

PTO 450 (Rev.4/20) Approved for use through 06/30/2023. OMB 0651-0082 U.S. Patent and Trademark Office; U.S. DEPARTMENT OF COMMERCE
Under the Paperwork Reduction Act of 1995 no persons are required to respond to a collection of information unless it displays a valid OMB control
number

Pro Bono Patent Program Quarterly Metrics Reporting Questionnaire

Basic Information

Pro Bono Patent Program
[Section 1 of 5]

Name of Person Reporting Metrics *

First Name	Last Name

Email *

1. What is the name of your USPTO regional pro bono program? *

2. Reporting Year *

3. Reporting Quarter *

4. Number of inventor inquiries into your program this quarter? *

5. Number of applicants that applied to your program this quarter (applicants that submit a client intake form/application)? *

5a. Of the applicants that applied to your program, provide a breakdown of applicants by gender, ethnicity, race, and/or veteran status according to the groups identified below.

(please confirm the numbers below equate to the total number in #5 above)

Gender	Race	Ethnicity	Veteran Status
Number of Pro Bono Applicants that indicate "Male" *	Number of Pro Bono Applicants that indicate "African American/Black" *	Number of Pro Bono Applicants that indicate "Hispanic, Latino, or Spanish" origin *	Number of Pro Bono Applicants that indicate veteran status *
<input style="width: 100%; height: 100%;" type="text"/>	<input style="width: 100%; height: 100%;" type="text"/>	<input style="width: 100%; height: 100%;" type="text"/>	<input style="width: 100%; height: 100%;" type="text"/>
Number of Pro Bono Applicants that indicate "Female" *	Number of Pro Bono Applicants that indicate "American Indian or Alaska Native" *	Number of Pro Bono Applicants that specified other/no *	
<input style="width: 100%; height: 100%;" type="text"/>	<input style="width: 100%; height: 100%;" type="text"/>	<input style="width: 100%; height: 100%;" type="text"/>	
Number of Pro Bono Applicants that did not specify *	Number of Pro Bono Applicants that indicate "White" *	Number of Pro Bono Applicants that did not specify *	
<input style="width: 100%; height: 100%;" type="text"/>	<input style="width: 100%; height: 100%;" type="text"/>	<input style="width: 100%; height: 100%;" type="text"/>	
	Number of Pro Bono Applicants that indicate "Asian, Pacific Islander, or Native Hawaiian" *		
	<input style="width: 100%; height: 100%;" type="text"/>		
	Number of Pro Bono Applicants that indicate two or more races *		
	<input style="width: 100%; height: 100%;" type="text"/>		

Number of Pro Bono Applicants
that did not specify *

Under the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB Control Number. Response to this information collection is voluntary; however, the data collected from this survey will be used to evaluate and publicize the Patent Pro Bono Program. This survey contains 16 questions and the USPTO estimates that it will take approximately 2 hours to complete this survey and submit to USPTO. Any comments on the amount of time you require to complete this survey and/or suggestions for reducing this burden, should be sent to the Chief Administrative Officer, United States Patent and Trademark Office P.O. Box 1450, Alexandria, VA 22313-1450.

Patent Types & Filing Information

PTO 450 (Rev.4/20) Approved for use through 06/30/2023. OMB 0651-0082 U.S. Patent and Trademark Office; U.S. DEPARTMENT OF COMMERCE Under the Paperwork Reduction Act of 1995 no persons are required to respond to a collection of information unless it displays a valid OMB control number

Pro Bono Patent Program

[Section 5 of 5]

13. Number of provisional patent filed through the Program this quarter? *

14. Number of non-provisional patents filed through the Program this quarter? *

15. Number of design patents filed through the Program this quarter? *

16. Of the applications (provisional, non-provisional and design) filed through your Program this quarter, provide a breakdown of applicants by gender, ethnicity, race, and/or veteran status according to the groups identified below.

(please confirm the numbers below equate to the sum total of numbers in #12, 13, and 14 above)

Gender	Race	Ethnicity	Veteran Status
Number of Patent Applications Filed that indicate "Male" *	Number of Patent Applications Filed that indicate "African American/Black" *	Number of Patent Applications Filed that indicate "Hispanic, Latino, or Spanish" origin *	Number of Patent Applications Filed that indicate veteran status *
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
Number of Patent Applications Filed that indicate "Female" *	Number of Patent Applications Filed that indicate "American Indian or Alaska Native" *	Number of Pro Bono Applicants that specified other/no *	
<input type="text"/>	<input type="text"/>	<input type="text"/>	
Number of Patent Applications Filed that Did Not Specify *	Number of Patent Applications Filed that indicate "White" *	Number of Pro Bono Applicants that did not specify *	
<input type="text"/>	<input type="text"/>	<input type="text"/>	
	Number of Patent Applications Filed that indicate "Asian, Pacific Islander, or Native Hawaiian" *		
	<input type="text"/>		
	Number of Patent Applications Filed that indicate two or more races *		
	<input type="text"/>		
	Number of Patent Applications Filed that did not specify *		
	<input type="text"/>		

17. List the patent numbers for the patents that issued this quarter [Patent Numbers are formatted X,XXX,XXX. DO NOT list Patent Application Numbers, which are formatted XX/XXX,XXX]

PLEASE NOTE: The "serial number" refers to an issued (i.e., "granted") patent, rather than a patent application. For example, the serial number of an issued utility patent is a seven digit number in the form of "#,###,###" while an application number is an 8 digit number in the form of ##/###,###. A issued design patent will be numbered in the form of D###,###.

Under the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB Control Number. Response to this information collection is voluntary; however, the data collected from this survey will be used to evaluate and publicize the Patent Pro Bono Program. This survey contains 16 questions and the USPTO estimates that it will take approximately 2 hours to complete this survey and submit to USPTO. Any comments on the amount of time you require to complete this survey and/or suggestions for

reducing this burden, should be sent to the Chief Administrative Officer, United States Patent and Trademark Office P.O. Box 1450, Alexandria, VA 22313-1450.
