

**ADULT CONSENT—FTF & Multimode (English)**

You have been selected to participate in the National Survey of Family Growth (NSFG). This study is being done for the U.S. National Center for Health Statistics by RTI International (RTI), a nonprofit research organization. The NSFG survey asks questions about a wide range of topics, including pregnancies and births, marriage and cohabitation, sexual experience, family planning, parenting, infertility, and adoption. The information will be used to help understand health and health behaviors in the U.S. The survey will only ask questions that apply to you. The survey lasts about [FILL IF FEMALE: 75; IF MALE: 50] minutes. Answers to the questions will be entered [FILL IF WEB: online; FILL IF FTF: into a tablet computer.]

You have been scientifically selected to represent thousands of other people across the country. Your participation is very important because it helps the study to be accurate for people like yourself. For your help in this study, you will receive \$ [FILL AMOUNT] as a token of appreciation. This monetary token of appreciation is not based on your time spent on the survey.

By Federal law, the answers you give are confidential\*. We take all possible steps to protect your privacy. Your answers will be used for statistical research only. Information is only presented in summary form. Individuals or families cannot be identified. To keep your answers confidential, it is important to do the survey in a private setting. [FILL IF FTF: This brochure, which you may have seen earlier, answers questions people sometimes ask about the study.] [FILL IF WEB: The brochure you received in the mail with your survey log-in information answers questions people sometimes ask about the study.]

Your participation in this study is completely voluntary. Saying yes or no to taking part in the study will not change any benefits you get now or in the future. For most people, the study is interesting and enjoyable. Some of the questions in the survey may be sensitive for some people. You may choose not to answer any question for any reason, and you may stop the survey at any time.

You may have questions about your rights as a participant in this study. If so, please call the office of the Ethics Review Board at the National Center for Health Statistics, toll-free, at 1-800-223-8118. Please leave a brief message with your name and phone number.
