SUPPLEMENTARY INFORMATION:

Title: Port Infrastructure Development Program.

OMB Control Number: 2133–NEW.

Type of Request: New Information Collection.

Background: A **Federal Register** Notice with a 60-day comment period soliciting comments on the information collection was published on October 7, 2019. One comment was received in response to the Notice. The commenter recommended that harmful materials not be allowed or permitted to be transferred under this program. In response, the Maritime Administration will implement the program in accordance with the eligibility requirements as provided in the statute.

On February 15, 2019, the President signed the Consolidated Appropriations Act, 2019 (FY 2019 Appropriations Act), and on December 20, 2019 the President signed the Further Consolidated Appropriations Act 2020 (FY 2020 Appropriations Act), to make grants to improve port facilities as authorized under section 50302 of title 46, to be

awarded by the U.S. Department of Transportation (Department) for the Port Infrastructure Development Program (Program). These appropriations acts allow the Department to make discretionary grants to improve port facilities. This Program supports the Department of Transportation (DOT) strategic goal of infrastructure investment to ensure safety and to stimulate economic growth, productivity and competitiveness for American workers and businesses. DOT seeks to work effectively with State, local, Tribal, and private partners to guide investments that stimulate economic growth, improve the condition of transportation infrastructure, and enable the efficient and safe movement of people and goods. To achieve this goal, DOT will provide guidance, technical assistance, and research that leverages Federal funding, accelerates project delivery, reduces project lifecycle costs, and optimizes the operation and performance of existing facilities. By using innovative forms of project delivery, encouraging partnerships between the public and private sectors, and strategically balancing investments across various modes of transportation to promote greater efficiencies, DOT can maximize the returns to the Nation's economy and people.
