Good morning Ms. Joyce,

Following up on the approval status of the above subject collection. If there is anything else needed from MARAD for the approval of the collection, please let me know. I was not able to upload the attachments in ROCIS because the collection was not open for amendments.

Thanks,
Barbara Jackson

Good morning Shannon,

I am doing well.....thank you for taking the time to review the new information collection for PIDP grants. The collection doesn't have a form and/or application. The instructions for applying is in the Federal Register notice which direct applicants to go to Grant.gov (screenshot attached) and to www.maritime.dot.gov/PIDPgrants for specific instructions on applying. I was not able to upload the latest notice dated March 2020 under the supporting documents and the screenshots and web addressed under the forms. The Federal Register for the 2021 grants is pending publication in the Federal Register.

If you need additional information, I can be reached via email or telephone.

Thanks,
Barbara Jackson

Hi Barbara,

I hope you are well. Could you please upload an instrument for this collection? I didn't see one in there.

Thanks!

- Shannon
