

Improving Continuity of Care for Children and Families Affected by Prenatal Alcohol Exposure

Form Approved
OMB No. XXXX-XXXX
Exp. Date: XX/XX/XXXX

AMERICAN ACADEMY OF PEDIATRICS ATTENDING PHYSICIAN DEBRIEF QUESTIONNAIRE - FACILITATOR GUIDE

QUESTIONS

Topic 1: General reactions to the resident curriculum

- What did you like most about the curriculum?
- What could be improved/how?
- What tools were most helpful/why?

Topic 2: Implementation

- How did you implement the curriculum? (Open Discussion)
- What worked well? What were some of your successes?
- What challenges did you face?
- What things were missing from implementation?
- What suggestions would help the next group to better implement?

Topic 3: Supplemental material/resources

- Was the supplemental material used?
 - If so, did you like it?
- Would you add or remove any of the supplemental materials? What else would you recommend using?
- Lecture recordings
 - How were the recordings received? Were they easy or difficult to use?
 - Was the length and quality of the videos appropriate?
- Cases
 - Did you use the case studies? If so, how were they incorporated?

Topic 4: Open comment

- Is there anything else you would like to share?

The public reporting burden of this collection of information is estimated to average 60 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to - CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333 ATTN: PRA (xxxx-xxxx)
