Survey Legitimacy

Below are a few common items you can use to verify the legitimacy of this survey:

1. Ensure the Web address provided in the letter is a "census.gov" domain.
2. Reporting information is provided in the letter.
3. On the log-in screen, a warning message should be present stating the respondent is accessing a U.S. Government computer.
4. Additionally, the upper right corner of the page should display the OMB eight-digit number and expiration date. This number indicates that the OMB has approved the survey and has confirmed there is a need to collect the information.
5. The bottom of the log-in screen should have a link for the "Burden Statement" which also contains the OMB eight-digit number.
