### I. Introduction

On June 17, 2021, the Postal Service filed a request for an advisory opinion from the Commission regarding planned

changes to the service standards for First-Class Package Service (FCPS).<sup>1</sup> The intended effective date of the Postal Service's planned changes is no earlier than October 1, 2021. Request at 1. The Request was filed pursuant to 39 U.S.C. 3661 and 39 CFR part 3020. Before issuing its advisory opinion, the Commission shall accord an opportunity for a formal, on-the-record hearing pursuant to 5 U.S.C. 556 and 557. 39 U.S.C. 3661(c). This Order provides information on the Postal Service's planned changes, explains and establishes the process for the on-the-record hearing, and lays out the procedural schedule to be followed in this case.

### II. Pre-Filing Issues

On March 23, 2021, the Postal Service published a 10-year strategic plan announcing potential changes intended to achieve financial stability and service excellence.<sup>2</sup> In connection with this publication, on May 25, 2021, the Postal Service also filed a notice of its intent to conduct a pre-filing conference regarding its proposed changes to the service standards for FCPS, which would “generally affect service on a nationwide or substantially nationwide basis.” Notice at 1 (quoting 39 U.S.C. 3661(b)).

On May 26, 2021, the Commission issued Order No. 5900, which established Docket No. N2021–2 to consider the Postal Service's proposed changes, notified the public concerning the Postal Service's pre-filing conference, and appointed a Public Representative.<sup>3</sup> Due to the COVID–19 pandemic, the Postal Service held its pre-filing conference virtually on June 8, 2021, from 1:00 p.m. to 2:00 p.m. Eastern Daylight Time (EDT). See Request at 2. The Postal Service asserts that it completed the pre-filing requirements appearing in 39 CFR 3020.111 and certifies that it has made a good faith effort to address concerns of interested persons about the Postal Service's proposal raised at the pre-filing conference. See *id.*

### III. The Request

#### A. The Postal Service's Planned Changes

The Postal Service states that the existing service standards for FCPS

mirror the existing service standards applied to Market Dominant Single-Piece First-Class Mail (letter- and flat-shaped mailpieces). See Request at 3. The Postal Service's proposed changes for FCPS are similar to the changes proposed for Market Dominant First-Class Mail in Docket N2021–1, because the FCPS service standards would also be adjusted to account for additional drive time between origin and destination processing facilities. See Notice at 2; see also Request at 3. However, the actual service standards that the Postal Service proposes to apply to FCPS would differ from those proposed for First-Class Mail. See *id.* The Postal Service plans for its proposed changes for FCPS to become effective no earlier than October 1, 2021. See Request at 1.

The Postal Service proposes to expand the scope of the existing 2-Day service standard applied to FCPS. See Request at 3. For FCPS within the contiguous United States, the Postal Service proposes to narrow the scope of the existing 3-Day service standard; instead 4-Day and 5-Day service standards would apply to certain FCPS traveling longer distances between origin and destination. See *id.* Overall for FCPS volume within the contiguous United States, the Postal Service projects that approximately 23.6 percent would be subject to the proposed 2-Day service standard; 44.5 percent would be subject to the proposed 3-Day service standard; approximately 17.3 percent would be subject to the proposed 4-Day service standard; and approximately 14.6 percent would be subject to the proposed 5-Day service standard. See *id.* at 4, Figure 1. The Postal Service projects that pharmaceutical volume would experience less impact from the proposed changes than other FCPS volume, estimating that almost all pharmaceutical volume currently subject to the 2-Day service standard and the majority of pharmaceutical volume currently subject to the 3-Day service standard would remain subject to those respective service standards. See *id.* at 5.

Specifically, the Postal Service proposes to apply the following service standards to FCPS.

(Postal Service's Strategic Plan). Further information related to the Postal Service's Strategic Plan is available at <https://about.usps.com/what/strategic-plans/delivering-for-america/>.

<sup>3</sup> Notice and Order Concerning the Postal Service's Pre-Filing Conference, May 26, 2021, at 1–4 (Order No. 5900).

<sup>1</sup> United States Postal Service Request for an Advisory Opinion on Changes in the Nature of Postal Services, June 17, 2021 (Request). FCPS “is a mailing service available for lightweight packages—for retail mailers, the weight of the package cannot exceed 13 ounces; for commercial mailers, the weight of the package cannot exceed

15.999 ounces.” Notice of Pre-Filing Conference, May 25, 2021, at 1, n.1 (Notice).
