48	☐ Financing or refinancing, after the completion of repairs (or satisfactory			
49	arrangements for completion of repairs), of a Project, and Lender has applied to HUD for			
50	insurance of the Loan in the amount of \$, under Section			
51				
52	only Paragraphs 1, 2, and 6, below, shall apply.			
53				
54	HUD has issued a Firm Commitment to insure the Loan in said amount pursuant to said Section			
55	and Program Obligations issued pursuant thereto. The amount of the Loan is subject to			
56	reduction, as provided in said Act, and this Agreement and Certification is automatically			
57	amended accordingly.			
58				
59	In consideration of the mutual promises and undertakings contained herein, and for the purpose			
60	of inducing the Lender to make and HUD to insure said Loan, the parties acknowledge and agree			
61	as follows:			
62				
63	1. Prior to receipt of the final advance under the Loan, and within the time fixed by			
64	the Loan Documents, Borrower agrees, if required by Program Obligations for cost certification			
65	and the National Housing Act, as amended, to submit to HUD, (a) a fully completed and			
66	executed Mortgagor's Certificate of Actual Cost, HUD-92330-ORCF, and (b) a fully completed			
67	and executed Contractor's Certificate of Actual Cost (or Subcontractor's Certificate of Actual

71	Contractor understand, agree and shall ensure that each of the certificates of cost is supported by			
72

74				
75	2. Borrower and Lender agree that the total advances under the Loan cannot exceed			
76	the amount permitted by Section 227 of the National Housing Act, as amended, and Program			
77	Obligations. In the case of loans insured pursuant to Sections 223(a)(7) or 223(f) of the National			
78	Housing Act, as amended, Borrower and Lender understand and agree that the Firm			
79	Commitment and Loan may be reduced to comply with the provisions of said Section 227 and			
80	Program Obligations issued pursuant thereto, and Borrower and Lender further agree to execute			
81	such instruments as may be required to accomplish such reduction.			
82				
83	3. Borrower agrees that if it receives Loan funds in excess of that permitted under			
84	the National Housing Act, as amended, and Program Obligations, it shall pay upon demand to			
85	Lender any such excess for application to the reduction of the then-outstanding principal balance			
86	of the Loan. Lender agrees that upon its receipt of such excess the Contract of Insurance shall be			
87	reduced accordingly, and Borrower and Lender agree to execute such instruments as may be			
88	required to accomplish such reduction. Borrower further agrees that if HUD, for cost			
89	certification purposes, accepts estimates for any items, Borrower shall, at final endorsement,			
90	establish a cash escrow to pay all the "to be paid in cash items" identified in its Certificate of			
91	Actual Cost, and to pay debts to third parties who made the original disbursement for an item			
92	listed as paid on the Certificate of Actual Cost, unless documentation, satisfactory to HUD, is

Borrower understands that the items covered by this cash escrow must be paid within 45 days after the date of final endorsement, except for those items in dispute, involved in litigation or those items that are non-critical repairs to be completed after endorsement and covered by an appropriate escrow agreement. If Borrower's actual cost is less than the estimates accepted for cost certification purposes, and HUD determines that this difference plus the net amount (total receipts less expenses of perfecting claims) of settlement of claims against bonding companies or others, would have required a reduction of the Loan. Borrower understands funds in excess of the mortgage amount determined following cost certification must be placed in the Project's Reserve for Replacement, or used to reduce the mortgage.

116	5. Borrower agrees to notify HUD in writing within 10 days of any change in			
117	relationships covered by paragraph 4 herein which results in the creation or elimination of an			
118	Identity of Interest at any time prior to final endorsement of the Note. In the event that there			
119	currently exists, or there comes into being prior to final endorsement of the Note, an Identity of			
120	Interest between Borrower or its Principals, and General Contractor or its Principals, Borrower's			
121	Certificate of Actual Cost will be accompanied by the Contractor's Certificate of Actual Cost, in			
122	the form prescribed by HUD; and, if required by HUD, similar certificates by any subcontractor,			
123	supplier, or equipment lessor covered by this paragraph 5. It is agreed that the absence of such			
124	notice to HUD of the creation or elimination of an Identity of Interest may be treated by HUD as			
125 126	a representation that no Identity of Interest has been created or eliminated.			
127	6. Borrower agrees to maintain and keep adequate records of all costs incurred in			
128	connection with the Project, and to make such records available for examination by HUD upon			
129	request.			
130	-			
131	7. If this Agreement and Certification discloses an Identity of Interest between			
132	Borrower and General Contractor, Borrower shall include in the Construction Contract a			
133	provision requiring General Contractor, upon completion of the Project, to submit to Borrower			
134	for delivery to HUD the Contractor's Certificate of Actual Cost, in the form prescribed by HUD.			
135	Borrower further agrees to include in said Construction Contract the requirement that General			
136	Contractor shall maintain adequate records of all such costs, and make such records, documents,			
137	contracts and accounts available for review upon request by HUD.			
138				

Borrower agrees that it shall include in the Construction Contract, and require the 139 8. inclusion in all subcontracts, whether for labor, material, or equipment leases, a provision that if 140 there is, or comes into being, an Identity of Interest between Borrower and any subcontractor; or, 141 in those cases in which General Contractor is required to certify actual costs, between General 142 Contractor and any subcontractor, then, if HUD so requires, such subcontractor shall submit to 143 HUD a Certificate of Actual Cost in the form and with the audit standards prescribed by HUD, 144 including the deduction of all kickbacks, rebates, adjustments, discounts, or any other 145 arrangements in the nature thereof. For purposes of determining actual cost, no profit or general 146 overhead may be included in the subcontract unless HUD has granted advance written approval 147 of a specific dollar amount or a specific percentage. 148 149 Borrower agrees that if there currently exists, or if there comes into being prior to 9. 150 final endorsement of the Note, any Identity of Interest between Borrower and the Architect, or 151 between the General Contractor and the Architect, the Architect shall immediately be relieved of 152 inspection duties and the maximum Architect's fees allowable for cost certification purposes will 153 for design services only, and no fees will be allowed for supervision. 154 be \$ 155 If more than 50 percent of the actual cost of construction is subcontracted with 10. 156 any one contractor or subcontractor, or more than 75 percent with three or fewer contractors or 157 subcontractors (50-75% Rule), HUD will not allow any expense for General Contractor's 158 general overhead. 159 160 If there currently exists, or if there comes into being prior to final endorsement of 161 11. the Note, an Identity of Interest between Borrower and General Contractor, or in any other 162 circumstance required by HUD, the form of construction contract shall be cost-plus, with a 163 maximum upset price. For the purpose of determining actual cost, General Contractor's fee shall 164 \_, and the general overhead shall not exceed 165 not exceed \$ . In the event that the 50-75% Rule is violated, for the purpose of \$ 166 determining actual cost, HUD will not allow any expense for General Contractor's fee and 167 general overhead. 168 169 Borrower and General Contractor understand that for purposes of the 50-75% 170 12. 171 Rule, the terms "contractor" and "subcontractor" include material suppliers and equipment lessors, and any two or more contractors or subcontractors having an Identity of Interest or 172 common ownership are considered as one contractor or subcontractor. Further, it is understood 173 that the 50-75% Rule is not applicable to manufacturers of industrialized housing, trade items 174 performed by persons on General Contractor's payroll, mobile home park programs, 175 supplemental loan programs, or rehabilitation programs other than gut rehabilitation. 176 177 13. Borrower and General Contractor further understand and agree that if an Identity 178 of Interest arises between Borrower and General Contractor following their execution of a lump-179 sum form of construction contract, allowable costs shall be governed by the applicable 180 provisions of paragraphs 11 and 12 of this Agreement and Certification. 181
