.

(i) *Decision of the judicial officer on appeal.* As soon as practicable after the receipt of the record from the Hearing Clerk, or, in case oral argument was had, as soon as practicable thereafter, the Judicial Officer, upon the basis of and after due consideration of the record and any matter of which official notice is taken, shall rule on the appeal. If the Judicial Officer decides that no change or modification of the Judge's decision is warranted, the Judicial Officer may adopt the Judge's decision as the final order in the proceeding, preserving any right of the party bringing the appeal to seek judicial review of such decision in the proper forum. A final order issued by the Judicial Officer shall be filed with the Hearing Clerk. Such order may be regarded by the respondent as final for purposes of judicial review without filing a petition for rehearing, reargument, or reconsideration of the decision of the Judicial Officer.

[42 FR 743, Jan. 4, 1977, as amended at 60 FR 8456, Feb. 14, 1995; 68 FR 6341, Feb. 7, 2003]

§1.146 Petitions for reopening hearing; for rehearing or reargument of proceeding; or for reconsideration of the decision of the Judicial Officer.

(a) *Petition requisite—(1) Filing; service; ruling.* A petition for reopening the hearing to take further evidence, or for rehearing or reargument of the proceeding, or for reconsideration of the decision of the Judicial Officer, must be made by petition filed with the Hearing Clerk. Every such petition must state specifically the grounds relied upon. Any such petition filed prior to the filing of an appeal of the Judge's decision pursuant to §1.145 shall be ruled upon by the Judge, and any such petition filed thereafter shall be ruled upon by the Judicial Officer.

(2) *Petition to reopen hearing.* A petition to reopen a hearing to take further evidence may be filed at any time prior to the issuance of the decision of the Judicial Officer. Every such petition shall state briefly the nature and purpose of the evidence to be adduced, shall show that such evidence is not merely cumulative, and shall set forth a good reason why such evidence was not adduced at the hearing.

(3) *Petition to rehear or reargue proceeding, or to reconsider the decision of the Judicial Officer.* A petition to rehear or reargue the proceeding or to reconsider the decision of the Judicial Officer shall be filed within 10 days after the date of service of such decision upon the party filing the petition. Every petition must state specifically the matters claimed to have been erroneously decided and alleged errors must be briefly stated.

(b) *Procedure for disposition of petitions.* Within 20 days following the service of any petition provided for in this section, any party to the proceeding may file with the Hearing Clerk a reply thereto. As soon as practicable thereafter, the Judge or the Judicial Officer, as the case may be, shall announce the determination whether to grant or deny the petition. The decision of the Judicial Officer shall automatically be stayed pending the determination to grant or deny a timely petition. Such decision shall not be final for purposes of judicial review until the petition is denied or the decision is affirmed or modified pursuant to the petition and the time for judicial review shall begin to run upon the filing of such final action on the petition. In the event that any such petition is granted, the applicable rules of practice, as set out elsewhere herein, shall be followed. A person filing a petition under this section shall be regarded as the moving party, although such person shall be referred to as the complainant or respondent, depending upon the designation in the original proceeding.

(a) *Filing; number of copies.* Except as otherwise provided in this section, all documents or papers required or authorized by the rules in this part to be filed with the Hearing Clerk shall be filed in quadruplicate: *Provided*, That where there are more than two parties in the proceeding, an additional copy shall be filed for each additional party. Any document or paper required or authorized under the rules in this part to be filed with the Hearing Clerk shall, during the course of an oral hearing, be filed with the Judge.

(b) *Who shall make service.* Copies of all such documents or papers required or authorized by the rules in this part to be filed with the Hearing Clerk shall be served upon the parties by the Hearing Clerk, or by some other employee of the Department, or by a U.S. Marshal or deputy marshal.

(c) *Service on party other than the Secretary.* (1) Any complaint or other document initially served on a person to make that person a party respondent in a proceeding, proposed decision and motion for adoption thereof upon failure to file an answer or other admission of all material allegations of fact contained in a complaint, initial decision, final decision, appeal petition filed by the Department, or other document specifically ordered by the Judge to be served by certified or registered mail, shall be deemed to be received by any party to a proceeding, other than the Secretary or agent thereof, on the date of delivery by certified or registered mail to the last known principal place of business of such party, last known principal place of business of the attorney or representative of record of such party, or last known residence of such party if an individual, *Provided that*, if any such document or paper is sent by certified or registered mail but is returned marked by the postal service as unclaimed or refused, it shall be deemed to be received by such party on the date of remailing by ordinary mail to the same address.

(2) Any document or paper, other than one specified in paragraph (c)(1) of this section or written questions for a deposition as provided in §1.148(d)(2), shall be deemed to be received by any party to a proceeding, other than the Secretary or agent thereof, on the date of

mailing by ordinary mail to the last known principal place of business of such party, last known principal place of business of the attorney or representative of record of such party, or last known residence of such party if an individual.

(3) Any document or paper served other than by mail, on any party to a proceeding, other than the Secretary or agent thereof, shall be deemed to be received by such party on the date of:

(i) Delivery to any responsible individual at, or leaving in a conspicuous place at, the last known principal place of business of such party, last known principal place of business of the attorney or representative of record of such party, or last known residence of such party if an individual, or

(ii) Delivery to such party if an individual, to an officer or director of such party if a corporation, or to a member of such party if a partnership, at any location.

(d) *Service on another.* Any subpoena, written questions for a deposition under §1.148(d)(2), or other document or paper, served on any person other than a party to a proceeding, the Secretary or agent thereof, shall be deemed to be received by such person on the date of:

(1) Delivery by certified mail or registered mail to the last known principal place of business of such person, last known principal place of business of the attorney or representative of record of such person, or last known residence of such person if an individual;

(2) Delivery other than by mail to any responsible individual at, or leaving in a conspicuous place at, any such location; or

(3) Delivery to such party if an individual, to an officer or director of such party if a corporation, or to a member of such party if a partnership, at any location.

(e) *Proof of service.* Any of the following, in the possession of the Department, showing such service, shall be deemed to be accurate:

(1) A certified or registered mail receipt returned by the postal service with a signature;

(2) An official record of the postal service;

(3) An entry on a docket record or a copy placed in a docket file by the Hearing Clerk of the Department or by an employee of the Hearing Clerk in the ordinary course of business;

(4) A certificate of service, which need not be separate from and may be incorporated in the document or paper of which it certifies service, showing the method, place and date of service in writing and signed by an individual with personal knowledge thereof, *Provided* that such certificate must be verified by oath or declaration under penalty of perjury if the individual certifying service is not a party to the proceeding in which such document or paper is served, an attorney or representative of record for such a party, or an official or employee of the United States or of a State or political subdivision thereof.

(f) *Extensions of time.* The time for the filing of any document or paper required or authorized under the rules in this part to be filed may be extended by the Judge or the Judicial Officer as provided in §1.143, if, in the judgment of the Judge or the Judicial Officer, as the case may be, there is good reason for the extension. In all instances in which time permits, notice of the request for extension of the time shall be given to the other party with opportunity to submit views concerning the request.

(g) *Effective date of filing.* Any document or paper required or authorized under the rules in this part to be filed shall be deemed to be filed at the time when it reaches the Hearing Clerk; or, if authorized to be filed with another officer or employee of the Department it shall be deemed to be filed at the time when it reaches such officer or employee.

(h) *Computation of time.* Saturdays, Sundays and Federal holidays shall be included in computing the time allowed for the filing of any document or paper: *Provided*, That, when such time expires on a Saturday, Sunday, or Federal holiday, such period shall be extended to include the next following business day.

§1.148 Depositions.

(a) *Motion for taking deposition.* Upon the motion of a party to the proceeding, the Judge may, at any time after the filing of the complaint, order the taking of testimony by deposition. The Motion shall be in writing, shall be filed with the Hearing Clerk, and shall set forth:

(1) The name and address of the proposed deponent;

(2) The name and address of the person (referred to hereafter in this section as the "officer") qualified under the regulations in this part to take depositions, before whom the proposed examination is to be made;

(3) The proposed time and place of the examination, which shall be at least 15 days after the date of the mailing of the motion; and

(4) The reasons why such deposition should be taken, which shall be solely for the purpose of eliciting testimony which otherwise might not be available at the time of hearing, for uses as provided in paragraph (g) of this section.

(b) *Judge's order for taking deposition.* (1) If the Judge finds that the testimony may not be otherwise available at the hearing, the taking of the deposition may be ordered. The order shall be filed with the Hearing Clerk and shall state:

- (i) The time of the deposition;
- (ii) The place of the deposition;
- (iii) The manner of the deposition (telephone, audio-visual telecommunication, or personal attendance of those who are to participate in the deposition);
- (iv) The name of the officer before whom the deposition is to be made; and
- (v) The name of the deponent. The officer and the time, place, and manner need not be the same as those suggested in the motion for the deposition.

(2) The deposition shall be conducted by telephone unless the Judge determines that conducting the deposition by audio-visual telecommunication:

- (i) Is necessary to prevent prejudice to a party;
- (ii) Is necessary because of a disability of any individual expected to participate in the deposition; or
- (iii) Would cost less than conducting the deposition by telephone. If the Judge determines that a deposition conducted by audio-visual telecommunication would measurably increase the United States Department of Agriculture's cost of conducting the deposition, the deposition shall be conducted by personal attendance of any individual who is expected to participate in the deposition or by telephone.

(3) If the deposition is not conducted by telephone, the deposition shall be conducted by audio-visual telecommunication unless the Judge determines that conducting the deposition by personal attendance of any individual who is expected to participate in the deposition:

- (i) Is necessary to prevent prejudice to a party;
- (ii) Is necessary because of a disability of any individual expected to participate in the deposition; or
- (iii) Would cost less than conducting the deposition by telephone or audio-visual telecommunication.

(c) *Qualifications of officer.* The deposition shall be made before the Judge or before an officer authorized by the law of the United States or by the law of the place of the examination to administer oaths, or before an officer authorized by the Secretary to administer oaths.

(d) *Procedure on examination.* (1) The deponent shall be examined under oath or affirmation and shall be subject to cross-examination. Objections to questions or documents shall be in short form, stating the grounds of objections relied upon. The questions propounded, together with all objections made (but not including argument or debate), shall be recorded verbatim. In lieu of oral examination, parties may transmit written questions to the officer prior to the examination and the officer shall propound such questions to the deponent.

(2) The applicant shall arrange for the examination of the witness either by oral examination, or by written questions upon agreement of the parties or as directed by the Judge. If the examination is conducted by means of written questions, copies of the applicant's questions must be received by the other party to the proceeding and the officer at least 10 days prior to the date set for the examination unless otherwise agreed, and any cross questions of a party other than the applicant must be received by the applicant and the officer at any time prior to the time of the examination.

(e) *Certification by officer.* The officer shall certify on the deposition that the deponent was duly sworn and that the deposition is a true record of the deponent's testimony. The officer shall then securely seal the deposition, together with one copy thereof (unless there are more than two parties in the proceeding, in which case there should be another copy for each additional party), in an envelope and mail the same by registered or certified mail to the Hearing Clerk.

(f) *Corrections to the transcript or recording.* (1) At any time prior to the hearing, any party may file a motion proposing corrections to the transcript or recording of the deposition.

(2) Unless a party files such a motion in the manner prescribed, the transcript or recording shall be presumed, except for obvious typographical errors, to be a true, correct, and complete transcript or recording of the testimony given in the deposition proceeding and to contain an accurate description or reference to all exhibits in connection therewith, and shall be deemed to be certified correct without further procedure.

(3) At any time prior to use of the deposition in accordance with paragraph (g) of this section and after consideration of any objections filed thereto, the Judge may issue an order making any corrections in the transcript or recording which the Judge finds are warranted, which corrections shall be entered onto the original transcript or recording by the Hearing Clerk (without obscuring the original text).

(g) *Use of deposition.* A deposition ordered and taken in accordance with the provisions of this section may be used in a proceeding under these rules if the Judge finds that the evidence is otherwise admissible and (1) that the witness is dead; (2) that the witness is unable to attend or testify because of age, sickness, infirmity, or imprisonment; (3) that the party offering the deposition has endeavored to procure the attendance of the witness by subpoena, but has been unable to do so; or (4) that such exceptional circumstances exist as to make it desirable, in the interests of justice, to allow the deposition to be used. If the party upon whose motion the deposition was taken refuses to offer it in evidence, any other party may offer the deposition or any part thereof in evidence. If only part of a deposition is offered in evidence by a party, an adverse party may require the introduction of any other part which ought in fairness to be considered with the part introduced, and any party may introduce any other parts.

Subpoenas shall be issued by the Judge upon a reasonable showing by the applicant of the grounds and necessity thereof; and with respect to subpoenas for the production of documents, the request shall also show their competency, relevancy, and materiality. All requests for subpoenas shall be in writing, unless waived by the Judge for good cause shown. Except for good cause shown, requests for subpoenas shall be received by the Judge at least 10 days prior to the date set for the hearing.

§1.151 *Ex parte* communications.

(a) At no stage of the proceeding between its institution and the issuance of the final decision shall the Judge or Judicial Officer discuss *ex parte* the merits of the proceeding with any person who is connected with the proceeding in an advocative or in an investigative capacity, or with any representative of such person: *Provided*, That procedural matters shall not be included within this limitation; and *Provided further*, That the Judge or Judicial Officer may discuss the merits of the case with such a person if all parties to the proceeding, or their attorneys have been given notice and an opportunity to participate. A memorandum of any such discussion shall be included in the record.

(b) No interested person shall make or knowingly cause to be made to the Judge or Judicial Officer an *ex parte* communication relevant to the merits of the proceeding.

(c) If the Judge or the Judicial Officer receives an *ex parte* communication in violation of this section, the one who receives the communication shall place in the public record of the proceeding:

- (1) All such written communications;
- (2) Memoranda stating the substance of all such oral communications; and
- (3) All written responses, and memoranda stating the substance of all oral responses thereto.

(d) Upon receipt of a communication knowingly made or knowingly caused to be made by a party in violation of this section, the Judge or Judicial Officer may, to the extent consistent with the interests of justice and the policy of the underlying statute, require the party to show cause why his claim or interest in the proceeding should not be dismissed, denied, disregarded, or otherwise adversely affected on account of such violation.

(e) To the extent consistent with the interests of justice and the policy of the underlying statute, a violation of this section shall be sufficient grounds for a decision adverse to the party who knowingly commits a violation of this section or who knowingly causes such a violation to occur.

(f) For purposes of this section *ex parte communication* means an oral or written communication not on the public record with respect to which reasonable prior notice to all parties is not given, but it shall not include requests for status reports on any matter or the proceeding.

§1.162 Institution of proceedings.

(a) *Filing of information.* Any person having information that any agricultural association, as defined in the Capper-Volstead Act, is engaged in any practice which monopolizes or restrains trade in interstate or foreign commerce to such an extent that the price of any agricultural product is unduly enhanced by reason thereof, may submit such information to the Secretary. Such information shall be in writing and shall contain a complete statement of facts detailing the price enhancement and the practices alleged.

(b) *Consideration of information.* The Secretary shall consider all information filed under paragraph (a) of this section, and any other information which the Secretary may obtain relating to a violation of section 2 of the Act. If the Secretary finds that there is reason to believe that any association monopolizes or restrains trade in interstate or foreign commerce to such an extent that the price of any agricultural product is unduly enhanced thereby the Secretary shall cause a complaint to be filed, requiring the association to show cause why an order should not be made directing the association to cease and desist from such monopolization or restraint of trade. The complaint shall be filed with the Hearing Clerk, who shall assign to the proceeding a docket number and effect service upon respondent.

§1.163 The complaint.

[↑ Back to Top](#)

§1.164 Answer.

(a) *Filing and service.* Within 20 days after service of the complaint, or such other time as may be specified therein, the respondent shall file with the Hearing Clerk, an answer, signed by the respondent or the respondent's attorney. The answer shall be served upon the complainant by the Hearing Clerk.

(b) *Contents.* The answer shall clearly admit, deny, or offer an explanation in response to each of the allegations of the complaint, and shall clearly set forth any affirmative defense.

(c) *Default.* Failure to file an answer shall constitute an admission of the allegations in the complaint, and may be the basis for a decision upon the presentation of a *prima facie* case by the complainant.

[45 FR 6587, Jan. 29, 1980, as amended at 60 FR 8457, Feb. 14, 1995]

[↑ Back to Top](#)

§1.165 Amendments.

Amendments to the complaint may be made prior to the filing of an answer in which case the time for filing the answer shall be extended 20 days or for other time agreed to by the parties. After the answer is filed, amendments to the complaint, or to the answer or other pleading, may be made by agreement of the parties or allowed at the discretion of the Judge. In case of an amendment which significantly changes the issues, the hearing shall, on the request of a party, be postponed or adjourned for a reasonable period, if the Judge determines that such action is necessary to avoid prejudice to the party.

[↑ Back to Top](#)

§1.166 Consent order.

At any time, complainant and respondent may agree to the entry of a consent order. Such order shall be entered by the Judge (prior to a decision) or the Judicial Officer (after a decision by the Judge), and become effective on the date specified therein.

§1.167 Conference.

(a) *Purpose.* Upon motion of a party or upon the Judge's own motion, the Judge may direct the parties to attend a conference when the Judge finds that the proceeding would be expedited by discussions on matters of procedure and/or possible stipulations. The conference may include discussions regarding:

- (1) Simplification of the issues;
- (2) Limitation of expert or other witnesses;
- (3) The orderly presentation of evidence; and
- (4) Any other matters that may expedite and aid in the disposition of the proceeding.

(b) *Manner of the Conference.* (1) The conference shall be conducted by telephone or correspondence unless the Judge determines that conducting the conference by audio-visual telecommunication:

- (i) Is necessary to prevent prejudice to a party;
- (ii) Is necessary because of a disability of any individual expected to participate in the conference; or

(iii) Would cost less than conducting the conference by telephone or correspondence. If the Judge determines that a conference conducted by audio-visual telecommunication would measurably increase the United States Department of Agriculture's cost of conducting the conference, the conference shall be conducted by personal attendance of any individual who is expected to participate in the conference, by telephone, or by correspondence.

(2) If the conference is not conducted by telephone or correspondence, the conference shall be conducted by audio-visual telecommunication unless the Judge determines that conducting the conference by personal attendance of any individual who is expected to participate in the conference:

- (i) Is necessary to prevent prejudice to a party;
- (ii) Is necessary because of a disability of any individual expected to participate in the conference; or
- (iii) Would cost less than conducting the conference by audio-visual telecommunication.

§1.168 Procedure for hearing.

(a) *Time and place.* The oral hearing shall be held at such time and place as specified in the complaint, and not less than 30 days after service thereof. The time and place of the hearing may be changed for good cause, by the Judge, upon motion of either complainant or respondent.

(b) *Manner of hearing.* (1) The Judge shall file with the Hearing Clerk a notice stating whether the hearing will be conducted by telephone, audio-visual telecommunication, or personal attendance of any individual expected to attend the hearing and the Judge's

determination regarding the manner of hearing shall be made in accordance with paragraphs (b)(3) and (b)(4) of this section. If any change in the manner of the hearing is made, the Judge shall file with the Hearing Clerk a notice of the change, which notice shall be served on the parties, unless it is made during the course of an oral hearing and made part of the transcript or recording, or actual notice is given to the parties.

(2)(i) Any party may move that the hearing be conducted by telephone or personal attendance of any individual expected to attend the hearing rather than by audio-visual telecommunication. Any motion that the hearing be conducted by telephone or personal attendance of any individual expected to attend the hearing must be accompanied by a memorandum in support of the motion stating the basis for the motion and the circumstances that require the hearing to be conducted other than by audio-visual telecommunication.

(ii) Within 10 days after the Judge issues a notice stating the manner in which the hearing is to be conducted, any party may move that the Judge reconsider the manner in which the hearing is to be conducted. Any motion for reconsideration must be accompanied by a memorandum in support of the motion stating the basis for the motion and the circumstances that require the hearing to be conducted other than in accordance with the Judge's notice.

(3) The hearing shall be conducted by audio-visual telecommunication unless the Judge determines that conducting the hearing by personal attendance of any individual who is expected to participate in the hearing:

(i) Is necessary to prevent prejudice to a party;

(ii) Is necessary because of a disability of any individual expected to participate in the hearing; or

(iii) Would cost less than conducting the hearing by audio-visual telecommunication. If the Judge determines that a hearing conducted by audio-visual telecommunication would measurably increase the United States Department of Agriculture's cost of conducting the hearing, the hearing shall be conducted by personal attendance of any individual who is expected to participate in the hearing or by telephone.

(4) The Judge may, in his or her sole discretion or in response to a motion by a party to the proceeding, conduct the hearing by telephone if the Judge finds that a hearing conducted by telephone:

(i) Would provide a full and fair evidentiary hearing;

(ii) Would not prejudice any party; and

(iii) Would cost less than conducting the hearing by audio-visual telecommunication or personal attendance of any individual who is expected to participate in the hearing.

(c) *Appearances.* The parties may appear in person or by counsel or by other representative. Persons who appear as counsel or in a representative capacity must conform to the standards of ethical conduct required of practitioners before the courts of the United States.

(d) *Order of proceeding.* Except as otherwise may be agreed by the parties and approved by the Judge, the complainant shall proceed first at the hearing.

(e) *Failure to appear.* If respondent, after being duly notified, fails to appear at the hearing, and no good cause for such failure is established, complainant shall present a *prima facie* case on the matters denied in the answer.

(f) *Written statements of direct testimony.* (1) Except as provided in paragraph (f)(2) of this section, each party must exchange with all other parties a written narrative verified statement of the oral direct testimony that the party will provide at any hearing to be conducted by telephone; the direct testimony of each employee or agent of the party that the party will call to provide oral direct testimony at any hearing to be conducted by telephone; and the direct testimony of each expert witness that the party will call to provide oral direct testimony at any hearing to be conducted by telephone. The written direct testimony of witnesses shall be exchanged by the parties at least 10 days prior to the hearing. The oral direct testimony provided by a witness at a hearing conducted by telephone will be limited to the presentation of the written direct testimony, unless the Judge finds that oral direct testimony which is supplemental to the written direct testimony would further the public interest and would not constitute surprise.

(2) The parties shall not be required to exchange testimony in accordance with this paragraph if the hearing is scheduled to begin less than 20 days after the Judge's notice stating the time of the hearing.

(g) *Evidence.* (1) The testimony of witnesses at the hearing shall be upon oath or affirmation, transcribed or recorded verbatim, and subject to cross-examination. Evidence which is immaterial, irrelevant, or unduly repetitious, or which is not of the sort upon which responsible persons are accustomed to rely, shall be excluded insofar as practicable.

(2) *Objections.* If a party objects to the admission of any evidence or to the limitation of the scope of any examination or cross-examination, the party shall briefly state the grounds of such objections, whereupon an automatic exception will follow if the objection is overruled by the Judge. The ruling of the Judge on any objection shall be part of the transcript or recording. Only objections made before the Judge may subsequently be relied upon in the proceeding.

(3) *Official records or documents.* An official record or document, if admissible for any purpose, shall be admissible in evidence without the production of the person who made or prepared the same, and shall be *prima facie* evidence of the relevant facts stated therein. Such record or document shall be evidenced by an official publication thereof, or by a copy certified by a person having legal authority to make such certification.

(4) *Exhibits.* Unless the Judge finds that the furnishing of multiple copies is impracticable, four copies of each exhibit shall be filed with the Judge unless the Judge finds that a greater or lesser number is desirable. A true copy of an exhibit may be substituted for the original.

(5) *Official notice.* Official notice shall be taken of such matters as are judicially noticed by the courts of the United States and of any other matter of technical, scientific, or commercial fact of established character: *Provided*, That the opposing party shall be given adequate opportunity to show that such facts are erroneously noticed.

(6) *Offer of proof.* Whenever evidence is deleted from the record, the party offering such evidence may make an offer of proof, which shall be included in the transcript or recording. The offer of proof shall consist of a brief statement describing the evidence excluded. If the evidence consists of a brief oral statement or of an exhibit, it shall be inserted into the transcript or recording in toto. In such event, it shall be considered a part of the transcript or recording and record if the Judicial Officer decides that the Judge's ruling in excluding the evidence was erroneous and prejudicial. The Judge shall not allow the insertion of such excluded evidence in toto if the taking of such evidence will consume considerable time at the hearing. In the latter event, if the Judicial Officer decides that the Judge's ruling excluding the evidence was both prejudicial and erroneous, the hearing may be reopened to permit the taking of such evidence.

(7) *Affidavits.* Affidavits may be submitted into evidence, in lieu of witness testimony, only to the extent, and in the manner agreed upon by the parties.

(h) *Transcript or recording.* (1) Hearings to be conducted by telephone shall be recorded verbatim by electronic recording device. Hearings conducted by audio-visual telecommunication or the personal attendance of any individual who is expected to participate in the hearing shall be transcribed, unless the Judge finds that recording the hearing verbatim would expedite the proceeding and the Judge orders the hearing to be recorded verbatim. The Judge shall certify that to the best of his or her knowledge and belief any recording made pursuant to this paragraph with exhibits that were accepted into evidence is the record of the hearing.

(2) If a hearing is recorded verbatim, a party requests the transcript of a hearing or part of a hearing, and the Judge determines that the disposition of the proceeding would be expedited by a transcript of the hearing or part of a hearing, the Judge shall order the verbatim transcription of the recording as requested by the party.

(3) Recordings or transcripts of hearings shall be made available to any person at actual cost of duplication.

§1.169 Post-hearing procedure and decision.

(a) *Corrections to transcript or recording.* (1) At any time, but not later than the time fixed for filing proposed findings of fact, conclusions and order, or briefs, as the case may be, any party may file a motion proposing corrections to the transcript or recording.

(2) Unless a party files such a motion in the manner prescribed, the transcript or recording shall be presumed, except for obvious typographical errors, to be a true, correct, and complete transcript or recording of the testimony given at the hearing and to contain an accurate description or reference to all exhibits received in evidence and made part of the hearing record.

(3) At any time prior to the filing of the Judge's decision and after consideration of any objections filed as to the transcript or recording, the Judge may issue an order making any corrections in the transcript or recording which the Judge finds are warranted, which corrections shall be entered onto the original transcript or recording by the Hearing Clerk (without obscuring the original text).

(b) *Proposed findings of fact, conclusions, order and briefs.* The parties may file with the Hearing Clerk proposed findings of fact, conclusions and orders based solely upon the record and on matters subject to official notice, and briefs in support thereof. The Judge shall announce at the hearing a definite period of time within which these documents may be filed.

(c) *Judge's decision.* The Judge, within a reasonable time after the termination of the period allowed for the filing of proposed findings of fact, conclusions and order, and briefs in support thereof, shall prepare, upon the basis of the record and matters officially noticed, and shall file with the Hearing Clerk, the Judge's decision, a copy of which shall be served by the Hearing Clerk upon each of the parties. Such decision shall become final and effective without further proceedings 35 days after the date of service thereof upon the respondent, unless there is an appeal to the Judicial Officer by a party to the proceeding pursuant to §1.170: *Provided*, That no decision shall be final for purposes of a request for Judicial Review, as provided in §1.175(a), except a final decision of the Judicial Officer on appeal.

§1.170 Appeal to the Judicial Officer.

(a) *Filing of petition.* Within 30 days after receiving service of the Judge's decision, a party who disagrees with the decision, or any part thereof, or any ruling by the Judge or any alleged deprivation of rights, may appeal such decision to the Judicial Officer by filing an appeal petition with the Hearing Clerk. As provided in §1.168(g)(2), objections regarding evidence or a limitation regarding examination or cross-examination or other ruling made before the Judge may be relied upon in an appeal. Each issue set forth in the petition, and the arguments thereon, shall be separately numbered; shall be plainly and concisely stated; and shall contain detailed citations to the record, statutes, regulations or authorities being relied upon in support thereof. A brief may be filed in support of the appeal simultaneously with the petition.

(b) *Response to appeal petition.* Within 20 days after the service of a copy of an appeal petition and any brief in support thereof, filed by a party to the proceeding, any other party may file with the Hearing Clerk a response in support of or in opposition to the appeal and in such response any relevant issue, not presented in the appeal petition, may be raised.

(c) *Transmittal of record.* Whenever an appeal of a Judge's decision is filed and a response thereto has been filed or time for filing a response has expired, the Hearing Clerk shall transmit to the Judicial Officer the record of the proceeding. Such record shall include: the pleadings; motions and requests filed and rulings thereon; the transcript or recording of the testimony taken at the hearing, together with the

exhibits filed in connection therewith; any documents or papers filed in connection with a prehearing conference; such proposed findings of fact, conclusions, and orders, and briefs in support thereof, as may have been filed in connection with the proceeding; the Judge's decision; such exceptions, statements of objections and briefs in support thereof as may have been filed in the proceeding; and the appeal petition, and such briefs in support thereof and responses thereto as may have been filed in the proceeding.

(d) *Oral argument.* A party bringing an appeal may request, within the prescribed time for filing such appeal, an opportunity for oral arguments before the Judicial Officer. Within the time allowed for filing a response, appellee may file a request in writing for opportunity for such an oral argument. Failure to make such request in writing, within the prescribed time period, shall be deemed a waiver of oral argument. The Judicial Officer may grant, refuse, or limit any request for oral argument. Oral argument shall not be transcribed unless so ordered in advance by the Judicial Officer for good cause shown upon request of a party or upon the Judicial Officer's own motion.

(e) *Scope of argument.* Argument to be heard on appeal, whether oral or on brief, shall be limited to the issues raised in the appeal or in the response to the appeal, except that if the Judicial Officer determines that additional issues should be argued, the parties shall be given reasonable notice of such determination, so as to permit preparation of adequate arguments on all issues to be argued.

(f) *Notice of argument; Postponement.* The Hearing Clerk shall advise all parties of the time and place at which oral argument will be heard. A request for postponement of the argument must be made by motion filed a reasonable amount of time in advance of the date fixed for argument.

(g) *Order of argument.* The appellant is entitled to open and conclude the argument.

(h) *Submission on briefs.* By agreement of the parties, an appeal may be submitted for decision on the briefs, but the Judicial Officer may direct that the appeal be argued orally.

(i) *Decision of the judicial officer on appeal.* As soon as practicable after the receipt of the record from the Hearing Clerk, or, in case oral argument was had, as soon as practicable thereafter, the Judicial Officer, upon the basis of and after due consideration of the record and any matter of which official notice is taken, shall rule on the appeal. If the Judicial Officer decides that no change or modification of the Judge's decision is warranted, the Judicial Officer may adopt the Judge's decision as the final order in the proceeding, preserving any right of the party bringing the appeal to seek judicial review of such decision in the proper forum. A final order issued by the Judicial Officer shall be filed with the Hearing Clerk. Such order may be regarded by the respondent as final for purposes of a request for judicial review as provided in §1.175(a).

§1.172 Motions and requests.

(a) *General.* All motions and requests shall be filed with the Hearing Clerk, and shall be served upon the parties, except those made on record during the oral hearing. The Judge shall rule upon all motions and requests filed or made prior to the filing of the certification of the transcript or recording. Thereafter, the Judicial Officer will rule on any motions or requests.

(b) *Motions entertained.* Any motion will be entertained except a motion to dismiss on the pleadings. All motions and requests concerning the complaint must be made within the time allowed for filing an answer.

(c) *Contents.* All written motions and requests shall state the particular order, ruling, or action desired and the grounds therefor.

(d) *Response to motions in request.* Within ten days after service of any written motion or request, or within such shorter or longer period as may be fixed by the Judge or the Judicial Officer the opposing party may file a response to the motion or request.

(e) *Certification to the judicial officer.* The submission or certification of any motion, request, objection, or other question to the Judicial Officer prior to the time when the Judge's certification of the transcript is filed with the Hearing Clerk, shall be made by and in the discretion of the Judge. The Judge may either rule upon or certify the motion, request, objection, or other question to the Judicial Officer, but not both.

§1.173 Judges.

(a) *Assignment.* No Judge shall be assigned to serve in any proceeding who (1) has any pecuniary interest in any matter or business involved in the proceeding, (2) is related within the third degree by blood or marriage to any party to the proceeding, or (3) has participated in the investigation preceding the institution of the proceeding or in determination that it should be instituted or in the preparation of the moving paper or in the development of the evidence to be introduced therein.

(b) *Disqualification of Judge.* (1) Any party to the proceeding may, by motion made to the Judge, request that the Judge disqualify himself or herself and withdraw from the proceeding. Such motion shall set forth with particularity the alleged disqualification. The Judge may then either rule upon or certify the motion to the Judicial Officer, but not both.

(2) A Judge will withdraw from any proceeding in which the Judge deems himself or herself disqualified for any reason.

(c) *Conduct.* At no stage of the proceeding between its institution and the issuance of the final decision shall the Judicial Officer or the Judge discuss *ex parte* the merits of the proceeding with any person who is connected with the proceeding as an advocate or in an investigative capacity, or with any representative of such person: *Provided*, That procedural matters shall not be included within the limitation: and *Provided further*, That the Judicial Officer of Judge may discuss the merits of the case with such a person if all parties to the proceeding, or their representatives, have been given an opportunity to be present. Any memorandum or other communication addressed to the Judicial Officer or a Judge, during the pendency of the proceeding, and relating to the merits thereof, by or on behalf of any party or any interested person, shall be filed with the Hearing Clerk. A copy thereof shall be served upon the parties to the proceeding, and, in the discretion of the Judge or the Judicial Officer, opportunity may be given to file a reply thereto within a specified period.

(d) *Powers.* Subject to review by the Judicial Officer as provided elsewhere in this part, the Judge, in any proceeding assigned to him or her shall have power to:

(1) Rule upon motions and requests;

(2) Set the time, place, and manner of any conference, set the manner of the hearing, adjourn the hearing, and change the time, place, and manner of the hearing;

(3) Administer oaths and affirmations;

(4) Examine witnesses and receive relevant evidence;

(5) Admit or exclude evidence;

(6) Hear oral argument on facts or law;

(7) Require each party to provide all other parties and the Judge with a copy of any exhibit that the party intends to introduce into evidence prior to any hearing to be conducted by telephone or audio-visual telecommunication;

(8) Require that any hearing to be conducted by telephone or audio-visual telecommunication be conducted at locations at which the parties and the Judge are able to transmit and receive documents during the hearing;

(9) Do all acts and take all measures necessary for the orderly presentation of evidence, maintenance of order, and the efficient conduct of the proceeding.

(e) *Who may act in the absence of the Judge.* In case of the absence of the Judge or upon the Judge's inability to act, the powers and duties to be performed by the Judge under these Rules of Practice in connection with a proceeding assigned to the Judge may, without abatement of the proceeding, be assigned to any other Judge.

§1.175 Procedure following entry of cease and desist order.

(a) *Request for judicial review.* An association subject to a cease and desist order may, within thirty days following the date of the order, request the Secretary to institute proceedings for judicial review of the order. Such request shall, to the extent practicable, identify findings of fact, conclusions of law, and any part of the order which the association claims are in error. §1.181 Purpose of these rules.

The Equal Access to Justice Act, 5 U.S.C. 504 (called “EAJA” in this subpart), provides for the award of attorney fees and other expenses to eligible individuals and entities who are parties to certain administrative proceedings (called “adversary adjudications”) before the Department. An eligible party may receive an award when it prevails over the Department unless the position of the Department was substantially justified or special circumstances make an award unjust. Alternatively, an eligible party may receive an award in connection with an adversary adjudication arising from an agency action to enforce the party's compliance with a statutory or regulatory requirement where the demand by the agency is substantially in excess of the decision of the adjudicative officer and is unreasonable when compared with such decision under the facts and circumstances of the case. The rules in this subpart describe the parties eligible for awards and the proceedings that are covered. They also explain how to apply for awards, and the procedures and standards that the Department will use to make awards.

[↑ Back to Top](#)

§1.182 When EAJA applies.

EAJA applies to any adversary adjudication pending or commenced before the Department on or after August 5, 1985, except with respect to a proceeding covered under §1.183(a)(1)(iii) of this part, which is effective on or after October 21, 1986. In addition, the provisions of §1.185(b) relating to award for excessive demand apply only to adversary adjudications commenced on or after March 29, 1996. Changes in maximum rates for attorney fees are effective as of October 11, 2002.

[↑ Back to Top](#)

§1.183 Proceedings covered.

(a)(1) The rules in this subpart apply to adversary adjudications. These are:

(i) Adjudications required by statute to be conducted by the Department under 5 U.S.C. 554 in which the position of the Department or any other agency of the United States, or any component of an agency, is presented by an attorney or other representative who enters an appearance and participates in the proceeding,

(ii) Appeals of decisions of contracting officers made pursuant to section 6 of the Contract Disputes Act of 1978 (41 U.S.C. 605) before the Agriculture Board of Contract Appeals as provided in section 8 of that Act (41 U.S.C. 607), and

(iii) Any hearing conducted under chapter 38 of title 31, United States Code.

(2) Any proceeding in which the Department may prescribe a lawful present or future rate is not covered by EAJA. Proceedings to grant or renew licenses also are excluded, but proceedings to modify, suspend, or revoke licenses are covered if they are otherwise "adversary adjudications." The proceedings covered include adversary adjudications under the following statutory provisions.

Wheat and Wheat Foods Research and Nutrition Education Act (7 U.S.C. 3409)

(b) The failure of the Department to identify a type of proceeding as an adversary adjudication shall not preclude the filing of an application by a party who believes the proceeding is covered by EAJA; whether the proceeding is covered will then be an issue for resolution in proceedings on the application.

(c) If a proceeding includes both matters covered by EAJA and matters specifically excluded from coverage, any award made will include only fees and expenses related to covered issues.

§1.184 Eligibility of applicants.

(a) To be eligible for an award of attorney fees and other expenses under EAJA, the applicant must meet one of the following conditions:

(1) The applicant must be a prevailing party to the adversary adjudication for which it seeks an award; or

(2) The applicant must be a party to an adversary adjudication arising from an agency action to enforce the party's compliance with a statutory or regulatory requirement in which the demand by the agency was substantially in excess of the decision of the adjudicative officer and the demand is unreasonable when compared with such decision under the facts and circumstances of the case.

(b) In addition to the criteria set out in paragraph (a) of this section, a party seeking an award must be one of the following:

(1) An individual with a net worth of not more than \$2 million;

(2) The sole owner of an unincorporated business who has a net worth of not more than \$7 million, including both personal and business interests, and not more than 500 employees;

(3) A charitable or other tax-exempt organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) with not more than 500 employees;

(4) A cooperative association as defined in section 15(a) of the Agricultural Marketing Act (2 U.S.C. 1141j(a)) with not more than 500 employees;

(5) Any other partnership, corporation, association, unit of local government, or organization with a net worth of not more than \$7 million and not more than 500 employees;

(6) For purposes only of paragraph (a)(2) of this section, a small entity as defined in 5 U.S.C. 601.

(c) For the purpose of eligibility, the net worth and number of employees of an applicant shall be determined as of the date the adversary adjudication was initiated: Provided, that for purposes of eligibility in proceedings covered by §1.183(a)(1)(ii) of this part, the net worth and number of employees of an applicant shall be determined as of the date the applicant filed its appeal under 41 U.S.C. 606.

(d) In interpreting the criteria set forth in paragraph (b) of this section, the following apply:

(1) An applicant who owns an unincorporated business will be considered as an "individual" rather than a "sole owner of an unincorporated business" if the issues on which the applicant prevails are related primarily to personal interests rather than to business interests.

(2) The employees of an applicant include all persons who regularly perform services for remuneration for the applicant, under the applicant's direction and control. Part-time employees shall be included on a proportional basis.

(3) The net worth and number of employees of the applicant and all of its affiliates shall be aggregated to determine eligibility. Any individual, corporation, or other entity that directly or indirectly controls or owns a majority of the voting shares or other interest of the applicant, or any corporation or other entity of which the applicant directly or indirectly owns or controls a majority of the voting shares or other interest, will be considered an affiliate for purposes of this subpart, unless the adjudicative officer determines such treatment would be unjust and contrary to the purposes of EAJA in light of the actual relationship between the affiliated entities. In addition, the adjudicative officer may determine that financial relationships of the applicant other than those described in this paragraph constitute special circumstances that would make an award unjust.

(4) An applicant that participates in a proceeding primarily on behalf of one or more other person or entity that would be ineligible is not itself eligible for an award.

[↑ Back to Top](#)

§1.185 Standards for awards.

(a) Prevailing party. (1) A prevailing applicant may receive an award for fees and expenses incurred in connection with a proceeding, or in a significant and discrete substantive portion of the proceeding, unless the position of the Department was substantially justified. The position of the Department includes, in addition to the position taken by the Department in the adversary adjudication, the action or failure to act by the Department upon which the adversary adjudication is based. The burden of proof that an award should not be made to an eligible prevailing applicant because the position of the Department was substantially justified is on the agency.

(2) An award to a prevailing applicant will be reduced or denied if the applicant has unduly or unreasonably protracted the proceeding or if special circumstances make the award sought unjust.

(b) Excessive demand. (1) If, in an adversary adjudication arising from an agency action to enforce a party's compliance with a statutory or regulatory requirement, the demand by the agency is substantially in excess of the decision of the adjudicative officer and is unreasonable when compared with such decision under the facts and circumstances of the case, the adjudicative officer shall award to the party the fees and other expenses related to defending against the excessive demand, unless the party has committed a willful violation of law or otherwise acted in bad faith, or special circumstances make an award unjust. Fees and expenses awarded under this paragraph shall be paid only as a consequence of appropriations provided in advance.

(2) "Demand" means the express demand of the agency which led to the adversary adjudication, but does not include a recitation by the agency of the maximum statutory penalty:

- (i) In the administrative complaint, or
- (ii) Elsewhere when accompanied by an express demand for a lesser amount.

[↑ Back to Top](#)

§1.186 Allowable fees and expenses.

(a) Awards will be based on rates customarily charged by persons engaged in the business of acting as attorneys, agents, and expert witnesses, even if the services were made available without charge or at reduced rate to the applicant.

(b) In proceedings commenced on or after the effective date of this paragraph, no award for the fee of an attorney or agent under the rules in this subpart may exceed \$150 per hour. No award to compensate an expert witness may exceed the highest rate at which the Department pays expert witnesses, which is set out at §1.150 of this part. However, an award also may include the reasonable expenses of the attorney, agent, or witness as a separate item, if the attorney, agent, or witness ordinarily charges clients separately for such expenses.

(c) In determining the reasonableness of the fee sought for an attorney, agent, or expert witness, the adjudicative officer shall consider the following:

- (1) If the attorney, agent or witness is in private practice, his or her customary fee for similar services, or if an employee of the applicant, the fully allocated cost of the services;
- (2) The prevailing rate for similar services in the community in which the attorney, agent, or witness ordinarily performs services;
- (3) The time actually spent in the representation of the applicant;
- (4) The time reasonably spent in light of the difficulty or complexity of the issues in the proceeding; and
- (5) Such other factors as may bear on the value of the services provided.

(d) The reasonable cost of any study, analysis, engineering report, test, project or similar matter prepared on behalf of a party may be awarded, to the extent that the charge for the service does not exceed the prevailing rate for similar services, and the study or other matter was necessary for preparation of the applicant's case.

§1.187 Rulemaking on maximum rates for attorney fees.

(a) If warranted by an increase in the cost of living or by special circumstances (such as limited availability of attorneys qualified to handle certain types of proceedings), the Department may adopt regulations providing that attorney fees may be awarded at a rate higher than \$150 per hour in some or all of the types of proceedings covered by this part. The Department will conduct any rulemaking proceedings for this purpose under the informal rulemaking procedures of the Administrative Procedure Act.

(b) Any person may file with the Department a petition for rulemaking to increase the maximum rate for attorney fees in accordance with §1.28 of this part. The petition should identify the rate the petitioner believes the Department should establish and the types of proceedings in which the rate should be used. It also should explain fully the reasons why the higher rate is warranted. The Department will respond to the petition within 60 days after it is filed, by initiating a rulemaking proceeding, denying the petition, or taking other appropriate action.

§1.188 Awards against other agencies.

If an applicant is entitled to an award because it prevails over another agency of the United States that participates in a proceeding before the Department and takes a position that is not substantially justified, the award or an appropriate portion of the award shall be made against that agency.

§1.189 Delegations of authority.

(a) Except as provided in paragraph (b) of this section, the Secretary of Agriculture delegates to the Judicial Officer authority to take final action on matters pertaining to the Act in proceedings covered by these rules. The Secretary by order may delegate authority to take final action on matters pertaining to the Act in particular cases to other subordinate officials or bodies.

(b)(1) The Secretary of Agriculture delegates to the Director of the National Appeals Division authority to take final actions on matters pertaining to the Act for proceedings under 7 CFR part 11.

(2) With respect to proceedings covered under §1.183(b)(1)(ii) of this part, the Board of Contract Appeals is authorized by statute (41 U.S.C. 607) to take final action.

INFORMATION REQUIRED FROM APPLICANTS

[↑ Back to Top](#)

§1.190 Contents of application.

(a) An application for an award of fees and expenses under EAJA shall identify the applicant and the proceeding for which an award is sought. Unless the applicant is an individual, the application shall state the number of employees of the applicant and describe briefly the type and purpose of its organization or business. The application shall also:

(1) Show that the applicant has prevailed and identify the position of the Department that the applicant alleges was not substantially justified and shall briefly state the basis for such allegation; or

(2) Show that the demand by the Department in the proceeding was substantially in excess of, and was unreasonable when compared with, the decision in the proceeding.

(b) The application also shall, as appropriate, include a declaration that the applicant is a small entity as defined in 5 U.S.C. 601 or a statement that the applicant's net worth does not exceed \$2 million (if an individual) or \$7 million (for all other applicants, including their affiliates). However, an applicant may omit this statement if:

(1) It attaches a copy of a ruling by the Internal Revenue Service that it qualifies as an organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) or, in the case of a tax-exempt organization not required to obtain a ruling from the Internal Revenue Service on its exempt status, a statement that describes the basis for the applicant's belief that it qualifies under such section; or

(2) It states that it is a cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 114j(a)).

(c) The application shall state the amount of fees and expenses for which an award is sought.

(d) The application also may include any other matters that the applicant wishes the Department to consider in determining whether, and in what amount, an award should be made.

(e) The application shall be signed by the applicant or an authorized officer or attorney of the applicant. It also shall contain or be accompanied by a written verification under oath or affirmation under penalty of perjury that the information provided in the application and all accompanying material is true and complete to the best of the signer's information and belief.

[↑ Back to Top](#)

§1.191 Net worth exhibit.

(a) An applicant, except a qualified tax-exempt organization or cooperative association, must provide with its application a detailed exhibit showing the net worth of the applicant and any affiliates (as defined in §1.184 of this part) when the proceeding was initiated. The exhibit may be in any form convenient to the applicant that provides full disclosure of the applicant's and its affiliates' assets and liabilities and is sufficient to determine whether the applicant qualifies under the standards in this subpart. The adjudicative officer may require an applicant to file additional information to determine its eligibility for an award.

(b) Ordinarily, the net worth exhibit will be included in the public record of the proceeding. However, an applicant that objects to public disclosure of information in any portion of the exhibit and believes there are legal grounds for withholding it from disclosure may submit that portion of the exhibit directly to the adjudicative officer in a sealed envelope labeled "Confidential Financial Information," accompanied by a motion to withhold the information from public disclosure. The motion shall describe the information sought to be withheld and explain, in detail, why it falls within one or more of the specific exemptions from mandatory disclosure under the Freedom of Information Act, 5 U.S.C. 552(b) (1) through (9). The material in question shall be served on counsel representing the agency against which the applicant seeks an award, but need not be served on any other party to the proceeding. If the adjudicative officer finds that the information should not be withheld from disclosure, it shall be placed in the public record of the proceeding. Otherwise, any request to inspect or copy the exhibit shall be disposed of in accordance with the established procedures of the Department under the Freedom of Information Act (§§1.1 through 1.23 of this part).

[↑ Back to Top](#)

§1.192 Documentation of fees and expenses.

(a) The application shall be accompanied by full documentation of the fees and expenses, including the cost of any study, analysis, engineering report, test, project, or similar matter, for which an award is sought.

(b) The documentation shall include an affidavit from any attorney, agent, or expert witness representing or appearing on behalf of the party, stating the actual time expended and the rate at which fees and other expenses were computed and describing the specific services performed.

(1) The affidavit shall state the services performed. In order to establish the hourly rate, the affidavit shall state the hourly rate which is billed and paid by the majority of clients during the relevant time periods.

(2) If no hourly rate is paid by the majority of clients because, for instance, the attorney or agent represents most clients on a contingency basis, the attorney or agent shall provide information about two attorneys or agents with similar experience, who perform similar work, stating their hourly rate.

(c) The documentation also shall include a description of any expenses for which reimbursement is sought and a statement of the amounts paid and payable by the applicant or by any other person or entity for the services provided.

(d) The adjudicative officer may require the applicant to provide vouchers, receipts, or other substantiation for any fees or expenses claimed, pursuant to §1.199 of this part.

[↑ Back to Top](#)

§1.193 Time for filing application.

(a) An application may be filed whenever the applicant has prevailed in the proceeding or in a significant and discrete substantive portion of the proceeding, but in no case later than 30 days after final disposition of the proceeding by the Department.

(b) For the purposes of this subpart, final disposition means the date on which a decision or order disposing of the merits of the proceeding or any other complete resolution of the proceeding, such as a settlement or voluntary dismissal, become final and unappealable, both within the Department and to the courts.

(c) If review or reconsideration is sought or taken of a decision as to which an applicant believes it has prevailed, proceedings for the award of fees shall be stayed pending final disposition of the underlying controversy. When the United States appeals the underlying merits of an adversary adjudication to a court, no decision on an application for fees and other expenses in connection with that adversary adjudication shall be made until a final and unreviewable decision is rendered by the court on the appeal or until the underlying merits of the case have been finally determined pursuant to the appeal.

PROCEDURES FOR CONSIDERING APPLICATIONS

[↑ Back to Top](#)

§1.194 Filing and service of documents.

Any application for an award or other pleading or document related to an application shall be filed and served on all parties to the proceeding in the same manner as other pleadings in the proceeding except as provided in §1.191 of this part for confidential financial information. The provisions relating to filing, service, extensions of time, and computation of time contained in §1.147 of this part are incorporated into and made applicable to this subpart, except that the statutory 30 day time limit on filing the application as set out in §1.193 of this part may not be extended.

[↑ Back to Top](#)

§1.195 Answer to application.

(a) Within 30 days after service of an application, agency counsel may file an answer. If agency counsel fails to timely answer or settle the application, the adjudicative officer, upon a satisfactory showing of entitlement by the applicant, may make an award for the applicant's allowable fees and expenses.

(b) If agency counsel and the applicant believe that the issues in the fee application can be settled, they may jointly file a statement of intent to negotiate a settlement. The filing of this statement shall extend the time for filing an answer for an additional 30 days, and further extensions may be granted by the adjudicative officer upon request by agency counsel and the applicant.

(c) The answer shall explain in detail any objections to the award requested and identify the facts relied on in support of agency counsel's position. If the answer is based on any alleged facts not already in the record of the proceeding, agency counsel shall include with the answer either supporting affidavits or a request for further proceedings under §1.199 of this part.

[↑ Back to Top](#)

§1.196 Reply.

Within 15 days after service of an answer, the applicant may file a reply. If the reply is based on any alleged facts not already in the record of the proceeding, the applicant shall include with the reply either supporting affidavits or a request for further proceedings under §1.199 of this part.

[↑ Back to Top](#)

§1.197 Comments by other parties.

Any party to a proceeding other than the applicant and agency counsel may file comments on an application within 30 days after it is served or on an answer within 15 days after it is served. A commenting party may not participate further in proceedings on the application, unless the adjudicative officer determines that the public interest requires such participation in order to permit full exploration of matters raised in the comments.

[↑ Back to Top](#)

§1.198 Settlement.

The applicant and agency counsel may agree on a proposed settlement of the award before final action on the application, either in connection with a settlement of the underlying proceeding, or after the underlying proceeding has been concluded. If a prevailing party and agency counsel agree on a proposed settlement of an award before an application has been filed, the application shall be filed with the proposed settlement.

[↑ Back to Top](#)

§1.199 Further proceedings.

(a) Ordinarily, the determination of an award will be made on the basis of the written record. However, on request of either the applicant or agency counsel, or on his or her own initiative, the adjudicative officer may order further proceedings, such as an informal conference, oral argument, additional written submissions or, as to issues other than substantial justification (such as the applicant's eligibility or substantiation of fees and expenses), pertinent discovery or an evidentiary hearing. Such further proceedings shall be held only when necessary for full and fair resolution of the issues arising from the application, and shall be conducted as promptly as possible. Whether the position of the Department was substantially justified shall be determined on the basis of the administrative record, as a whole, which is made in the adversary adjudication for which fees and other expenses are sought.

(b) A request that the adjudicative officer order further proceedings under this section shall identify specifically the information sought or the disputed issues, and shall explain specifically why the additional proceedings are necessary to resolve the issues.

(c) In the event that an evidentiary hearing is held, it shall be conducted pursuant to §§1.130 through 1.151 of this part, except that any hearing in a proceeding covered by §1.183(a)(1)(ii) of this part shall be conducted pursuant to Rules 17 through 25 of the Board of Contract Appeals contained in §24.21 of this title.

[↑ Back to Top](#)

§1.200 Decision.

The adjudicative officer or Board of Contract Appeals shall issue an initial decision on the application as expeditiously as possible after completion of proceedings on the application. Whenever possible, the decision shall be made by the same administrative judge or panel that decided the contract appeal for which fees are sought. The decision shall include written findings and conclusions on the applicant's eligibility and status as a prevailing party, and an explanation of the reasons for any difference between the amount requested and the amount awarded. An employee of USDA may appear as a witness on behalf of the United States in any judicial or administrative proceeding without the issuance of a summons, subpoena, or other compulsory process. Employees should obtain permission for such an appearance from their immediate supervisor unless the USDA agency or General Counsel has issued instructions providing otherwise.

[↑ Back to Top](#)

§1.214 Appearance as a witness on behalf of a party other than the United States where the United States is not a party.

(a) An employee of USDA served with a valid summons, subpoena, or other compulsory process demanding his or her appearance, or otherwise requested to appear on behalf of a party other than the United States in a judicial or administrative proceeding in which the

United States is not a party, shall promptly notify the head of his or her USDA agency of the existence and nature of the order compelling his or her appearance, or of the document requesting his or her attendance. He or she shall also specify, if that is known, the nature of the judicial or administrative proceeding and the nature of the testimony or documents requested.

(b)(1) An employee of USDA served with a valid summons, subpoena, or other compulsory process, or requested to appear as a witness on behalf of a party other than the United States in a judicial or administrative proceeding in which the United States is not a party, may appear only if such appearance has been authorized by the head of his or her USDA agency, with the concurrence of the General Counsel, based upon a determination that such an appearance is in the interest of USDA.

(c) Unless an appearance is authorized as provided in paragraphs (b)(1) or (b)(2) of this section, the employee shall appear at the stated time and place (unless advised by the General Counsel or his or her designee that the summons, subpoena, or other process was not validly issued or served), produce a copy of these regulations and respectfully decline to provide any testimony. (d) If there is any question regarding the validity of a summons, subpoena, or other compulsory process, an employee shall contact the Office of the General Counsel for advice.

(e)(1) In determining whether the employee's appearance is in the interest of USDA, authorizing officials should consider the following:

- (i) what interest of USDA would be promoted by the employee's testimony;
- (ii) whether an appearance would result in an unnecessary interference with the duties of the USDA employee;
- (iii) whether an employee's testimony would result in the appearance of improperly favoring one litigant over another.

(2) The considerations listed in paragraph (e)(1) of this section are illustrative and not exhaustive.

(2) An employee requested to appear as a witness or produce records on behalf of a party other than the United States in a judicial or administrative proceeding in which the United States is a party, without being served a valid summons, subpoena, or other compulsory process, may appear or produce records only if such appearance or production has been authorized by a representative of the Department of Justice, the United States Attorney, or other counsel who is representing the United States in the case of a judicial proceeding; or by the official or attorney representing the United States, in the case of an administrative proceeding.

process, or to deny authorization under paragraph (b)(2) of this section.

(d) As appropriate, the General Counsel or his or her designee will request the assistance of the Department of Justice, a United States Attorney, or other counsel representing the United States, in the case of a judicial proceeding; or of the official or attorney representing the United States, in the case of an administrative proceeding, to represent the interest of the employee and USDA.

§1.335 Determining the amount of penalties and assessments.

(a) In determining an appropriate amount of civil penalties and assessments, the ALJ and the judicial officer, upon appeal, should evaluate any circumstances that mitigate or aggravate the violation and should articulate in their opinions the reasons that support the penalties and assessments they impose. Because of the intangible costs of fraud, the expense of investigating such conduct, and the need to deter others who might be similarly tempted, ordinarily double damages and a significant civil penalty should be imposed.

(b) Although not exhaustive, the following factors are among those that may influence the ALJ and the judicial officer in determining the amount of penalties and assessments to impose with respect to the misconduct (*i.e.*, the false, fictitious, or fraudulent claims or statements) charged in the complaint:

- (1) The number of false, fictitious, or fraudulent claims or statements;
 - (2) The time period over which such claims or statements were made;
 - (3) The degree of the respondent's culpability with respect to the misconduct;
 - (4) The amount of money or the value of the property, services, or benefit falsely claimed;
 - (5) The value of the Government's actual loss as a result of the misconduct, including foreseeable consequential damages and the costs of investigation;
 - (6) The relationship of the amount imposed as civil penalties to the amount of the Government's loss;
 - (7) The potential or actual impact of the misconduct upon national defense, public health or safety, or public confidence in the management of Government programs and operations, including particularly the impact on the intended beneficiaries of such programs;
 - (8) Whether the respondent has engaged in a pattern of the same or similar misconduct;
 - (9) Whether the respondent attempted to conceal the misconduct;
 - (10) The degree to which the respondent has involved others in the misconduct or in concealing it;
 - (11) Where the misconduct of employees or agents is imputed to the respondent, the extent to which the respondent's practices fostered or attempted to preclude such misconduct;
 - (12) Whether the respondent cooperated in or obstructed an investigation of the misconduct;
 - (13) Whether the respondent assisted in identifying and prosecuting other wrongdoers;
 - (14) The complexity of the program or transaction, and the degree of the respondent's sophistication with respect to it, including the extent of the respondent's prior participation in the program or in similar transactions;
 - (15) Whether the respondent has been found, in any criminal, civil, or administrative proceeding to have engaged in similar misconduct or to have dealt dishonestly with the government of the United States or of a State, directly or indirectly; and
 - (16) The need to deter the respondent and others from any engaging in the same or similar misconduct.
- (c) Nothing in this section shall be construed to limit the ALJ or the judicial officer from considering any other factors that in any given case may mitigate or aggravate the acts for which penalties and assessments are imposed.

§1.336 Initial decision of the ALJ.

(a) The ALJ shall issue an initial decision, which shall contain findings of fact, conclusions of law, and the amount of any penalties and assessments imposed.

(b) The findings of fact shall include a finding on each of the following issues for every claim or statement with respect to which a penalty or assessment was proposed:

- (1) Whether any claim or statement identified in the complaint violates §1.303 of this part;

(2) If the respondent is liable for penalties or assessments, the appropriate amount of any such penalties or assessments considering any mitigating or aggravating factors described in §1.335 of this part.

(c) The ALJ shall serve the initial decision on all parties within 90 days after the time for submission of post-hearing briefs and reply briefs (if permitted) has expired. The ALJ shall include with the initial decision a statement describing the right of any respondent determined to be liable for a civil penalty or assessment to file notice of appeal with the judicial officer. The ALJ may extend the time period for serving the initial decision on the parties.

(d) Unless the initial decision of the ALJ is timely appealed to the judicial officer, or a motion for reconsideration of the initial decision is timely filed, the initial decision shall constitute the final decision of the Secretary and shall be final and binding on the parties 30 days after it is issued by the ALJ.

[↑ Back to Top](#)

§1.337 Reconsideration of initial decision.

(a) Except as provided in paragraph (d) of this section, any party may file a motion for reconsideration of the initial decision within 20 days of receipt of the initial decision. If service was made by mail, receipt will be presumed to be five days from the date of mailing in the absence of contrary proof.

(b) Every such motion must set forth the matters claimed to have been erroneously decided and the nature of the alleged errors. Such motion shall be accompanied by a supporting brief.

(c) Responses to such motions shall be allowed only upon request of the ALJ.

(d) No party may file a motion for reconsideration of an initial decision that has been revised in response to a previous motion for reconsideration.

(e) The ALJ may dispose of a motion for reconsideration by denying it or by issuing a revised initial decision.

(f) If the ALJ denies a motion for reconsideration, the initial decision shall constitute the final decision of the authority head and shall be final and binding on the parties 30 days after the ALJ denies the motion, unless the initial decision is timely appealed to the judicial officer in accordance with §1.338 of this part.

(g) If the ALJ issues a revised initial decision, that decision shall constitute the final decision of the authority head and shall be final and binding on the parties 30 days after it is issued, unless it is timely appealed to the judicial officer in accordance with §1.338 of this part.

(a) Any respondent who has filed a timely answer and who is determined in an initial decision to be liable for a civil penalty or assessment may appeal such decision to the Secretary by filing a notice of appeal with the judicial officer in accordance with this section. The judicial officer of USDA shall consider all appeals to the Secretary under this subpart and render a decision on behalf of the Secretary.

(b)(1) A notice of appeal may be filed at any time within 30 days after the ALJ issues an initial decision. However, if another party files a motion for reconsideration under §1.337 of this part, consideration of the appeal shall be stayed automatically pending resolution of the motion for reconsideration.

(g) There is no right to appear personally before the judicial officer.

(h) There is no right to interlocutory appeal of rulings by the ALJ.

(i) The judicial officer, in reviewing the decision, shall not consider any objection that was not raised before the ALJ unless a demonstration is made that extraordinary circumstances caused the failure to raise the objection.

(j) If any party demonstrates to the satisfaction of the judicial officer that additional evidence not presented to the ALJ is material and that there were reasonable grounds for the failure to present such evidence to the ALJ, the judicial officer shall remand the matter to the ALJ for consideration of such additional evidence.

(k) The judicial officer may affirm, reduce, reverse, compromise, remand or settle any penalty or assessment determined by the ALJ.

(l) The judicial officer shall promptly serve each party to the appeal with a copy of the decision of the judicial officer and a statement describing the respondent's right to seek judicial review.

The filing of such a request shall automatically stay the effective date of the decision of the judicial officer until the ALJ rules upon the request.

(c) The representative for the USDA may file an opposition to respondent's request for a stay within 10 days of receipt of the request. If the representative for the USDA fails to file such an opposition within the allotted time, or indicates that the USDA has no objection to the request, the ALJ may grant the stay without requiring respondent to give a bond or other security.

(d) The ALJ may grant a contested request where justice so requires and to the extent necessary to prevent irreparable harm but only upon the respondent's giving of a bond or other adequate security. The ALJ shall rule promptly on a contested request for stay.

(iii) After a witness has testified on direct examination, any other party may request and obtain the production of any statement, or part thereof, of such witness in the possession of the party who called the witness, which relates to the subject matter as to which the witness has testified. Such production shall be made according to the procedures and subject to the definitions and limitations prescribed in the Jencks Act (18 U.S.C. 3500).

Such record or document shall be evidenced by an official publication thereof or a copy certified by a person having legal authority to make such certification.

(6) *Official notice.* Official notice shall be taken of such matters as are judicially noted by the courts of the United States and of any other matter of technical, scientific, or commercial fact of established character: *Provided*, That the parties shall be given adequate notice of matters so noticed, and shall be given adequate opportunity to show that such facts are erroneously noticed.

(7) *Offer of proof.* Whenever evidence is excluded by the Judge, the party offering such evidence may make an offer of proof, which shall be included in the transcript. (2) If the decision is announced orally, a copy thereof, excerpted from the transcript of the record, shall be furnished to the parties by the Hearing Clerk. Irrespective of the date such copy is mailed, the issuance date of the decision shall be the date the oral decision was announced.

§1.428 Depositions.

(b) *Judge's order for taking deposition.* (1) If the Judge finds that testimony may not be otherwise available at the hearing, the taking of the deposition may be ordered. The order shall be served upon the parties, and shall state:

(i) The time and place of the examination;

In lieu of oral examination, parties may transmit written questions to the officer prior to the examination and the officer shall propound such questions to the deponent.

(2) The applicant shall arrange for the examination of the witness either by oral examination, or by written questions upon agreement of the parties or as directed by the Judge. If the examination is conducted by means of written questions, copies of the questions shall be served upon the other party to the proceeding and filed with the officer and the other party may serve cross questions and file them with the officer at any time prior to the time of the examination.

(e) *Certification by officer.* The officer shall certify on the deposition that the deponent was duly sworn and that the deposition is a true record of the deponent's testimony. The officer shall then securely seal the deposition, together with one copy thereof (unless there are more than two parties in the proceeding, in which case there should be another copy for each additional party), in an envelope and mail the same by registered or certified mail to the Hearing Clerk.

(3) At any time prior to use of the deposition in accordance with paragraph (g) of this section and after consideration of any objections filed thereto, the Judge may issue an order making any corrections in the transcript which the Judge finds are warranted, which corrections shall be entered onto the original transcript by the Hearing Clerk (without obscuring the original text).

(g) *Use of deposition.* A deposition ordered and taken in accordance with the provisions of this section may be used in a proceeding under these rules if the Judge finds that the evidence is otherwise admissible and that the witness is dead; that the witness is unable to attend or testify because of age, sickness, infirmity, or imprisonment; or that such exceptional circumstances exist as to make it desirable, in the interests of justice, to allow the deposition to be used. If the party upon whose motion the deposition was taken refuses to offer it in evidence, any other party may offer the deposition or any thereof in evidence. If only part of a deposition is offered in evidence by a party, an adverse party may require the introduction of any other part which ought in fairness to be considered with the part introduced and any party may introduce any other parts.

[↑ Back to Top](#)

§1.501 Policy on employee indemnification.

(a) Indemnification, under the context of this section, shall be the policy whereby the Department of Agriculture compensates an employee for the legal consequences of conduct, taken within the scope of his or her employment, giving rise to a verdict, judgment, or other monetary award rendered against the employee.

(b) The Department of Agriculture may indemnify a Department employee (which for the purposes of this regulation shall include a former employee) for any verdict, judgment, or other monetary award rendered against such employee, provided the Secretary or the Secretary's designee determines, in his or her discretion, that the conduct giving rise to such verdict, judgment, or award was taken within the scope of his or her employment with the Department, and such indemnification is in the interest of the United States.

(c) The Department of Agriculture may pay for the settlement or compromise of a personal damage claim against a Department employee by the payment of available funds, at any time, provided that the Secretary or the Secretary's designee determines, in his or her discretion, that the alleged conduct giving rise to the personal damage claim was taken within the scope of the employee's employment, and such settlement or compromise is in the interest of the United States.

(d) Absent exceptional circumstances, as determined by the Secretary or his or her designee, the Department will not entertain a request to agree to indemnify or pay for a settlement of a personal damage claim before entry of an adverse judgment, verdict, or other monetary award.

(e) When a Department employee becomes aware that an action has been filed against the employee in his or her individual capacity as a result of conduct taken within the scope of his or her employment, the employee should immediately notify his or her supervisor that such an action is pending. The supervisor shall promptly thereafter notify the Office of the General Counsel.

(f) A Department employee may request indemnification to satisfy a verdict, judgment, or monetary award entered against the employee or to satisfy the requirements of a settlement proposal. The employee shall submit a written request, with appropriate documentation that includes a copy of the verdict, judgment, award or settlement proposal, as appropriate, to the head of his or her employing component, who shall thereupon submit it to the General Counsel, in a timely manner, a recommended disposition of the request. The Office of the General Counsel shall seek the views of the Department of Justice. The Office of the General Counsel shall forward the employee's request, the employing component's recommendation, and the General Counsel's recommendation, along with the time frame in which a decision is needed, to the Secretary or his or her designee for decision. The Secretary or his or her designee will decide promptly whether to indemnify or pay for a settlement of a personal damage claim.

(g) Any payment under this section to indemnify a Department employee for a personal damage verdict, judgment, or award or to settle a personal damage claim shall be contingent upon the availability of appropriated funds of the employing component of the United States Department of Agriculture.

(a) *Hearing process.* (1) The regulations in §§1.601 through 1.660 contain rules of practice and procedure applicable to hearings on disputed issues of material fact with respect to mandatory conditions that the Department of Agriculture, Forest Service (Forest Service) may develop for inclusion in a hydropower license issued under subchapter I of the Federal Power Act (FPA), 16 U.S.C. 791 *et seq.* The authority to develop these conditions is granted by FPA section 4(e), 16 U.S.C. 797(e), which authorizes the Secretary of Agriculture to condition hydropower licenses issued by the Federal Energy Regulatory Commission (FERC).

(2) The hearing process under this part does not apply to recommendations that the Forest Service may submit to FERC under FPA section 10(a), 16 U.S.C. 803(a).

(3) The FPA also grants the Department of Commerce and the Department of the Interior the authority to develop mandatory conditions and prescriptions for inclusion in a hydropower license. Where the Forest Service and either or both of these other Departments develop conditions or prescriptions to be included in the same hydropower license and where the Departments agree to consolidate the hearings under §1.623:

(i) A hearing conducted under this subpart will also address disputed issues of material fact with respect to any condition or prescription developed by one of the other Departments; or

(ii) A hearing requested under this subpart will be conducted by one of the other Departments, pursuant to 43 CFR 45.1 *et seq.* or 50 CFR 221.1 *et seq.*, as applicable.

(4) The regulations in §§1.601 through 1.660 will be construed and applied to each hearing process to achieve a just and speedy determination, consistent with adequate consideration of the issues involved and the provisions of §1.660(a).

(b) *Alternatives process.* The regulations in §§1.670 through 1.674 contain rules of procedure applicable to the submission and consideration of alternative conditions under FPA section 33, 16 U.S.C. 823d. That section allows any party to the license proceeding to propose an alternative to a condition deemed necessary by the Forest Service under section 4(e).

(c) *Reserved authority.* Where the Forest Service has notified or notifies FERC that it is reserving its authority to develop one or more conditions at a later time, the hearing and alternatives processes under this subpart for such conditions will be available if and when the Forest Service exercises its reserved authority.

(d) *Applicability.* (1) This subpart applies to any hydropower license proceeding for which the license had not been issued as of November 17, 2005, and for which one or more preliminary conditions have been or are filed with FERC before FERC issues the license.

(2) This subpart also applies to any exercise of the Forest Service's reserved authority under paragraph (c) of this section with respect to a hydropower license issued before or after November 17, 2005.

(2) The burden of obtaining the information from the records is substantially the same for all parties;

(3) The answering party specifically identifies the individual records from which the requesting party may obtain the information and where the records are located; and

§1.675 Has OMB approved the information collection provisions of this subpart?

Yes. This subpart contains provisions in §§1.670 through 1.674 that would collect information from the public. It therefore requires approval by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995, 44 U.S.C. 3501 *et seq.* (PRA). According to the PRA, a Federal agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number that indicates OMB approval. OMB has reviewed the information collection in this rule and approved it under OMB control number 1094-0001.

(a) *Time and place.* The hearing shall be held at the time and place established in the notice of hearing. If the Judge subsequently changes the time or place, the Judge shall file a notice of such changes with the hearing clerk, and the Administrator shall give or cause to be given notice in the FEDERAL REGISTER in the same manner as provided in §1.803. If the change in time or place of hearing is made less than five days prior to the date previously established for the hearing, the Judge, either in addition to, or in lieu of, causing the notice of the change to be given, shall announce the change at the time and place previously established for the hearing.

(b) *Appearances—(1) Right to appear.* Any interested person shall be given an opportunity to appear, as a witness, with or without, authorized counsel or representative, and to be heard with respect to matters relevant and material to the proceeding, provided that such interested person complies with §§1.804, 1.807, and any alternative procedures included in the hearing notice pursuant to §1.803. In addition to compliance with any witness instructions set forth in the notice of hearing, any witness who desires to be heard in person at any hearing shall, before proceeding to testify do so under oath or affirmation.

(2) *Appearance with or through counsel or representative.* (i) A witness may appear with counsel or a representative if the witness identifies the counsel or representative in the notification submitted pursuant to §1.804.

(ii) The counsel or representative shall, before proceeding with the witness testimony, state for the record the authority to act as such counsel or representative, and the names, addresses, and occupations of such counsel or representative.

(iii) The witness or his or her counsel or representative shall give such other information respecting the witness' appearance as the Judge may request.

(3) *Debarment of counsel or representative.* (i) Whenever, while a proceeding is pending before the Judge, such Judge finds that a person, acting as counsel or representative for any party or witness, is guilty of unethical or unprofessional conduct, the Judge may order that such person be precluded from further acting as counsel or representative in such proceeding.

(ii) Except as provided in paragraph (b)(3)(iii) of this section, an appeal to the Secretary may be taken from any such order, but the proceeding shall not be delayed or suspended pending disposition of the appeal.

(iii) In case the Judge has ordered that a person be precluded from further action as counsel or representative in the proceeding, the Judge within a reasonable time thereafter shall submit to the Secretary a report of the facts and circumstances surrounding such order and shall recommend what action the Secretary should take respecting the appearance of such person as counsel or representative in other proceedings before the Secretary. Thereafter the Secretary may, after notice and an opportunity for hearing, issue such order respecting the appearance of such person as counsel or representative in proceedings before the Secretary as the Secretary finds to be appropriate.

(4) *Failure to appear.* If any interested person, who complied with §§1.804, 1.807, fails to appear at the hearing, that person shall be deemed to have waived the right to be heard in the proceeding and such failure to appear shall result in the exclusion of that person's written testimony.

(c) *Order of procedure.* (1) The Judge shall, at the opening of the hearing prior to the taking of testimony, note as part of the record the notice of hearing as published in the FEDERAL REGISTER.

(2) Evidence shall then be received with respect to the matters specified in the notice of the hearing in such order as the Judge shall announce.

(d) *Evidence—(1) General.* The hearing shall be publicly conducted, and the testimony given at the hearing shall be reported verbatim.

(i) Every witness shall, before proceeding to testify, be sworn or make an affirmation.

(ii) When necessary, in order to prevent undue prolongation of the hearing, the Judge may:

(A) Limit the number of times any witness may testify to the same matter or the amount of corroborative or cumulative evidence.

(B) Limit cross examination of a witness by time, scope, or as appropriate, provided that the Judge announces the time limit at the beginning of the hearing, prior to the taking of testimony.

(iii) The Judge shall exclude from the record evidence which is immaterial, irrelevant, or unduly repetitious, or which is not of the sort upon which responsible persons are accustomed to rely.

(2) *Objections.* If a party objects to the admission or rejection of any evidence or to any other ruling of the Judge during the hearing, such party shall state briefly the grounds of such objection, whereupon an automatic exception will follow if the objection is overruled by the Judge. The ruling of the Judge on any objection shall be a part of the transcript. Only objections made before the Judge may subsequently be relied upon in the proceeding.

(3) Upon proper motion, the Judge may accept direct testimony submitted pursuant to §1.807 into evidence without a witness reading the direct testimony into evidence. Such direct testimony shall become a part of the record subject to exclusion of irrelevant and immaterial parts thereof. A party shall be deemed to have waived the right to introduce pre-hearing written direct testimony and documents if such party fails to present a witness to introduce those documents. The witness introducing direct testimony and documents shall do so under oath or affirmation and shall:

(i) State his or her name, address and occupation.

(ii) State qualifications for introducing the direct testimony. If an expert, the witness shall briefly state the scientific or technical training which qualifies the witness as an expert.

(iii) Identify the direct testimony and documents previously submitted pursuant to §1.807 of this subpart.

(iv) Submit to direct and cross examination determined to be necessary and appropriate by the Judge.

(4) *Cross examination.* For purposes of this section, the Administrator's or his or her representative's interest shall be considered adverse to all parties. The Judge may:

(i) Require the cross-examiner to outline the intended scope of the cross examination, which shall generally be limited to the scope of the direct testimony.

(ii) Prohibit parties from cross-examining witnesses unless the Judge has determined that the cross-examiner has an adverse interest on the facts at issue to the party or witness.

(iii) Limit the number of times any party or parties having a common interest may cross-examine an adverse witness on the same matter.

(5) *Proof and authentication of official records or documents.* An official record or document, when admissible for any purpose, shall be admissible as evidence without the presence of the person who made or prepared the same. The Judge shall exercise discretion in determining whether an official publication of such record or document shall be necessary, or whether a copy would be permissible. If permissible such a copy shall be attested to by the person having legal custody of it, and accompanied by a certificate that such person has the custody.

(6) *Exhibits.* (i) All written statements, documents, charts, tabulations, or data offered into evidence at the hearing shall, after identification by the witness or his or her counsel or representative and upon satisfactory showing of authenticity, relevancy, and materiality, be numbered as exhibits and received in evidence and made a part of the record.

(ii) Such exhibits shall be submitted in quadruplicate and in documentary form.

(7) *Official notice.* (i) Subject to paragraph (d)(7)(ii) of this section, official notice at the hearing may be taken of such matters as are judicially noticed by the courts of the United States and of any other matter of technical, scientific, or commercial fact of established character.

(ii) Interested persons shall be given an adequate period of time, at the hearing or subsequent to it, of matters so noticed and shall be given adequate opportunity to show that such facts are inaccurate or are erroneously noticed.

(8) *Offer of proof.* (i) Whenever evidence is excluded from the record, the party offering such evidence may make an offer of proof, which shall be included in the transcript.

(ii) The offer of proof shall consist of a brief statement describing the evidence to be offered. If the evidence consists of a brief oral statement, it shall be inserted into the transcript; if the evidence consists of an exhibit(s), it shall be inserted into the record for the purpose of an offer of proof. In such event, it shall be considered a part of the record if the Secretary determines that the Judge's ruling in excluding the evidence was erroneous.

(iii) The Judge shall not allow the insertion of such evidence in toto if the taking of such evidence will consume a considerable length of time at the hearing. In such event, if the Secretary determines that the Judge erred in excluding the evidence, and that such error was substantial, the hearing may be reopened to permit the taking of such evidence.

§1.810 Oral and written arguments.

(a) *Oral argument before the Judge.* Oral argument before the Judge shall be in the discretion of the Judge. Such argument, when permitted, may be limited by the Judge to any extent that the Judge finds necessary for the expeditious disposition of the proceeding and shall be made part of the transcript.

(b) *Briefs, proposed findings, and conclusions.* (1) The Judge shall announce at the hearing a reasonable period of time within which interested persons may file with the hearing clerk proposed findings and conclusions, and written arguments or briefs, based upon the evidence received at the hearing, citing, where practicable, the page or pages of the transcript of the testimony where such evidence appears.

(2) Factual material other than that adduced at the hearing or subject to official notice shall not be alluded to therein, and, in any case, shall not be considered in the formulation of the rule.

(3) If the person filing a brief desires the Secretary to consider any objection made by such person to a ruling of the Judge, as provided in §1.809(d), that person shall include in the brief a concise statement concerning each such objection, referring, where practicable, to the pertinent pages of the transcript.

(2) The Judge shall attach to the original transcript of the testimony a certificate stating that, to the best of the Judge's knowledge and belief, the transcript is a true transcript of the testimony given at the hearing, except in such particulars as the Judge shall specify, and that the exhibits transmitted are all the exhibits as introduced at the hearing with such exceptions as the Judge shall specify. A copy of such certificate shall be attached to each of the copies of the transcript of testimony.

(3) In accordance with such certificate the hearing clerk shall note upon the official record copy, and cause to be noted on other copies of the transcript, each correction detailed therein by adding or crossing out (but without obscuring the text as originally transcribed) at the appropriate place any words necessary to make the same conform to the correct meaning, as certified by the Judge.

(4) The hearing clerk shall obtain and file certifications to the effect that such corrections have been effectuated in copies other than the official record copy.

Thereafter the transcript and exhibits shall be made available by the hearing clerk for examination during official hours of business after prior request and reasonable notice to the hearing clerk.

(b) A copy of the transcripts of the hearing shall be made available to any person at actual cost of duplication.

(3) Such exceptions shall be in writing, shall refer, where practicable, to the related pages of the transcript, and may suggest appropriate changes in the proposed rule.

(d) *Omission of recommended decision.* The procedure provided in this section may be omitted only if the Secretary finds on the basis of the record that due and timely execution of the Secretary's functions imperatively and unavoidably requires such omission.
