Emergency Rental Assistance Program Redirected Funds Form

The Emergency Rental Assistance (ERA) Program (established by section 501 of Division N of the consolidated Appropriations Act, 2021, Pub. L. No. 116-260 (Dec. 27, 2020)) has disbursed award funds to all eligible grantees. After further review of the ERA program, some local governments have decided to cancel their ERA awards and request that their award funds be redirected to their respective states. For purposes of tracking, documenting the de-obligation of the funds obligated to the local government, recording a modification to the state's obligation, and auditability of the funds that were redirected from the local governments to their respective states, the information below must be completed and returned to Treasury via the email address, Eraapplications@treasury.gov.
