The screenshot shows the Social Security website interface for starting a replacement card application. At the top, the Social Security logo is followed by the heading "Begin a Replacement Social Security Card Application Online and Finish In-Office". Below this, a white box contains the text "Let us help you complete the application and select proper documentation" and a blue button labeled "Apply Here to Start the Online Application". To the right of the button is a bulleted list: "Begin the replacement card application online.", "Visit the local office.", and "Learn which documents are needed for a replacement card." Below this are two placeholder images for a Social Security card. The main content area has a heading "Do you need to visit your local office to complete your application?" followed by a paragraph: "You MUST visit the [local office](#) to complete the replacement card application **within 45 calendar days**, otherwise you will have to restart the application process." There are two dropdown menus: the first is "What documentation do you need to bring?" with a selected option "Print, mail or take your application to the Social Security office."; the second is "Are you eligible to apply via the online process and finish in-office?" with a list of criteria: "Not applying via [my Social Security](#) account", "A U.S. Citizen", "An adult age 18 years or older", "Requesting a replacement card only, with or without a request to change name", and "Applying on behalf of someone else (individual or child in your custody)". A third dropdown menu is "How do you use the online application process?" with options: "Complete the application process online" and "Visit the local office to provide proof of identity and other documents, if applicable". At the bottom left, there are links for "Privacy Policy" and "Accessibility Help".
