Request for Extension of Time to File a Response

TEAS - Version 7.7

GENERAL FORM INFORMATION:

- **TIMEOUT WARNING:** You're required to log back in after 30 minutes of [inactivity](#). This ensures the USPTO complies with [mandatory federal information security standards](#) and protects user information. After 25 minutes of inactivity, you will be prompted to continue your session. If you do not continue within 5 minutes, the session will end, you will be logged out of your USPTO.gov account, and you will lose any unsaved data in the form. Please have all of your information ready before you start.
- **DO NOT USE YOUR BROWSER BACK/FORWARD BUTTONS:** Use only the navigation buttons at the bottom of each page.
- **REQUIRED FIELDS:** All have an **ASTERISK (*)**, and the form will not validate if these fields are not filled-out.

TIME TO FILE: You may request an extension of time only **after** an Office action has been issued.

*** Serial/Registration Number:**

Enter a registration number even if you are responding as part of an Expungement or Reexamination Proceeding. A Proceeding Number can be selected on the screen that follows.

Do **not** enter a number here if you are accessing a previously saved form. Upload your saved form below.

OR

To upload a previously saved form file, first review the [TEAS Help instructions for accessing previously saved data](#) and then use the "Choose File" button below to access the form file saved on your computer. **WARNING:** Failure to follow the TEAS Help instructions will result in the inability to edit your data.

Form logic (prevent filing/access)

As a TEAS response form, I want to prevent entry and filing of the form if timing parameters are not met.

Acceptance Criteria

Given when the user enters a registration number, confirm that there is at least one active E/R proceeding for which a response is due, otherwise give an error:

An extension for time to file a response to Office action cannot be requested for SN/RN ^. If you believe you have received this message in error, contact TEAS@uspto.gov.

- Ensure the carrot is replaced with the serial number or registration number that was entered.

Within 3 months of the following:

TRANX	BXO1	O	OFFICE ACTION ISSUED - EXPUNGEMENT	XNF	office-action
TRANX	BRX1	O	OFFICE ACTION ISSUED - REEXAMINATION	RNF	office-action

TRANX	BSIL	O	SUSPENSION INQUIRY LETTER – EXP/REEX PROC
-------	------	---	---

- **Testing/development Note:** Once the extension request is submitted, the time to respond is calculated as four months from the original ROA due date.

Mark Information Page - Choose E/R Proceeding Number

- One of the following displays will appear directly below the Office Action Information header if a response is due for an E/R Proceeding associated with the registration number entered.
- If a customer enters a registration number that has one active E/R Proceeding, the following must display:

Expungement or Reexamination Proceeding No. [insert number]

- Associated mailing date information from the outgoing OA appears directly below the proceeding number.

If there is more than one ACTIVE proceeding number, the following version should display:

SELECT A PROCEEDING NUMBER. Select the expungement or reexamination proceeding number for which you are now requesting an extension of time to file a response. Only numbers that are valid[^]

Need Dropdown Menu

- Customer must select a radio button for the mailing date information to appear.
- If no proceeding number is selected from the dropdown and the customer presses the Continue button, give an error:

You must select your proceeding number from the dropdown menu to continue in the form.

- When the customer selects the Continue button, the form must perform a logic check as follows:
 - Within three months of PH entries for outgoing OA (initial or non-final)

TRANX	BXO1	O	OFFICE ACTION ISSUED - EXPUNGEMENT	XNF	office-action
TRANX	BRX1	O	OFFICE ACTION ISSUED - REEXAMINATION	RNF	office-action

- Within three months of PH entry for outgoing suspension inquiry letter

TRANX	BSIL	O	SUSPENSION INQUIRY LETTER – EXP/REEX PROC
-------	------	---	---

- Given when a user is attempting to file a response more than 3 months after the issuance date of an Office action, the form produces the following error message:
 - You cannot file this form because the deadline for responding has passed. Requests for an extension of time must be filed prior to the expiry of that deadline. Please contact the examiner listed in the letter you received for which a response was due. View documents associated with your proceeding in the [Trademark Status & Document Retrieval \(TSDR\) system](#).
 - Ensure the hyperlink is available at: <https://tsdr.uspto.gov/>
- Ensure that only one extension request is made per eligible Office action. If a second request is being made, give an error:
An extension request has already been made in connection with the response due for Proceeding Number ^. If you believe you have received this message in error, contact the examiner listed in the Office action you received.
A request for extension of time to file a response.
- **Testing/development Note:** Once the extension request is submitted, the time to respond is calculated as four months from the original OA issuance date.

Text Form for Handwritten Signature Scanning

This option uses a [Text Form](#) (available after clicking on the Validate button) that will be signed by the proper signatory in the traditional "pen-and-ink" manner. Or, if you already have a signed declaration for this application, you can attach it directly here, rather than relying on the USPTO's text form version. **NOTE:** If you are using the Text Form approach, you must after validation save the application data, and then pull up the saved form to attach the scanned file for final submission.

Click on the **Choose File** button to select file that contains the scanned declaration/signature from your local drive. The scanned file should *only* include the declaration language with the appropriate signature information (signature, signatory's name, signatory's position, and signature date). Do **not** include the entire form, but do ensure that the declaration language appears; *i.e.*, a signature by itself is *not* acceptable absent the required declaration language.

[Choose File](#) [Attach](#)

NOTE: Only one signature is required, regardless of the number of owners/holders. If necessary, the actual signatory may complete the following fields directly on the Text Form, if you do not know who will be signing the form. If left blank, you will initially receive a WARNING message, which you can by-pass by clicking the "Continue" button. After receipt of the signed declaration, you must then use the information provided therein to complete the fields for "Signatory's Name" and "Signatory's Position." At the time of final submission, these are mandatory fields, which will produce an ERROR if left blank.

You must complete the payment process within 30 minutes of accessing the payment screen.

A complete transaction will result in a screen that says **SUCCESS!** Within 24 hours, an email acknowledgment will also be sent. If you are not prepared to complete the process now, you should select the "Save Form" option to save your form, and then complete the Submit process later.
