COVID-19 Vaccine Registration for KSC Tier 1 employees

About this Event

In order to maximize vaccine usage, slightly more people have been invited to participate than vaccine available. You will be able to join a waitlist if there are no vaccine appointments remaining so please continue through the process if you would like to receive a vaccine. The waitlist has no guarantee but will be accessed as needed. Thank you for your patience and understanding as we maximize this limited resource.

Important Registration Guidance:

- Click on the orange Select a Date button on this page.
- Select the day of the week that works best for you, then click the orange Register button.
- Select the date and time that you would like to register for and select "1" from the drop down box to the right of that time slot then click the orange Register button.

VERY IMPORTANT: All available dates and times will be displayed, please double check that you are registering for the correct date and time. **ONLY** register for one appointment, if you register for multiple appointments all but one will be cancelled.

- Following successful registration you will receive an email confirmation with additional instructions regarding your appointment.

The Tier One mission essential list was created by direct supervisors and approved by Center Leadership. Appointments are not available for additional employees, family members, or anyone not on the Tier One list at this time.

If you have already received one or more vaccinations from another provider, please disregard the invitation and continue to complete the process with your current provider.

Please be advised that the COVID-19 vaccination process is completely voluntary. No NASA personnel shall be discriminated against nor treated differently in any way based upon vaccination status.

Any personally identifiable information (PII) provided by an employee to the Agency during the vaccination process will be provided to other federal agencies as appropriate (e.g., the Center for Disease Control and Prevention). This information will be stored and transmitted in accordance with all relevant federal regulations (e.g., the Health Insurance Portability and Accountability Act of 1996 (HIPAA)).

For appointment questions, cancellations, and/or changes to your reservation please email ksc_invitations@nasa.gov.

For medical questions about the vaccine process or about the COVID-19 vaccine contact KSC-OL-MEB-COVID-19Vaccination-MedicalQuestions@nasa.gov.
