Background

On December 2, 2020, Commerce published a notice of opportunity to request an administrative review of the

CVD order on refillable stainless steel kegs from China for the POR December 13, 2019, through December 31, 2019.¹ In accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b), Commerce received a timely-filed request for an administrative review from Ningbo Master International Trade Co., Ltd. (Ningbo Master).² Commerce received no other requests for administrative review.

On February 4, 2021, pursuant to this request and in accordance with 19 CFR 351.221(c)(1)(i), Commerce published a notice initiating an administrative review of the CVD order on refillable stainless steel kegs from China with respect to Ningbo Master.³ On March 30, 2021, Ningbo Master withdrew its request for an administrative review.⁴

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party or parties that requested a review withdraws the request within 90 days of the publication date of the notice of initiation of the requested review. As noted above, Ningbo Master withdrew its request for review within 90 days of the publication date of the notice of initiation. No other parties requested an administrative review of the order. Commerce intends to issue appropriate assessment instructions to CBP no earlier than 35 days after the date of publication of this notice in the **Federal Register**.

To issue permits under ESA Section 10(a)(1)(A), the National Marine Fisheries Service (NMFS) must determine that (1) such exceptions were applied for in good faith, (2) if granted and exercised, will not operate to the disadvantage of such endangered species, and (3) will be consistent with the purposes and policy set forth in Section 2 of the ESA.
