**FOR FURTHER INFORMATION CONTACT:** Teri Barnett, Departmental Privacy Officer, U.S. Department of the Interior, 1849 C Street NW, Room 7112, Washington, DC 20240, [DOI\\_Privacy@ios.doi.gov](mailto:DOI_Privacy@ios.doi.gov) or (202) 208-1605.

**SUPPLEMENTARY INFORMATION:** Pursuant to the provisions of the Privacy Act of 1974, as amended, 5 U.S.C. 552a, DOI is rescinding the DOI-84, National Business Center Datamart, system of records notice from its inventory because it is no longer needed as the records are covered under INTERIOR/DOI-85, Payroll, Attendance, Retirement, and Leave Records, 83 FR 34156 (July 19, 2018). The National Business Center Datamart system provided a data repository with capability to query data and produce reports in support of fiscal and payroll processing from two Privacy Act systems, INTERIOR/DOI-85, Payroll, Attendance, Retirement, and Leave Records, and INTERIOR/DOI-90, Federal Financial System, 64 FR 46930 (August 27, 1999).

The Federal Financial System has been retired and is no longer used to process or maintain financial information. DOI is publishing a rescindment notice for the INTERIOR/DOI-90, Federal Financial System, system notice elsewhere in the **Federal Register**. Since the Federal Financial System is retired and Datamart no longer processes financial data from that system, DOI has determined that the DOI-84, National Business Center Datamart, system of records notice is no longer necessary as it does not identify any additional categories of individuals, categories of records, or routine uses for personnel payroll processing records beyond those included in the current INTERIOR/DOI-85, Payroll, Attendance, Retirement, and Leave Records, system of records notice. This rescindment will eliminate an unnecessary duplicate notice and is in accordance with the

Privacy Act of 1974 and the Office of Management and Budget Circular A-108, *Federal Agency Responsibilities for Review, Reporting, and Publication under the Privacy Act*.

Rescinding the DOI-84, National Business Center Datamart, system of records notice will have no adverse impacts on individuals as the personnel payroll records are covered under the current INTERIOR/DOI-85, Payroll, Attendance, Retirement, and Leave Records, system of records notice. This rescindment will also promote the overall streamlining and management of DOI Privacy Act systems of records.

**SYSTEM NAME AND NUMBER:**

Interior, National Business Center Datamart, DOI-84.

**HISTORY:**

*Abstract:* Regulations governing production safety systems are primarily covered in 30 CFR 250, subpart H and are the subject of this collection. In addition, BSEE also issues various Notices to Lessees (NTLs) and Operators to clarify and provide additional guidance on some aspects of the regulations, as well as forms to capture the data and information. Additional guidance pertaining to Oil-Spill Response Requirements is provided by NTLs when needed.

BSEE uses the information collected under subpart H to:

- Review safety system designs prior to installation to ensure that minimum safety standards will be met;
- evaluate equipment and/or procedures used during production operations;
- review records of erosion control to ensure that erosion control programs are effective;
- review plans to ensure safety of operations when more than one activity is being conducted simultaneously on a production facility;
- review records of safety devices to ensure proper maintenance during the useful life of that equipment; and
- verify proper performance of safety and pollution prevention equipment (SPPE).

*Title of Collection:* 30 CFR 250, subpart H, Oil and Gas Production Safety Systems.

## INTERNATIONAL TRADE COMMISSION

**[Investigation Nos. 701–TA–469 and 731–TA–1168 (Second Review)]**

### Certain Seamless Carbon and Alloy Steel Standard, Line, and Pressure Pipe From China

#### Determinations

On the basis of the record<sup>1</sup> developed in the subject five-year reviews, the United States International Trade Commission (“Commission”) determines, pursuant to the Tariff Act of 1930 (“the Act”), that revocation of the countervailing and antidumping duty orders on certain seamless carbon and alloy steel standard, line, and pressure pipe from China would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.

#### Background

The Commission instituted these reviews on February 1, 2021 (86 FR 7740) and determined on May 7, 2021 that it would conduct expedited reviews (86 FR 36771, July 13, 2021).

The Commission made these determinations pursuant to section 751(c) of the Act (19 U.S.C. 1675(c)). It completed and filed its determinations in these reviews on September 1, 2021. The views of the Commission are contained in USITC Publication 5229 (September 2021), entitled *Certain Seamless Carbon and Alloy Steel Standard, Line, and Pressure Pipe from China: Investigation Nos. 701–TA–469 and 731–TA–1168 (Second Review)*.

By order of the Commission.

<sup>1</sup> The record is defined in § 207.2(f) of the Commission’s Rules of Practice and Procedure (19 CFR 207.2(f)).

Issued: September 1, 2021.
