INSTRUCTIONS

I. FOREST SERVICE REPRESENTATIVE

A. Prior to issuing the permit book:

1. Fill out permit book cover and stamp the Ranger District address, telephone number and sale name in the appropriate place on each Scaler and Load Permit.
2. When sample scaling, stamp appropriate sample group on the permit book cover and on each Scaler Permit.
3. Fill out the FOREST SERVICE RECEIPT and PURCHASER RECEIPT on back cover of the permit book. Obtain the Purchaser's signature on the FOREST SERVICE RECEIPT as receiving the permit book. Detach both receipts and retain on file unit until the permit book is returned.

B. When the book is returned:

1. Fill in the return date on FOREST SERVICE RECEIPT and the PURCHASER RECEIPT.
2. Forest Service Representative shall sign PURCHASER RECEIPT as receiving the used permit book and issue the receipt to the Purchaser.

II. PURCHASER

A. At time of issue:

1. Issue all permits in sequence by permit number.
2. A Designated individual named in writing shall completely fill out all permits in ink and remove the area within the circle for date and time on the Scaler Permit.
3. Before leaving the loading area, the truck driver shall sign a legal signature in ink at the appropriate place on the Woods Permit.
4. Before leaving the loading area, detach the Load and Scaler Permit from the permit book and firmly staple them to the bunk log at the front of the load on the driver's side using, at a minimum construction type staples with 3/8-1/2 inch legs. Staples shall be placed where you find the word STAPLE on permits.

B. TRUCKER and PURCHASER PERMIT is for Purchaser use.

C. Definitions:

1. Destination is the location where the truck will be unloaded.
2. Scaling Location is the Forest Service approved location where the load is required to be scaled.

D. Truck-trailer loads weighed as separate units shall require a Load and Scaler Permit to be attached to each unit.

E. Product Removal Permit Books shall be returned to the issuing Ranger District when all Load Permits and Scaler Permits have been used, at sale completion, during seasonal shutdown and upon request by the Forest Service Representative.
