ELIGIBILITY

§ 831.641 Division of a survivor annuity.

(a) Except as provided in §§ 831.682 and 831.683, the maximum combined total of all current and former spouse annuities (not including any benefits based on an election of an insurable interest annuity) payable based on the service of a former employee or Member equals 55 percent (or 50 percent if based on a separation before October 11, 1962) of the rate of the self-only annuity that otherwise would have been paid to the employee, Member, or retiree.

(b) By using the elections available under this subpart or to comply with a court order under subpart Q, a survivor annuity may be divided into a combination of former spouse annuities and a current spouse annuity so long as the aggregate total of current and former spouse annuities does not exceed the maximum limitation in paragraph (a) of this section.

(c) Upon termination of former spouse annuity payments because of death or remarriage of the former

spouse, or by operation of a court order, the current spouse will be entitled to a current spouse annuity or an increased current spouse annuity if—

(1) The employee or Member died while employed in a position covered under CSRS; or

(2) The current spouse was married to the employee or Member continuously from the time of retirement and did not consent to an election not to provide a current spouse annuity; or

(3) The current spouse married a retiree after retirement and the retiree elected, under § 831.631, to provide a current spouse annuity for that spouse in the event that the former spouse annuity payments terminate.

[50 FR 20070, May 13, 1985, as amended at 51 FR 31933, Sept. 8, 1986; 58 FR 52881, Oct. 13, 1993. Redesignated at 58 FR 52282, Oct. 13, 1993]

§ 831.642 Marriage duration requirements.

(a) The surviving spouse of a retiree who retired on or after May 7, 1985, or of a retiree who retired before May 7, 1985, but married that surviving spouse on or after November 8, 1984, or of an employee or Member who dies while serving in a position covered by CSRS on or after May 7, 1985, or of an employee or Member who died while serving in a position covered by CSRS before May 7, 1985, but married that surviving spouse on or after November 8, 1984, can qualify for a current spouse annuity only if—

(1) The surviving spouse and the employee, Member, or retiree had been married for at least 9 months, as explained in paragraph (b) of this section; or

(2) A child was born of the marriage, as explained in paragraph (c) of this section; or

(3) The death of the employee, Member, or retiree was accidental as explained in paragraph (d) of this section.

(b) For satisfying the 9-month marriage requirement of paragraph (a)(1) of this section, the aggregate time of all marriages between the spouse applying for a current spouse annuity and the employee, Member, or retiree is included.

(c) For satisfying the child-born-of-the-marriage requirement of paragraph

(a)(2) of this section, any child, including a posthumous child, born to the spouse and the employee, Member, or retiree is included. This includes a child born out of wedlock or of a prior marriage between the same parties.

(d)(1) A death is accidental if it results from homicide or from bodily injuries incurred solely through violent, external, and accidental means. The term "accidental" does not include a death—

(i) Caused wholly or partially, directly or indirectly, by disease or bodily or mental infirmity, or by medical or surgical treatment or diagnosis thereof; or

(ii) Caused wholly or partially, directly, or indirectly, by ptomaine, by bacterial infection, except only septic infection of and through a visible wound sustained solely through violent, external, and accidental means; or

(iii) Caused wholly or partially, directly or indirectly, by hernia, no matter how or when sustained; or

(iv) Caused by or the result of intentional self-destruction or intentionally self-inflicted injury, while sane or insane; or

(v) Caused by or as a result of the self-administration or illegal or illegally obtained drugs.

(2) A State judicial or administrative adjudication of the cause of death for criminal or insurance purposes is conclusive evidence of whether a death is accidental.

(3) A death certificate showing the cause of death as accident or homicide is *prima facie* evidence that the death was accidental.

(a) A survivor of a deceased employee, Member, or retiree, may file an application for annuity, personally or through a representative, at any time within 30 years after the death of the employee, Member, or retiree.

(b) A former spouse claiming eligibility for an annuity based on § 831.683 may file an application at any time be-

tween November 8, 1984 and May 7, 1989. Within this period, the date that the first correspondence indicating a desire to file a claim is received by OPM will be treated as the application date for meeting timeliness deadlines and determining the commencing date of the survivor annuity under § 831.683 if the former spouse is eligible on that date.

§ 831.644 Remarriage.

(a)(1) If a recipient of a current spouse annuity remarried before November 8, 1984, the current spouse annuity terminates on the last day of the month before the recipient remarried before attaining age 60.

(2) If a recipient of a current spouse annuity remarries on or after November 8, 1984, a current spouse annuity terminates on the last day of the month before the recipient remarries before attaining age 55.

(b) A former spouse annuity or eligibility for a future former spouse annuity terminates on the last day of the month before the month in which the former spouse remarries before attaining age 55.

(c) If a current spouse annuity is terminated because of remarriage of the recipient, the annuity is reinstated on the day of the termination of the remarriage by death, annulment, or divorce if—

(1) The surviving spouse elects to receive this annuity instead of a survivor benefit to which he or she may be entitled, under CSRS or another retirement system for Government employees, by reason of the remarriage; and

(2) Any lump sum paid on termination of the annuity is repaid (in a single payment or by withholding payment of the annuity until the amount of the lump sum has accrued).

(d) (1) If present or future entitlement to a former spouse annuity is terminated because of remarriage before age 55, the entitlement will not be reinstated upon termination of the remarriage by death or divorce.

(2) If present or future entitlement to a former spouse annuity is terminated because of remarriage before age 55, the entitlement will not be reinstated

§ 831.645

upon annulment of the remarriage unless—

(i) The decree of annulment states that the marriage is without legal effect retroactively from the marriage's inception; and

(ii) The former spouse's entitlement is based on section 4(b)(1)(B) or section 4(b)(4) of Pub. L. 98-615.

(3) If a retiree who is receiving a reduced annuity to provide a former spouse annuity and who has remarried that former spouse (before the former spouse attained age 55) dies, the retiree will be deemed to have elected to continue the reduction to provide a current spouse annuity unless the retiree requests (or has requested) in writing that OPM terminate the reduction.

§ 831.645 Elections between survivor annuities.

(a) A current spouse annuity cannot be reinstated under § 831.644 unless—

(1) The surviving spouse elects to receive the reinstated current spouse annuity instead of any other payments (except any accrued but unpaid annuity and any unpaid employee contributions) to which he or she may be entitled under CSRS, or any other retirement system for Government employees, by reason of the remarriage; and

(2) Any lump sum paid on termination of the annuity is returned to the Civil Service Retirement and Disability Fund.

(b) A current spouse is entitled to a current spouse annuity based on an election under § 831.631 only upon electing this current spouse annuity instead of any other payments (except any accrued but unpaid annuity and any unpaid employee contributions) to which he or she may be entitled under CSRS, or any other retirement system for Government employees.

(c) A former spouse who marries a retiree is entitled to a former spouse annuity based on an election by that retiree under § 831.632, or § 831.682, or a qualifying court order terminating that marriage to that retiree only upon electing this former spouse annuity instead of any other payments (except

PAYMENT OF SURVIVOR ANNUITIES

§ 831.651 Commencing and terminating dates of survivor annuities.

(a) Except as provided in paragraph (b) of this section, current spouse annuities, former spouse annuities, children's survivor annuities, and survivor annuities for beneficiaries of insurable interest annuities under CSRS begin to accrue on the day after death of the employee, Member, or retiree.

(b)(1) A current spouse annuity begins to accrue—

(i) Upon attainment of age 50 when, under section 12 of the Civil Service Retirement Act Amendments of February 29, 1948, the annuity is deferred until age 50; or

(ii) Upon OPM's receipt of a claim for an annuity authorized for unremarried widows and widowers by section 2 of the Civil Service Retirement Act Amendments of June 25, 1958, 72 Stat. 218.

(2) A former spouse annuity begins to accrue—

(i) For annuities under § 831.683, on the later of the day after date of death of the retiree or the first day of the second month after the date the application for annuity is received in OPM; or

(ii) For annuities when a former spouse annuity is authorized by court order under section 8341(h) of title 5, United States Code, on the later of the day after the date of death of the employee, Member, or retiree or the first day of the second month after the court order awarding the former spouse annuity and the supporting documentation required by § 838.721 or

§ 838.1005 of this chapter are received in OPM.

(c) A survivor annuity terminates at the end of the month preceding death or any other terminating event.

(d) A current spouse annuity terminated for reasons other than death may be restored under conditions defined in sections 8341(e)(2) and 8341(g) of title 5, United States Code.

(e) A survivor annuity accrues on a daily basis, one-thirtieth of the monthly rate constituting the daily rate. An annuity does not accrue for the 31st day of any month, except in the initial month if the survivor's (of a deceased employee) annuity commences on the 31st day. For accrual purposes, the last day of a 28-day month constitutes 3 days and the last day of a 29-day month constitutes 2 days.

(f) Initial cost-of-living increases on current and former spouse annuities, and annuities to beneficiaries of insurable interest annuities are prorated under section 8340(c) of title 5, United States Code.

They are subject to reconsideration only to determine whether the amount has been correctly computed.

paid if the additional annuity reduction elected under § 831.622 or § 831.685 had been in effect since the time of retirement, plus 24.5 percent of the increase in the designated base (computed as of the time of retirement) on which the survivor annuity is calculated.

§ 831.663 Actuarial reduction in annuity of retirees who make post-retirement elections to provide a current spouse annuity or a former spouse annuity.

(a) *Applicability of this section.* This section applies to all retirees who are required to pay deposits under § 831.631 or § 831.632 and have not paid any portion of the deposit prior to October 1, 1993, or from annuity accruing before that date.

(b) *Other methods of payment not available.* Retirees described in paragraph (a) of this section must have a permanent annuity reduction computed under paragraph (d) of this section.

(c) *Commencing date of the reduction.* A reduction under this section commences on the same date as the annuity reduction under § 831.631 or § 831.632.

(d) *Computing the amount of the reduction.* The annuity reduction under this section is equal to the lesser of—

(1) The amount of the deposit under § 831.631 or § 831.632 divided by the present value factor for the retiree's age on the commencing date of the reduction under paragraph (c) of this section (plus any previous reduction(s) in the retiree's annuity required under this section § 831.664); or

(2) Twenty-five percent of the rate of the retiree's self-only annuity on the commencing date of the reduction under paragraph (c) of this section.

(e) *Termination of the reduction.* (1) The reduction under this section terminates on the date that the retiree dies.

(2) If payment of a retiree's annuity is suspended or terminated and later reinstated, or if a new annuity becomes payable, OPM will increase the amount of the original reduction computed under paragraph (d) of this section by any cost-of-living adjustments under section 8340 of title 5, United States

Office of Personnel Management

§ 842.611

(4) If a retiree makes an election under paragraph (b)(1) of this section and is prevented from paying the deposit within the 18-month time limit because OPM did not send him or her a notice of the amount of the deposit at least 30 days before the time limit expires, the time limit for making the deposit will be extended 30 days after OPM sends the notice of the amount of the deposit.

(5) An election under paragraph (b)(1) of this section cancels any spousal consent under § 842.603.

(6) An election under paragraph (b)(1) of this section is void unless filed with OPM before the retiree dies.

(7) If a retiree who had elected a fully reduced annuity or a one-half reduced annuity to provide a former spouse annuity (or annuities) makes an election under paragraph (b)(1) of this section which would cause the combined current spouse annuity and former spouse annuity (or annuities) to exceed the maximum allowed under § 842.613, the former spouse annuity (or annuities) must be reduced to not exceed the maximum allowable under § 842.613.

[52 FR 2061, Jan. 16, 1987, as amended at 56 FR 65419, Dec. 17, 1991; 57 FR 54680, Nov. 20, 1992]

§ 842.611 Post-retirement election of a fully reduced annuity or one-half reduced annuity to provide a former spouse annuity.

(a) Except as provided in paragraphs (b) and (c) of this section, when a retiree's marriage terminates after retirement, the retiree may elect in writing a fully reduced annuity or a one-half reduced annuity to provide a former spouse annuity. Such an election must be filed with OPM within 2 years after the retiree's marriage to the former spouse terminates.

(b)(1) Qualifying court orders prevent payment of former spouse annuities to the extent necessary to comply with the court order and § 842.613.

(2) A retiree who elects a fully reduced annuity or a one-half reduced annuity to provide a former spouse annuity may not elect to provide a former spouse annuity in an amount that either—

(i) Is smaller than the amount required by a qualifying court order; or

(ii) Would cause the sum of all current and former spouse annuities based on a retiree's elections under §§ 842.603, 842.604, 842.612 and this section to exceed the maximum allowed under § 842.613.

(3) An election under this section is void—

(i) In the case of a married retiree, if the current spouse does not consent to the election on a form as described in § 842.606(c) and spousal consent is not waived by OPM in accordance with § 842.607; or

(ii) To the extent that it provides a former spouse annuity for the spouse who was married to the retiree at the time of retirement in an amount that is inconsistent with any joint designation or waiver made at the time of retirement under § 842.603(a)(1) or (a)(2).

(c) An election under this section is not permitted unless the retiree agrees to deposit the amount equal to the difference between the amount of annuity actually paid to the retiree and the amount of annuity that would have been paid if the reduction elected under paragraph (a) of this section had been in effect continuously since the time of retirement, plus 6 percent annual interest (computed under § 841.107 of this chapter) from the date when each difference occurred.

(d) Any reduction in an annuity to provide a former spouse annuity will terminate on the first day of the month after the former spouse remarries before age 55 or dies, or the former spouse's eligibility for a former spouse annuity terminates under the terms of a qualifying court order, unless—

(1) The retiree elects, within 2 years after the event causing the former spouse to lose eligibility, to continue the reduction to provide or increase a former spouse annuity for another former spouse, or to provide or increase a current spouse annuity; or

(2) A qualifying court order requires the retiree to provide another former spouse annuity.

(e) The amount of the reduction to provide one or more former spouse annuities or a combination of a current spouse annuity and one or more former spouse annuities under this section equals—

§ 842.612

5 CFR Ch. I (1–1–14 Edition)

(1) Ten percent of the employee's or Member's annuity if the employee or Member elects a fully reduced annuity; or

(2) Five percent of the employee's or Member's annuity if the employee or Member elects a one-half reduced annuity.

§ 842.612 Post-retirement election of a fully reduced annuity or one-half reduced annuity to provide a current spouse annuity.

(a) Except as provided in paragraph (c) of this section, a retiree who was unmarried at the time of retirement may elect, within 2 years after a post-retirement marriage, a fully reduced annuity or a one-half reduced annuity to provide a current spouse annuity.

(b) Except as provided in paragraph (c) of this section, a retiree who was married at the time of retirement may elect, within 2 years after a post-retirement marriage—

(1) A fully reduced annuity or a one-half reduced annuity to provide a current spouse annuity if—

(i) The retiree was awarded a fully reduced annuity under § 842.603 at the time of retirement; or

(ii) The election at the time of retirement was made with a waiver of spousal consent in accordance with § 842.607; or

(iii) The marriage at the time of retirement was to a person other than the spouse who would receive a current spouse annuity based on the post-retirement election; or

(2) A one-half reduced annuity to provide a current spouse annuity if—

(i) The retiree elected a one-half reduced annuity under § 842.606 at the time of retirement;

(ii) The election at the time of retirement was made with spousal consent in accordance with § 842.606; and

(iii) The marriage at the time of retirement was to the same person who would receive a current spouse annuity based on the post-retirement election.

(c)(1) Qualifying court orders prevent payment of current spouse annuities to the extent necessary to comply with the court order and § 842.613.

(2) If an election under this section causes the total of all current and former spouse annuities provided by a qualifying court order or elected under § 842.604, § 842.611, or this section to exceed the maximum survivor annuity permitted under § 842.613, OPM will accept the election but will pay the portion in excess of the maximum only when permitted by § 842.613(c).

(d)(1) Except as provided in paragraph (d)(2) or (e)(3) of this section, a retiree making an election under this section must deposit an amount equal to the difference between the amount of annuity actually paid to the retiree and the amount of annuity that would have been paid if the reduction elected under paragraphs (a) or (b) of this section had been in effect continuously since the time of retirement, plus 6 percent annual interest, computed under § 841.606 of this chapter, from the date when each difference occurred.

(2) An election under this section may be made without deposit, if that election prospectively voids an election of an insurable interest annuity.

(e)(1) An election under this section is irrevocable when received by OPM.

(2) An election under this section is effective when the marriage duration requirements of § 843.303 of this chapter are satisfied.

(3) If an election under paragraph (a) or (b) of this section does not become effective, no deposit under paragraph (d) of this section is required.

(4) If payment of the deposit under paragraph (d) of this section is not required because the election never became effective and if some or all of the deposit has been paid, the amount paid will be returned to the retiree, or, if the retiree has died, to the person who would be entitled to any lump-sum benefits under the order of precedence in section 8424 of title 5, United States Code.

(f) Any reduction in an annuity to provide a current spouse annuity will terminate effective on the first day of the month after the marriage to the current spouse ends, unless—

(1) The retiree elects, within 2 years after a divorce terminates the marriage, to continue the reduction to provide for a former spouse annuity; or

Office of Personnel Management

§ 842.615

(2) A qualifying court order requires the retiree to provide a former spouse annuity.

(g) The amount of the reduction to provide a current spouse annuity under this section equals—

(1) Ten percent of the employee's or Member's annuity if the employee or Member elects a fully reduced annuity; or

(2) Five percent of the employee's or Member's annuity if the employee or Member elects a one-half reduced annuity.

(h) If a retiree who is receiving a reduced annuity to provide a former spouse annuity and who has remarried that former spouse (before the former spouse attained age 55) dies, the retiree will be deemed to have elected to continue the reduction to provide a current spouse annuity unless the retiree requests (or has requested) in writing that OPM terminate the reduction.

[57 FR 54680, Nov. 20, 1992, as amended at 60 FR 14202, Mar. 16, 1995]

§ 842.613 Division of a survivor annuity.

(a) The maximum combined total of all current and former spouse annuities (not including any benefits based on an election of an insurable interest rate) payable based on the service of a former employee or Member equals 50 percent of the rate of the self-only annuity that otherwise would have been paid to the employee, Member, or retiree.

(b) By using the elections available under this subpart or to comply with a court order under subpart I of part 841 of this chapter, a survivor annuity may be divided into a combination of former spouse annuities and a current spouse annuity so long as the aggregate total of the current and former spouse annuities does not exceed the maximum limitation in paragraph (a) of this section.

(c) Upon termination of former spouse annuity payments because of death or remarriage of the former spouse, or by operation of a court order, the current spouse will be entitled to a current spouse annuity or an increased current spouse annuity if—

(1) The employee or Member died while employed in a position covered under FERS; or

(2) The current spouse was married to the employee or Member continuously from the time of retirement and did not consent to an election not to provide a current spouse annuity; or

(3) The current spouse married a retiree after retirement and the retiree elected, under § 842.612, to provide a current spouse annuity for that spouse in the event that the former spouse annuity payments terminate.

§ 842.614 Computation of partial annuity reduction.

If a court order or the death of a current or former spouse results in providing less than the maximum permitted survivor reduction under § 842.613, the reduction in the employee's annuity will be 10 percent of the amount of the employee's annuity on which the survivor benefits will be computed (called the "base").

§ 842.615 Deposits required.

(a) The deposits required to elect reduced annuities under §§ 842.610, 842.611, and 842.612 are not annuity overpayments and their collection is not subject to waiver.

(b) *Actuarial reduction in annuity of retirees who make post-retirement elections to provide a current spouse annuity or a former spouse annuity.* (1) The annuity reduction required by paragraph (b)(2) of this section applies to all retirees who are required to pay deposits under § 842.611 or § 842.612 and have not paid any portion of the deposit prior to October 1, 1993, or from annuity accruing before that date.

(2) Retirees described in paragraph (b)(1) of this section must have a permanent annuity reduction computed under paragraph (b)(4) of this section.

(3) A reduction under paragraph (b)(2) of this section commences on the same date as the annuity reduction under § 842.611 or § 842.612.

(4) The annuity reduction under paragraph (b)(2) of this section is equal to the lesser of—

(i) The amount of the deposit under § 842.611 or § 842.612 divided by the present value factor for the retiree's

event that the former spouse is entitled to less than 55 percent of the employee or Member's annuity) is reduced as provided in paragraph (4) of this subsection.

(3) An employee or Member who has a former spouse may elect, under procedures prescribed by the Office, to have the annuity computed under subsections (a)-(i), (n), (q), (r), and (s) or a portion thereof reduced as provided in paragraph (4) of this subsection in order to provide a survivor annuity for such former spouse under section 8341(h) of this title, unless all rights to survivor benefits for such former spouse under this subchapter based on marriage to such employee or Member were waived under paragraph (1) of this subsection. An election under this paragraph shall be made at the time of retirement or, if later, within 2 years after the date on which the marriage of the former spouse to the employee or Member is dissolved, subject to a deposit in the Fund by the retired employee or Member of an amount determined by the Office, as nearly as may be administratively feasible, to reflect the amount by which the annuity of such employee or Member would have been reduced if the election had been continuously in effect since the date the annuity commenced, plus interest. For the purposes of the preceding sentence, the annual rate of interest for each year during which the annuity would have been reduced if the election had been in effect since the date the annuity commenced shall be 6 percent. The Office shall, by regulation, provide for payment of the deposit required under this paragraph by a reduction in the annuity of the employee or Member. The reduction shall, to the extent practicable, be designed so that the present value of the future reduction is actuarially equivalent to the deposit required under this paragraph, except that the total reductions in the annuity of an employee or Member to pay deposits required by the provisions of this paragraph, paragraph (5), or subsection (k)(2) shall not exceed 25 percent of the annuity computed under subsections (a) through (i), (n), (q), and (r), including adjustments under section 8340. The reduction, which shall be effective on the same date as the election under this paragraph, shall be permanent and unaffected by any future termination of the entitlement of the former spouse. Such reduction shall be independent of and in addition to the reduction required under the first sentence of this paragraph. An election under this paragraph—

(A) shall not be effective to the extent that it—

(i) conflicts with—

(I) any court order or decree referred to in subsection (h)(1) of section 8341 of this title, which was issued before the date of such election; or

(II) any agreement referred to in such subsection which was entered into before such date; or

(ii) would cause the total of survivor annuities payable under subsections (b), (d), (f), and (h) of section 8341 of this title based on the service of the employee or Member to exceed 55 percent of the annuity to which the employee or Member is entitled under subsections (a)-(i), (n), (q), (r), and (s); and

(B) shall not be effective, in the case of an employee or Member who is then married, unless it is made with the spouse's written consent.

The Office shall provide by regulation that subparagraph (B) of this paragraph may be waived for either of the reasons set forth in the last sentence of paragraph (1) of this subsection. In the case of a retired employee or Member whose annuity is being reduced in order to provide a survivor annuity for a former spouse, an election to provide or increase a survivor annuity for any other former spouse (and to continue an appropriate reduction) may be made within the same period that, and subject to the same conditions under which, an election could be made under paragraph (5)(B) of this subsection for a current spouse (subject to the provisions of this paragraph relating to consent of a current spouse, if the retired employee or Member is then married). The opportunity to make an election under the preceding sentence is in addition to any opportunity otherwise afforded under this paragraph.

(4) In order to provide a survivor annuity or combination of survivor annuities under subsections (b), (d), (f), and (h) of section 8341 of this title, the annuity of an employee or Member (or any designated portion or portions thereof) is reduced by 2½ percent of the first \$3,600 thereof plus 10 percent of so much thereof as exceeds \$3,600.

(5)(A) Any reduction in an annuity for the purpose of providing a survivor annuity for the current spouse of a retired employee or Member shall be terminated for each full month—

(i) after the death of the spouse, or

(ii) after the dissolution of the spouse's marriage to the employee or Member, except that an appropriate reduction shall be made thereafter if the spouse is entitled, as a former spouse, to a survivor annuity under section 8341(h) of this title.

(B) Any reduction in an annuity for the purpose of providing a survivor annuity for a former spouse of a retired employee or Member shall be terminated for each full month after the former spouse remarries before reaching age 55 or dies. This reduction shall be replaced by an appropriate reduction or reductions under paragraph (4) of this subsection if the retired employee or Member has (i) another former spouse who is entitled to a survivor annuity under section 8341(h) of this title, (ii) a current spouse to whom the employee or Member was married at the time of retirement and with respect to whom a survivor annuity was not jointly waived under paragraph (1) of this subsection, or (iii) a current spouse whom the employee or Member married after retirement and with respect to whom an election has been made under subparagraph (C) of this paragraph or subsection (k)(2) of this section.

(C)(i) Upon remarriage, a retired employee or Member who was married at the time of retirement (including an employee or Member whose annuity was not reduced to provide a survivor annuity for the employee or Member's spouse or former spouse as of the time of retirement) may irrevocably elect during such marriage, in a

signed writing received by the Office within 2 years after such remarriage or, if later, within 2 years after the death or remarriage of any former spouse of such employee or Member who was entitled to a survivor annuity under section 8341(h) of this title (or of the last such surviving former spouse, if there was more than one), a reduction in the employee or Member's annuity under paragraph (4) of this subsection for the purpose of providing an annuity for such employee or Member's spouse in the event such spouse survives the employee or Member.

(ii) Such election and reduction shall be effective the first day of the second month after the election is received by the Office, but not less than 9 months after the date of the remarriage, and the retired employee or Member shall deposit in the Fund an amount determined by the Office of Personnel Management, as nearly as may be administratively feasible, to reflect the amount by which the annuity of such retired employee or Member would have been reduced if the election had been in effect since the date of retirement or, if later, the date the previous reduction in such retired employee or Member's annuity was terminated under subparagraph (A) or (B) of this paragraph, plus interest. For the purposes of the preceding sentence, the annual rate of interest for each year during which an annuity would have been reduced if the election had been in effect on and after the applicable date referred to in such sentence shall be 6 percent.

(iii) The Office shall, by regulation, provide for payment of the deposit required under clause (ii) by a reduction in the annuity of the employee or Member. The reduction shall, to the extent practicable, be designed so that the present value of the future reduction is actuarially equivalent to the deposit required under clause (ii), except that total reductions in the annuity of an employee or Member to pay deposits required by the provisions of this paragraph or paragraph (3) shall not exceed 25 percent of the annuity computed under subsections (a) through (i), (n), (q), and (r), including adjustments under section 8340. The reduction required by this clause, which shall be effective on the same date as the election under clause (i), shall be permanent and unaffected by any future termination of the marriage. Such reduction shall be independent of and in addition to the reduction required under clause (i).

(iv) Notwithstanding any other provision of this subparagraph, an election under this subparagraph may not be made for the purpose of providing an annuity in the case of a spouse by remarriage if such spouse was married to the employee or Member at the time of such employee or Member's retirement, and all rights to survivor benefits for such spouse under this chapter based on marriage to such employee or Member were then waived under paragraph (1) of this subsection or a similar prior provision of law.

(v) An election to provide a survivor annuity to a person under this subparagraph—

(I) shall prospectively void any election made by the employee or Member under subsection (k)(1) of this section with respect to such person; or

(II) shall, if an election was made by the employee or Member under such subsection (k)(1) with respect to a different person, prospectively void such election if appropriate written application is made by such employee or Member at the time of making the election under this subparagraph.

(vi) The deposit provisions of clauses (ii) and (iii) of this subparagraph shall not apply if—

(I) the employee or Member makes an election under this subparagraph after having made an election under subsection (k)(1) of this section; and

(II) the election under such subsection (k)(1) becomes void under clause (v) of this subparagraph.

(k)(1) At the time of retiring under section 8336 or 8338 of this title, an employee or Member who is found to be in good health by the Office may elect a reduced annuity instead of an annuity computed under subsections (a)–(i), (n), (q), (r), and (s) and name in writing an individual having an insurable interest in the employee or Member to receive an annuity under section 8341(c) of this title after the death of the retired employee or Member. The annuity of the employee or Member making the election is reduced by 10 percent, and by 5 percent for each full 5 years the individual named is younger than the retiring employee or Member. However, the total reduction may not exceed 40 percent. An annuity which is reduced under this paragraph or any similar prior provision of law shall, effective the first day of the month following the death of the individual named under this paragraph, be recomputed and paid as if the annuity had not been so reduced. In the case of a married employee or Member, an election under this paragraph on behalf of the spouse may be made only if any right of such spouse to a survivor annuity based on the service of such employee or Member is waived in accordance with subsection (j)(1) of this section.

(2)(A) An employee or Member, who is unmarried at the time of retiring under a provision of law which permits election of a reduced annuity with a survivor annuity payable to such employee or Member's spouse and who later marries, may irrevocably elect, in a signed writing received in the Office within 2 years after such employee or Member marries or, if later, within 2 years after the death or remarriage of any former spouse of such employee or Member who was entitled to a survivor annuity under section 8341(h) of this title (or of the last such surviving former spouse, if there was more than one), a reduction in the retired employee or Member's current annuity as provided in subsection (j) of this section.

(B)(i) The election and reduction shall take effect on the first day of the first month beginning after the expiration of the 9-month period beginning on the date of marriage. Any such election to provide a survivor annuity for a person—

(I) shall prospectively void any election made by the employee or Member under paragraph (1) of this subsection with respect to such person; or

(II) shall, if an election was made by the employee or Member under such paragraph with

may, during the 18-month period beginning on such date, elect to have a reduction made under section 8419 in order to provide a survivor annuity under section 8442 for such spouse.

(2)(A) An election under this subsection shall not be effective unless the amount described in subparagraph (B) is deposited into the Fund before the expiration of the 18-month period referred to in paragraph (1).

(B) The amount to be deposited under this subparagraph is equal to the sum of—

- (i) the difference (for the period between the date on which the annuity of the former employee or Member commences and the date on which reductions pursuant to the election under this subsection commence) between the amount paid to the former employee or Member from the Fund under this chapter and the amount which would have been paid if such election had been made at the time of retirement; and
- (ii) the costs associated with providing for the election under this subsection.

The amount to be deposited under clause (i) shall include interest, computed at the rate of 6 percent a year.

(3) An annuity which is reduced pursuant to an election by a former employee or Member under this subsection shall be reduced by the same percentage as was in effect under section 8419 as of the date of the employee's or Member's retirement.

(4) Rights and obligations under this chapter resulting from an election under this subsection shall be the same as the rights and obligations which would have resulted had the election been made at the time of retirement.

(5) The Office shall inform each employee and Member who is eligible to make an election under this subsection of the right to make such election and the procedures and deadlines applicable in making any such election.

(Added Pub. L. 99-335, title I, §101(a), June 6, 1986, 100 Stat. 528.)

§ 8417. Survivor reduction for a former spouse

(a) If an employee or Member has a former spouse who is entitled to a survivor annuity as provided in section 8445, the reduction described in section 8419(a) shall be made.

(b)(1) An employee or Member who has a former spouse may elect, under procedures prescribed by the Office, a reduction in the annuity of the employee or Member under section 8419(a) in order to provide a survivor annuity for such former spouse under section 8445.

(2) An election under this subsection shall be made at the time of retirement or, if the marriage is dissolved after the date of retirement, within 2 years after the date on which the marriage of the former spouse to the employee or Member is so dissolved.

(3) An election under this subsection—

(A) shall not be effective to the extent that it—

(i) conflicts with—

(I) any court order or decree referred to in section 8445(a) which was issued before the date of such election; or

(II) any agreement referred to in such section 8445(a) which was entered into before such date; or

(ii) would cause the total of survivor annuities payable under sections 8442 and 8445, respectively, based on the service of the employee or Member to exceed the amount which would be payable to a widow or widower of such employee or Member under such section 8442 (determined without regard to any reduction to provide for an annuity under such section 8445); and

(B) shall not be effective, in the case of an employee or Member who is then married, unless it is made with the spouse's written consent.

The Office shall by regulation provide that subparagraph (B) may be waived for either of the reasons set forth in section 8416(a)(2).

(Added Pub. L. 99-335, title I, §101(a), June 6, 1986, 100 Stat. 530.)

§ 8418. Survivor elections; deposit; offsets

(a)(1) An individual who makes an election under subsection (b) or (c) of section 8416 or section 8417(b) which is required to be made within 2 years after the date of a prescribed event shall deposit into the Fund an amount determined by the Office (as nearly as may be administratively feasible) to reflect the amount by which the annuity of such individual would have been reduced if the election had been in effect since the date of retirement (or, if later, and in the case of an election under such section 8416(b), since the date the previous reduction in the annuity of such individual was terminated under paragraph (1) or (2) of section 8419(b)), plus interest.

(2) Interest under paragraph (1) shall be computed at the rate of 6 percent a year.

(b) The Office shall, by regulation, provide for payment of the deposit required under subsection (a) by a reduction in the annuity of the employee or Member. The reduction shall, to the extent practicable, be designed so that the present value of the future reduction is actuarially equivalent to the deposit required under subsection (a), except that the total reductions in the annuity of an employee or Member to pay deposits required by this section shall not exceed 25 percent of the annuity computed under section 8415 or section 8452, including adjustments under section 8462. The reduction required by this subsection, which shall be effective at the same time as the election under section 8416(b) and (c) or section 8417(b), shall be permanent and unaffected by any future termination of the marriage or the entitlement of the former spouse. Such reduction shall be independent of and in addition to the reduction required under section 8416(b) and (c) or section 8417(b).

(c) Subsections (a) and (b) shall not apply if—

(1) the employee or Member makes an election under section 8416(b) or (c) after having made an election under section 8420; and

(2) the election under such section 8420 becomes void under subsection (b)(3) or (c)(2) of such section 8416.

(d) The Office shall prescribe regulations under which the survivor of an employee or Member may make a deposit under this section.

§ 8419. Survivor reductions; computation

(a)(1) Except as provided in paragraph (2), the annuity of an annuitant computed under section 8415, or under section 8452 (including subsection (a)(2) of such section, if applicable) or one-half of the annuity, if jointly designated for this purpose by the employee or Member and the spouse of the employee or Member under procedures prescribed by the Office of Personnel Management, shall be reduced by 10 percent if a survivor annuity, or a combination of survivor annuities, under section 8442 or 8445 (or both) are to be provided for.

(2)(A) If no survivor annuity under section 8442 is to be provided for, but one or more survivor annuities under section 8445 involving a total of less than the entirety of the amount referred to in subsection (b)(2) of such section are to be provided for, the annuity of the annuitant involved (as computed under section 8415, or under section 8452 (including subsection (a)(2) of such section, if applicable)) or one-half of the annuity, if jointly designated for this purpose by the employee or Member and the spouse of the employee or Member under procedures prescribed by the Office of Personnel Management, shall be reduced by an appropriate percentage determined under subparagraph (B).

(B) The Office shall prescribe regulations under which an appropriate reduction under this paragraph, not to exceed a total of 10 percent, shall be made.

(b)(1) Any reduction in an annuity for the purpose of providing a survivor annuity for the current spouse of a retired employee or Member shall be terminated for each full month—

(B) after the dissolution of the spouse’s marriage to the employee or Member, except that an appropriate reduction shall be made thereafter if the spouse is entitled, as a former spouse, to a survivor annuity under section 8445.

(2) Any reduction in an annuity for the purpose of providing a survivor annuity for a former spouse of a retired employee or Member shall be terminated for each full month after the former spouse remarries before reaching age 55 or dies. This reduction shall be replaced by ap-

(A) another former spouse who is entitled to a survivor annuity under section 8445;

(B) a current spouse to whom the employee or Member was married at the time of retirement and with respect to whom a survivor annuity was not waived under section 8416(a) (or, if waived, with respect to whom an election under section 8416(d) has been made); or

(C) a current spouse whom the employee or Member married after retirement and with respect to whom an election has been made under subsection (b) or (c) of section 8416.

AMENDMENTS

1988—Subsec. (a)(1), (2)(A). Pub. L. 100-238 inserted “or one-half of the annuity, if jointly designated for this purpose by the employee or Member and the spouse of the employee or Member under procedures prescribed by the Office of Personnel Management” before “, shall be reduced”.

§ 8420. Insurable interest reductions

(a)(1) At the time of retiring under section 8412, 8413, or 8414, an employee or Member who is found to be in good health by the Office may elect to have such employee’s or Member’s annuity (as computed under section 8415) reduced under paragraph (2) in order to provide an annuity under section 8444 for an individual having an insurable interest in the employee or Member. Such individual shall be designated by the employee or Member in writing.

(3) An annuity which is reduced under this subsection shall, effective the first day of the month following the death of the individual named under this subsection, be recomputed and paid as if the annuity had not been so reduced.

(b)(1) In the case of a married employee or Member, an election under this section on behalf of the spouse may be made only if any right of such spouse to a survivor annuity based on the service of such employee or Member is waived in accordance with section 8416(a).

(Added Pub. L. 99-335, title I, §101(a), June 6, 1986, 100 Stat. 532.)

§ 8420a. Alternative forms of annuities

(a) The Office shall prescribe regulations under which any employee or Member who has a life-threatening affliction or other critical medical condition may, at the time of retiring under this subchapter, elect annuity benefits under this section instead of any other benefits under
