INSTRUCTIONS FOR VETERAN RAPID RETRAINING ASSISTANCE PROGRAM (VRRAP) PARTICIPATION AND ACKNOWLEDGMENT (*Continued*)

NOTE: By law, a veteran who receives VRRAP benefits and fails to complete the program of education cannot receive additional assistance under VRRAP.

For VRRAP, VA is utilizing the same definition of "employment within the field of study" as used for the VET TEC Program, which includes:

- Traditional employment in a career supported by the completed program of study.
- Promotion in the veteran's current career if the veteran is currently employed in a career supported by the completed program of study.
- Self-employment if the veteran owns or operates a business and is utilizing the skills obtained through the completion of the program of study.
- For the Department to release the final tuition and fees payment, both the veteran and facility will need to certify that the veteran has achieved employment within the field of study.

Non-recovery from Veteran

Educational institutions may not seek payment from an eligible veteran who fails to complete a program and/or fails to find employment in a related field during the 180-day period beginning on the date on which the veteran withdraws from the program of education for any amounts that VA would have paid had the veteran completed the program and/or found such employment within the 180-day period.
