## (1) Core Research Project And Center Characteristics

Current instance: 5

Data Access Group: ZTEST\_PRC ?

 Editing existing PRC-ID ZTEST\_PRC (Instance #5)

**PRC-ID** ZTEST\_PRC

### Core Research Project and Center Characteristics

The two award components are Core Research Project and Center activities. There will be one record for each of these. Do NOT enter individual Center projects.

**Component title**   
\* must provide value 255 characters remaining

**Component type**  Core Research Project  Center activities reset

### Addressing Social Determinants of Health (SDoH)

**Does the component address any of the following social determinants of health related to *Economic Stability*? Select all that apply.**

- Employment
- Food security
- Housing stability
- Poverty

**Does the component address any of the following social determinants of health related to *Education Access and Quality*? Select all that apply.**

- Early childhood education and development
- High school graduation
- Enrollment in higher education
- Language and literacy
- Educational attainment in general

**Does the component address any of the following social determinants of health related to *Social and Community Context*? Select all that apply.**

- Civic participation
- Discrimination
- Incarceration
- Cohesion within a community
- Conditions in the workplace

**Does the component address any of the following social determinants of health related to *Healthcare Access and Quality*? Select all that apply.**

- Access to health care
- Access to primary care
- Health insurance coverage
- Health literacy

**Does the component address any of the following social determinants of health related to *Neighborhood and Built Environment*? Select all that apply.**

- Availability of healthy foods
- Neighborhood crime and violence
- Air and water quality
- Quality of housing
- Access to transportation

**What role does the PRC play in addressing the selected social determinants of health?**

#### Sub group/committee #5

(#5) How frequently does this small group/committee meet?

(#5) Briefly describe the purpose of this small group/committee, including the name if it has one.

[Expand](#)

#### Board Representation and Role

Select all types of members on this board:

- Community member(s) representing population(s) of focus
- Community-based or Non-profit organization
- Community health provider
- Healthcare system
- Insurer / payer
- School / school district
- Health department - State
- Health department - Local / Tribal / Territorial
- Tribe / tribal organization
- Other government entity
- Professional association
- Another PRC
- CTSA / CTSI / CTR, PCORI, PBN, or IDeA
- College / University
- Business
- Other

Other, specify:

Is the population of focus represented on this CAB?

Yes  No

[reset](#)

Briefly describe how the population focus is represented on this CAB.

[Expand](#)

### (3) Community Advisory Boards

Select and describe all phases of research/practice this board advises on and/or actively participates in, including Core Research Project (CRP) or Center activities:

	Advises	Actively participates
Research and translation agenda	<input type="checkbox"/>	<input type="checkbox"/>
CRP design	<input type="checkbox"/>	<input type="checkbox"/>
CRP implementation	<input type="checkbox"/>	<input type="checkbox"/>
Interpretation of CRP analyses or evaluation	<input type="checkbox"/>	<input type="checkbox"/>
Dissemination of CRP findings	<input type="checkbox"/>	<input type="checkbox"/>

--------	-----------

### Partnerships

Enter partners if:

(1) they played one of the partner roles listed in this section

AND

(2) they engaged with your PRC beyond serving on a CAB or other advisory board.

If the PRC is providing TA, but the TA recipient does not play one of the partner roles listed in this section, enter this information in the Technical Assistance/Subject Matter Expertise section instead.

**Partner name**  
\* must provide value

  
Partner Name has a 255 character limit.

**Enter the number of sites/locations involved, if more than one.**

**Does this partner sit on any CAB or other advisory board?**  Yes  No reset

**Enter the name(s) of the CAB(s).**

### Partner Role

**From the following options, select all the role(s) the partner plays or has played for the PRC, and enter a description where indicated.**

- Developing a research and translation agenda
- Planning research / study design
- Implementing interventions
- Analyzing data, conducting evaluation, interpreting findings
- Developing / disseminating research or practice tool(s)
- Translating research findings
- Training others on implementation
- Scaling up interventions

**Describe partner role(s) selected.**

PRC-ID ZTEST\_PRC

#### Mentorship

Formal or informal mentoring programs where the experiences and content for each learner may be different. Even if the program has a structure (e.g., fellowship program designed with objectives to build capacity of post-docs to conduct community engaged research), if the experiences (e.g., faculty worked with, projects participating on) of each fellow/intern/mentee are different, enter it in this section.

The number of mentees should be updated continuously over the cycle. Ensure that the data reflect the total number of unique mentees for the cycle.

Mentorship program provided

Student mentoring program

Postdoctoral / faculty mentoring program

### Research and Practice Tools

Enter publicly available tools that were developed, adapted, and/or newly disseminated by your PRC in the current cycle. Do not report tools that have been developed solely for PRC use and will not be disseminated to others.

## (7) Training

### Tool Description

Tool name

\* must provide value

Tool Name has a 255 character limit.

Primary intended use

- Research  
 Practice

Which of these options best describes this tool's stage of development/dissemination?

- New tool developed  
 Significant adaptation from existing tool  
 New dissemination of existing tool

[reset](#)

Briefly describe this tool and its stage of development/dissemination.

[Expand](#)

What year was this tool originally developed?

What is the source of the existing tool?

- Your PRC  Other source

[reset](#)

Is this part of a toolkit or suite of tools?

- Yes  No

[reset](#)

Name of toolkit or suite of tools

Describe the toolkit or suite of tools:

[Expand](#)

### Funding

Which component is associated with this tool?

- Core Research Project  
 Center activities

Select all funding sources used:

- PRC Core / Center award  
 Other funding

(7) Training

Health Topic(s)	
Does this tool address a specific health topic?	<input type="radio"/> Yes <input type="radio"/> No <span style="float: right;">reset</span>
Select all the health topic(s) this tool addresses:	<input type="checkbox"/> Population health / Cross-cutting health topics <input type="checkbox"/> Nutrition / Obesity <input type="checkbox"/> Physical activity <input type="checkbox"/> Cancer <input type="checkbox"/> Heart disease / Stroke <input type="checkbox"/> Dementia / Alzheimer's <input type="checkbox"/> Diabetes <input type="checkbox"/> Oral health <input type="checkbox"/> Epilepsy <input type="checkbox"/> Mental health <input type="checkbox"/> Violence prevention / Injury prevention <input type="checkbox"/> Health pregnancy and post-partum <input type="checkbox"/> Pregnancy prevention <input type="checkbox"/> HIV <input type="checkbox"/> Sexually transmitted diseases (STDs) <input type="checkbox"/> Alcohol <input type="checkbox"/> Opioids <input type="checkbox"/> Marijuana <input type="checkbox"/> Tobacco use / Vaping <input type="checkbox"/> COVID-19 <input type="checkbox"/> Other
Other, specify:	<input type="text"/>
Primary Intended Users	
Who are the primary intended users of this tool? Select all that apply. Enter a description when prompted.	<input type="checkbox"/> Decision makers <input type="checkbox"/> Members of the public <input type="checkbox"/> Program implementers <input type="checkbox"/> Researchers / academicians

Data Access Group: ZTEST\_PRC

Editing existing PRC-ID ZTEST\_PRC (Instance #46)

PRC-ID ZTEST\_PRC

#### Presentations

Peer-reviewed and non-peer-reviewed presentations made by your PRC.

Non-peer-reviewed presentations are those given to community or practice audiences for the purpose of sharing research findings and/or promoting the adoption of an intervention. If a "non-peer-reviewed presentation" has learning objectives, for ex. learning how to use a practice tool, then it is a training and should be entered in the Training section instead.

#### Presentation title

\* must provide value

255 characters remaining

[Expand](#)

Presentation title has a 255 character limit.

#### Presentation date

 Today M-D-Y

#### Presentation Details

Select all of the following who were presenters or co-presenters:

- CAB members
- Health department staff
- Other partners
- Students

Who was the target audience for this presentation?

- Community organizations/members
- Public health/other practitioners
- Researchers

Type of presentation:

- Peer-reviewed presentation
- Non-peer-reviewed presentation
