**California Olives Marketing Order No. 932 (7 CFR Part 932)**  
June 2021

This Justification of Change seeks OMB's approval on corrections to 20 forms that are part of OMB No. 0581-0178, California Olives Marketing Order No. 932 (7 CFR part 932). The California Olive Committee (Committee) uses the following forms to locally administer the Federal marketing order that regulates the handling of canned, ripe California olives under the Agricultural Marketing Service's oversight.

Currently, the forms have the Committee's old address as the contact information. The old address (California Olive Committee, 770 E. Shaw Avenue, Suite 310, Fresno, CA 93710) in the forms must be replaced with the new address (California Olive Administrative Committee, 2565 Alluvial Avenue, Suite 152, Clovis, CA 93611). In addition, two of the forms have the old telephone number (559-456-9096), that must be replaced with the new telephone number, 559-575-4884. The Committee uses these forms to conduct the administration of the California olive marketing order.

The address correction in all 20 forms and the telephone number correction in Producer Nomination Ballot forms, SC-236A for District 1 and SC-236B for District 2 will not affect the burden hours for the handlers since the changes are minimal and only correcting contact information of the Committee.
