TITLE OF INFORMATION COLLECTION: EPA Water Quality Standards Academy Student Course Evaluation

PURPOSE:

The WQS Academy (WQSA) provides technology transfer, training and outreach to WQS professionals associated with the federal, state, tribal and local agencies as well as the private sector. This highly structured training course covers all aspects of the water quality standards regulations, including the technical, scientific, administrative and procedural aspects.

DESCRIPTION OF RESPONDENTS:

TYPE OF COLLECTION: (Check one)

The WQSA classroom academy is the introductory course designed for those with six months to one year experience with water quality standards and criteria programs. However, others may benefit from the course, including veterans of the water quality standards program who want a refresher course. Attendees typically include WQS professionals associated with the federal, state, tribal and local agencies as well as the private sector and various offices within EPA. Registration for the WQSA is open to the public.
