

Exhibit D

1. New Financial Data Schedule (FDS) Line item definitions.

Balance Sheet New Line Item Definitions		
Proposed Line No.	Line Item Name	Definition
356	FASB 5 Liabilities	This FDS line item represents amounts charged as a result of accruals for loss contingencies. This line item encompasses most items due to litigation or other amounts not occurring in the normal course of business. It requires accrual by a charge to income (and disclosure) for an estimated loss from a loss contingency if two conditions are met: (a) information available prior to issuance of the financial statements indicates that it is probable that an asset had been impaired or a liability had been incurred at the date of the financial statements, and (b) the amount of loss can be reasonably estimated. The accrual must be for a specified event. Non-specific accruals are not permitted.
357	Accrued Pension and OPEB Liability	This FDS line item represents amounts accrued for pension and other post employment liabilities. This line item represents the actuarial determined liability calculated in accordance with GASB rules in excess of amounts funded for those liabilities. In the event that funded amounts exceed liabilities, the amounts should be recorded as other assets.
