Permit to Conditionally Import a Dog Inadequately Immunized against Rabies - Single Entry

In accordance with 42 CFR Section 71.51 of the Public Health Service Foreign Quarantine Regulations, permission is granted to the applicant to import the dog (listed in item 3 below) into the specified port of entry under control of the United States.

PHS Permit No.		
Date Issued:	Date Expires:	
Applicant Name, Address, Contact Information		
Authorized Permit Holder, Address, Contact Information (if different from above)		
3. Identification of Dog	Date of Birth:	Age:
	Breed:	Color:
	Sex:	Microchip/Tattoo #:
4. Arrival Information	Country of Origin:	U.S. Port of Entry:
		Mode of Entry:
5. Approved Confinement Location	Dog may not be moved from the approved confinement location (except to go to a veterinary facility for medical treatment or vaccination) until the conditions of issuance in item 6 below are satisfied.	
6. Conditions of Issuance	The dog identified in item 3 above is conditionally admitted to the United States, subject to the restrictions of section of 42 CFR 71.51 listed below: 1 Confinement for days to complete the 30-day period from the date of initial antirabies vaccination. 2 Confinement until 3 months of age, then initial antirabies vaccination, followed by confinement for 30 days. 3 Confinement until initial antirabies vaccination at destination (within 10 days of entry into the United States), followed by confinement for 30 days. 4 Confinement until booster antirabies vaccination at destination (within 10 days of entry into the United States), provided that initial rabies vaccination was given at ≥ 3 months of age. 5 Other restrictions are as follows: The above restrictions are imposed under section 71.51 Title 42, Code of Federal Regulations, and compliance is necessary before the dog is released from confinement. "Confinement" as used above, means restriction of an animal, by the owner or his/her agent, to a building or other enclosure isolated from people and other animals (except for contact necessary for its care); if the dog is allowed out of said enclosure, muzzle the dog and keep it on a leash. NOTICE TO PERMITEE: Criminal penalties may be imposed for violating regulations enacted under 42 U.S.C. § 264. Under 42 U.S.C. § 271, as enhanced by 18 U.S.C. § 3559 & 3571, individuals violating a quarantine regulation may be sentenced to one year in jail and/or a maximum fine of \$100,000, if the violation does not result in a death or \$250,000, if the violation does not result in a death, Violations by an organization are punishable by a maximum fine of up to \$200,000 per violation, if the violation results in a death.	
7. Signature of Issuing Public Health Officer
