

*Protocol for Entering Plant Variety Protection (PVP) data into the iEdison system
(<http://iEdison.gov>)
("How PVP data entry differs from entering of other inventions and related patent applications")*

The following fields will be prompted and treated as follows for PVP entries:

ENTERING DATA FOR PVPs INTO THE CREATE NEW INVENTION REPORT SCREEN:

Invention Docket Number: No difference

Invention Title: Enter the Variety Name from Box # 3 ["Variety Name"] of the Application for Plant Variety Protection Certificate form. If there is nothing in Box # 3, then use the designation in Box # 2 ["Temporary Designation or Experimental Name"] of the PVP form.

Invention Keywords: Add "PVP" into this field.

Inventor: Enter the Breeder's Name from Box # 10 ["Name and Address of Owner Representative(s) to Serve in this Application (First person listed will receive all papers)"] of the Application for Plant Variety Protection Certificate form.

Invention Report Date: No difference

Primary Agency (Agency this report will be submitted to): No difference

Funding Agreements: No difference

Subcontract Information: No difference

Title Extension Years: No difference

One Year Extension to File Initial Patent Application: No difference

Date of First Publication, Sale, or Public Use: Enter Date of First Sale, Disposition, Transfer, or Use

Explanatory Notes: No difference

Title Election Date: No difference

Invention Status: Select "Elect Title"

Not Elect Title Reason: No difference

Not Elect Title Other Reason: No difference

Name of Third Party to Which Title is Waived: No difference

Parent Invention Report Number: No difference

Organization Code for Other Organizations to View Invention and Related Patents:
No difference

Invention Disclosure Document Type: No difference

Invention Disclosure File Location: No difference

Invention Disclosure Text: No difference

ENTERING DATA FOR PVPs INTO THE CREATE NEW PATENT REPORT SCREEN

Patent Docket Number: No difference

Type of Patent Application: Designate PVP

U.S. Patent Title: Verify that the Variety Name is listed (Box # 3 [“Variety Name”] from the PVP form – If Box # 3 is blank, use information from Box # 2 [“Temporary Designation or Experimental Name”]).

Invention Keywords: No difference

Inventor(s): If not already entered, enter the Breeder’s Name from Box # 10 [“Name and Address of Owner Representative(s) to Serve in this Application (First person listed will receive all papers)”] of the Application for Plant Variety Protection Certificate form.

Provisional Patent Application Number: Not Applicable

Filing Date of Provisional Patent Application (required if Provisional Application number supplied): Not Applicable

Non-Provisional Patent Application Number: Enter the PVP Application Number.

Filing Date of Non-Provisional Patent Application (required if Non-Provisional Application number supplied): Filing Date of PVP Application

PCT Patent Application Number: Not Applicable

Filing Date of PCT Patent Application (required if PCT number supplied): Not Applicable

Patent Number: Enter Certificate Number

Patent Issue Date (required is Patent number supplied): Enter Issue Date

Patent Expiration Date: Enter 20 years or 25 years for trees of vines from Certificate

Explanatory Notes: No difference

Foreign Filings: If filing for Plant Breeders Rights, select appropriate foreign designations

Patent Status: Select “Institution Retains Title”

Third Party Name (required if rights assigned to Other Party”): No difference

Parent Patent Docket Number: No difference

Parent Patent Organization Code: No difference

Other Related Inventions: No difference

Organization Code for Other Organizations to View this Patent: No difference

Government Support Clause Document Type: No difference

Government Support Clause File Location: No difference

Confirmatory License Document Type: No difference

Confirmatory License File Location: No difference
