We are conducting this survey for the U.S. Fish and Wildlife Service. It will take about 20 to 55 minutes to complete depending on your activity and is voluntary. Your participation will help us obtain accurate information about people's involvement in fishing, hunting, and wildlife watching during 2016.

We conduct this survey under the authority of Title 13, United States Code Sections 8 and 9. The Office of Management and Budget has approved this survey under OMB Control Number 1018-0088 which legally certifies the survey. The Privacy Act of 1974 requires us to keep your information confidential and use it for statistical purposes only.

If you have any comments about this survey, I will be happy to provide you with an address to mail your comments.

Now I would like to ask you about observing and enjoying wildlife in ways other than hunting and fishing. By wildlife, I mean birds, mammals, fish, insects, reptiles such as snakes and lizards, and amphibians such as frogs. Do not include farm animals or pets.

From Date of last Wildlife Watcher interview to December 31, 2016, did you take any special interest in wildlife around your home, other than simply noticing wildlife while doing other activities? By this I mean, did you closely observe, feed, or photograph wildlife within a one-mile radius of your home, OR did you maintain any natural areas or plantings around your home FOR WHICH BENEFIT TO WILDLIFE WAS AN IMPORTANT CONCERN? (Natural areas and plantings would include wooded lots, food and cover plants, etc.)
