Notice Required by the Paperwork Reduction Act

The information collected in this form is required to be filed by all competitive eligible telecommunications carriers (ETC) receiving legacy high-cost support for mobile wireless services pursuant to sections 54.313(p), 54.322(g), and 54.322(h) of the Federal Communications Commission's (FCC) rules. See 47 CFR §§ 54.313(p), 54.322(g), (h). The FCC will use the information collected in this form to gain a complete understanding of each competitive ETC's current service offerings and how legacy support is being used, confirm the competitive ETC is offering services at reasonably comparable rates, and confirm that if the competitive ETC has availed itself of the geographic flexibility granted by the FCC concerning its use of support within any other designated service area(s) for which it or an affiliated competitive ETC receives legacy support, it is doing so in compliance with the FCC's rules. The FCC estimates that each response to this collection of information will take on average 16 hours. This estimate includes the time to read the instructions, look through existing records, gather and maintain the required information, and actually complete and review the form or response. If you have any comments on this estimate, or on how we can improve the collection and reduce the burden it causes you, please write the Federal Communications Commission, AMD-PERM, Washington, D.C. 20554, Paperwork Reduction Project (3060-XXXX). We will also accept your comments regarding the Paperwork Reduction Act aspects of this collection via the Internet if you send them to PRA@fcc.gov. PLEASE DO NOT SEND COMPLETED LEGACY SUPPORT INITIAL REPORT FORMS TO THIS ADDRESS. You are not required to respond to a collection of information sponsored by the Federal government, and the government may not conduct or sponsor this collection, unless it displays a current valid OMB control number with this notice. This collection has been assigned OMB control number 3060-XXXX.

THE FOREGOING NOTICE IS REQUIRED BY THE PAPERWORK REDUCTION ACT OF 1995, PUBLIC LAW 104-13, OCTOBER 1, 1995, 44 U.S.C. SECTION 3507.
