§ 1356. Documentary, registry and manning requirements

(a) Regulations

Within six months after September 18, 1978, the Secretary of the Department in which the

Coast Guard is operating shall issue regulations which require that any vessel, rig, platform, or other vehicle or structure—

(1) which is used at any time after the one-year period beginning on the effective date of such regulations for activities pursuant to this subchapter and which is built or rebuilt at any time after such one-year period, when required to be documented by the laws of the United States, be documented under the laws of the United States;

(2) which is used for activities pursuant to this subchapter, comply, except as provided in subsection (b) of this section, with such minimum standards of design, construction, alteration, and repair as the Secretary or the Secretary of the Department in which the Coast Guard is operating establishes; and

(3) which is used at any time after the one-year period beginning on the effective date of such regulations for activities pursuant to this subchapter, be manned or crewed, except as provided in subsection (c) of this section, by citizens of the United States or aliens lawfully admitted to the United States for permanent residence.

(b) Exceptions from design, construction, alteration, and repair requirements

The regulations issued under subsection (a)(2) of this section shall not apply to any vessel, rig, platform, or other vehicle or structure built prior to September 18, 1978, until such time after such date as such vehicle or structure is rebuilt.

(c) Exceptions from manning requirements

The regulations issued under subsection (a)(3) of this section shall not apply—

(1) to any vessel, rig, platform, or other vehicle or structure if—

(A) specific contractual provisions or national registry manning requirements in effect on September 18, 1978, provide to the contrary;

(B) there are not a sufficient number of citizens of the United States, or aliens lawfully admitted to the United States for permanent residence, qualified and available for such work; or

(C) the President makes a specific finding, with respect to the particular vessel, rig, platform, or other vehicle or structure, that application would not be consistent with the national interest; and

(2) to any vessel, rig, platform, or other vehicle or structure, over 50 percent of which is owned by citizens of a foreign nation or with respect to which the citizens of a foreign nation have the right effectively to control, except to the extent and to the degree that the President determines that the government of such foreign nation or any of its political subdivisions has implemented, by statute, regulation, policy, or practice, a national manning requirement for equipment engaged in the exploration, development, or production of oil and gas in its offshore areas.

§ 1356a. Coastal impact assistance**(a) In general**

Nothing in this section shall be construed as a permanent authorization.

(b) Definitions

When used in this section:

(1) The term “coastal political subdivision” means a county, parish, or any equivalent subdivision of a Producing Coastal State all or part of which subdivision lies within the coastal zone (as defined in section 304(1) of the Coastal Zone Management Act of 1972 (16 U.S.C. 1453(1)).

(2) The term “coastal population” means the population of all political subdivisions, as determined by the most recent official data of the Census Bureau, contained in whole or in part within the designated coastal boundary of a State as defined in a State’s coastal zone management program under the Coastal Zone Management Act¹ (16 U.S.C. 1451 et seq.).

(3) The term “Coastal State” has the same meaning as provided by subsection 304(4) of the Coastal Zone Management Act¹ (16 U.S.C. 1453(4)).

(4) The term “coastline” has the same meaning as the term “coast line” as defined in subsection² 1301(c) of this title.

(5) The term “distance” means minimum great circle distance, measured in statute miles.

(6) The term “leased tract” means a tract maintained under section 1335 of this title or leased under section 1337 of this title for the purpose of drilling for, developing, and producing oil and natural gas resources.

(7) The term “Producing Coastal State” means a Coastal State with a coastal seaward boundary within 200 miles from the geographic center of a leased tract other than a leased tract within any area of the Outer Continental Shelf where a moratorium on new leasing was in effect as of January 1, 2000, unless the lease was issued prior to the establishment of the moratorium and was in production on January 1, 2000.

(8) The term “qualified Outer Continental Shelf revenues” means all amounts received by the United States from each leased tract or portion of a leased tract lying seaward of the zone defined and governed by section 1337(g) of this title, or lying within such zone but to which section 1337(g) of this title does not apply, the geographic center of which lies within a distance of 200 miles from any part of the coastline of any Coastal State, including bonus bids, rents, royalties (including payments for royalties taken in kind and sold), net profit share payments, and related late payment interest. Such term does not include any revenues from a leased tract or portion of a leased tract that is included within any area of the Outer Continental Shelf where a moratorium on new leasing was in effect as of January 1, 2000, unless the lease was issued prior to the establishment of the moratorium and was in production on January 1, 2000.

(9) The term “Secretary” means the Secretary of Commerce.

(c) Authorization

For fiscal year 2001, \$150,000,000 is authorized to be appropriated for the purposes of this section.

(d) Impact assistance payments to States and political subdivisions

The Secretary shall make payments from the amounts available under this section to Producing Coastal States with an approved Coastal Impact Assistance Plan, and to coastal political subdivisions as follows:

(1) Allocations to Producing Coastal States

In each fiscal year, each Producing Coastal State’s allocable share shall be equal to the sum of the following:

(A) 60 percent of the amounts appropriated shall be equally divided among all Producing Coastal States;

(B) 40 percent of the amounts appropriated for the purposes of this section shall be divided among Producing Coastal States based on Outer Continental Shelf production, except that of such amounts no Producing Coastal State may receive more than 25 percent in any fiscal year.

(2) Calculation

The amount for each Producing Coastal State under paragraph (1)(B) shall be calculated based on the ratio of qualified OCS revenues generated off the coastline of the Producing Coastal State to the qualified OCS revenues generated off the coastlines of all Producing Coastal States for the period beginning on January 1, 1995 and ending on December 31, 2000. Where there is more than one Producing Coastal State within 200 miles of a leased tract, the amount of each Producing Coastal State’s payment under paragraph (1)(B) for such leased tract shall be inversely proportional to the distance between the nearest point on the coastline of such State and the geographic center of each leased tract or portion of the leased tract (to the nearest whole mile) that is within 200 miles of that coastline, as determined by the Secretary. A leased tract or portion of a leased tract shall be excluded if the tract or portion is located in a geographic area where a moratorium on new leasing was in effect on January 1, 2000, unless the lease was issued prior to the establishment of the moratorium and was in production on January 1, 2000.

(3) Payments to coastal political subdivisions

Thirty-five percent of each Producing Coastal State’s allocable share as determined under paragraph (1) shall be paid directly to the coastal political subdivisions by the Secretary based on the following formula, except that a coastal political subdivision in the State of California that has a coastal shoreline, that is not within 200 miles of the geographic center of a leased tract or portion of a leased tract, and in which there is located one or more oil refineries shall be eligible for that portion of the allocation described in paragraph (C) in the same manner as if that political subdivi-
