OMB Control Number 2010-0042

Approval Expiration Date: 3/31/21

Request for Approval under the “Generic Clearance for the Collection of Routine Customer Feedback” (OMB Control Number: 2010-0042)

TITLE OF INFORMATION COLLECTION:

Viburnum Trend Lead Haul Roads, Operable Unit 2 – St. Joe Minerals Corp, City of Viburnum Superfund Site Community Survey

This collection of information is approved by OMB under the Paperwork Reduction Act, 44 U.S.C. 3501 et seq. (OMB Control No. 2010-0042). Responses to this collection of information are voluntary. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The public reporting and recordkeeping burden for this collection of information is estimated to be 5 to 10 minutes per response. Send comments on the Agency’s need for this information, the accuracy of the provided burden estimates and any suggested methods for minimizing respondent burden to the Regulatory Support Division Director, U.S. Environmental Protection Agency (2821T), 1200 Pennsylvania Ave., NW, Washington, D.C. 20460. Include the OMB control number in any correspondence. Do not send the completed form to this address.
