According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. Public reporting burden for this system generated collection of information is estimated to average 5 minutes per response, including time for reviewing instructions, and completing and reviewing the collection of information. The obligation to respond to this collection is required. (DI 114, 144, Sec 501, 519) Send comments regarding the burden estimate or any other aspect of this collection.
