#9	752.7032 International Travel Approval and Notification Requirements	Contractor is required to provide itineraries for all proposed international travel, and advance notification of travel to the USAID missions overseas in order to warn of security threats or arrange for evacuation. In addition, USAID contractors are part of foreign assistance programs. Arrivals notification and travel approval authority are necessary to allow the missions overseas to properly conduct the political and administrative requirements of the program, such as notifying and coordinating with the host government to assure that planned arrival times are acceptable. This is also necessary for arranging timely logistics support personnel to be available if needed.	N/A	in any USAID contract requiring international travel.	A. B. C. D. E. F.
