

# ASPA COVID-19 PUBLIC EDUCATION CAMPAIGN

A campaign to increase vaccine acceptance and reinforce basic prevention measures

## CET – Annotated Questionnaire (Wave 5)

*Note: The questions below are the proposed questions for the fifth wave of the Weekly Current Events Tracker (CET). Questions highlighted in yellow will be asked every week; questions highlighted in blue will be rotated into the survey on a monthly basis; and questions highlighted in green are meant to be asked in Wave 5 only. This week we have added questions that examine opinion changes on HHS, trusted vaccine messengers, and challenges to getting vaccinated.*

*ASPA will provide OMB with updates to the questionnaire for subsequent Waves.*
