Introduction

The Educational Flexibility (Ed-Flex) program is authorized under the Education Flexibility Partnership Act of 1999 and was reauthorized by section 9207 of the Every Student Succeeds Act (ESSA). The Ed-Flex program allows the Secretary to authorize a State educational agency that serves an eligible State to waive statutory or regulatory requirements applicable to one or more the included programs for any local educational agency (LEAs), educational service

agency, or school within the State.

Designation

Each eligible State participating in the Ed-Flex program shall be designated an Ed-Flex Partnership State.

Covered Programs

This program permits Ed-Flex States to waive requirements of the following State-administered formula grant programs:

- Title I, Part A: Improving Basic Programs Operated by LEAs (other than section 1111):
- Title I, Part C: Education of Migratory Children;
- Title I, Part D: Prevention and Intervention Programs for Children and Youth who are Neglected, Delinquent, or At-risk
- Title II, Part A: Supporting Effective Instruction
- Title IV, Part A: Student Support and Academic Enrichment Grants
- The Carl D. Perkins Career and Technical Education Act.

Duration of Ed-Flex

The Secretary will approve the applications for a period of not more than five years. The Secretary may extend the authority of an Ed-Flex Partnership State if the Secretary determines that the authority of the SEA to grant waivers has been effective in enabling the State or affected LEAs, educational service agencies, or schools to carry out their State or local reform plans and to continue to meet the accountability requirements, and has improved student performance.

Waivers Not Authorized

The Ed-Flex program does not authorize an SEA to waive any statutory or regulatory requirements relating to:

1. Standards, Assessments, and Accountability requirements under section 1111 of the ESEA;
2. Maintenance of effort;
3. Comparability of services;
4. Equitable participation of students and professional staff in private schools;
5. Parental participation and involvement;
6. Distribution of funds to LEAs;
7. Serving eligible school attendance areas in rank order in accordance with section 1113(a) (3) of the ESEA;
8. The selection of a school attendance area or school under subsections (a) and (b) of section 1113 of the ESEA, except that an SEA may grant a waiver to allow a school attendance area or school to participate in activities under Part A of Title I if the percentage of children from low-income families in the school attendance area of such school or who attend such school is not more than¹ 10 percentage points below the lowest

¹ 5891b(c)(1)(G) currently prohibits waivers of the selection of a school attendance area or school under subsections (a) and (b) of section 1113 of the ESEA, except that an SEA may grant a waiver to allow a school attendance area or school to participate in activities under Title I, Part A "if the percentage of children from low-income families in the school attendance area of such school or who attend such school **is not less than** 10 percentage points below the lowest percentage of such children for any school attendance area or school..."

- percentage of such children for any school attendance area or school of the local educational agency that meets the requirements of such subsections;
9. Use of Federal funds to supplement, not supplant, non-Federal funds;
 10. Applicable civil rights requirements; and
 11. Any requirements that apply to the SEA.

An SEA may not grant any statutory or regulatory waiver unless the underlying purposes of the statutory requirements of the program for which a waiver is sought are met. Furthermore, requirements of the Individuals with Disabilities Education Act, or of any programs other than the ESEA programs referenced above and the Perkins program, may not be waived under the Ed-Flex waiver authority.

State Oversight

Each Ed-Flex Partnership State must annually monitor the activities of LEA, educational service agencies, and schools receiving waivers through the Ed-Flex program.

Report

Each Ed-Flex Partnership State must submit to the Department an annual report on the results of monitoring activities and the impact of the waivers on school and student performance. Each such State must include data demonstrating the degree to which progress has been made toward meeting the State's educational objectives. The data, when applicable, must include:

1. Information on the total number of waivers granted for Federal and State statutory and regulatory requirements, including the number of waivers granted for each type of waiver;
2. Information describing the effect of the waivers on the implementation of State and local educational reforms pertaining to school and student performance;
3. Information describing the relationship of the waivers to the performance of schools and students affected by the waivers; and
4. An assurance from State program managers that the data reported are reliable, complete, and accurate, as defined by the State, or a description of a plan for improving the reliability, completeness, and accuracy of such data as defined by the State.

Public Notice and Comment

Each SEA seeking waiver authority and each LEA, educational service agency, or school seeking a waiver under the Ed-Flex program must:

1. Provide the public with adequate and efficient notice of the proposed waiver authority or waiver, consisting of a description of the agency's application for the proposed waiver authority or waiver on each agency's website, including a description of any improved student performance that is expected to result from the waiver authority or waiver;

(emphasis added). We believe the emphasized language is an error and that this prohibition should mirror the language in ESEA section 8401(c)(10), which prohibits waivers of the selection of a school attendance area or school under sections (a) and (b) of section 1113 of the ESEA, except that the Secretary may grant a waiver to participate in activities under Title I, Part A "if the percentage of children from low-income families in the school attendance area or who attend the school **is not more than** 10 percentage points below the lowest percentage of those children for any school attendance area or school..." (emphasis added).

2. Provide the opportunity for parents, educators, school administrators, and all other interested members of the community to comment regarding the proposed waiver authority or waiver;
3. Provide the opportunity in accordance with any applicable State law specifying how the comments may be received, and how the comments may be reviewed by any member of the public; and
4. Submit the comments received with the application of the agency or school to the Secretary or the SEA, as appropriate.

Completing and Submitting an Application

Each SEA must address all of the requirements identified below in its application for Ed-Flex. The Department will begin reviewing applications on July 31, 2019.

Complete applications should be submitted to your OESE, State and Grantee Relations (SGR) State mailbox: [state].oese@ed.gov (e.g., Alabama.oese@ed.gov).

Application Review

Within 90 days of receipt of a complete application, the Department will issue a written decision that explains why such application has been approved or disapproved, and the process for revising and resubmitting the application for reconsideration.

The Department may approve an application only if it determines that the application demonstrates substantial promise of assisting the SEA and affected LEAs, educational service agencies, and schools within the State in carrying out comprehensive educational reform, after considering:

1. The eligibility of the State
2. The comprehensiveness and quality of the educational flexibility plan
3. The educational flexibility plan ensures accountability for the activities and goals described in such plan;
4. The degree to which the State's objectives:
 - a. Are clear and can be assessed; and
 - b. Take into account the performance of LEA, educational service agencies, or schools, and students, particularly those affected by waivers;
5. The significance of the State statutory or regulatory requirements relating to education that will be waived; and
6. The quality of the SEA's process for approving applications for waivers of Federal statutory or regulatory requirements and for monitoring and evaluating the results of such waivers.
