

estimate the burden, EOIR will assume that it will receive as many entries for limited appearances as it does for full appearances—the total number of respondents for the Forms EOIR–60 and EOIR–61 are therefore expected to be 841,029 (the total receipts for the EOIR–27 (53,816) and EOIR–28 (787,213) for FY2019 as provided in the NPRM). The estimated average time to review and complete the forms is six minutes.

6 *An estimate of the total public burden (in hours) associated with the collection:* The total public burden of these revised collections are estimated to be 84,102.9 burden hours annually ((for Form EOIR–27, 53,816 respondents (FY 2019) × 1 response per respondent × 6 minutes per response = 5,381.6 burden hours) + (for Form EOIR–28, 787,213 respondents (FY 2019) × 1 response per respondent × 6 minutes per response = 78,721.3 burden hours) = 84,102.9 burden hours).

DEPARTMENT OF LABOR

Agency Information Collection Activities; Submission for OMB Review; Comment Request; Survey of Respirator Use and Practices

ACTION: Notice of availability; request for comments.

SUMMARY: The Department of Labor (DOL) is submitting this Bureau of Labor Statistics (BLS)-sponsored information collection request (ICR) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995 (PRA). Public comments on the ICR are invited.

DATES: The OMB will consider all written comments that agency receives on or before September 29, 2021.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular

information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

Comments are invited on: (1) Whether the collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; (2) if the information will be processed and used in a timely manner; (3) the accuracy of the agency’s estimates of the burden and cost of the collection of information, including the validity of the methodology and assumptions used; (4) ways to enhance the quality, utility and clarity of the information collection; and (5) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

FOR FURTHER INFORMATION CONTACT:

Mara Blumenthal by telephone at 202–693–8538, or by email at DOL_PRA_PUBLIC@dol.gov.

SUPPLEMENTARY INFORMATION: The Survey of Respirator Use and Practices (SRUP) is a nationwide survey that the Bureau of Labor Statistics (BLS) will conduct at the request of the National Institute for Occupational Safety and Health (NIOSH). Data collection for the SRUP will start in early 2022. In 2001, NIOSH partnered with BLS to conduct the first voluntary Survey of Respirator Use and Practices. This survey revealed important insights into respiratory use and hazards in the U.S. used by researchers, policy advisors, and regulators to further the mission of protecting U.S. workers from airborne hazards. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on March 11, 2021 (86 FR 13914).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.

DOL seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOL notes that information collection requirements

submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.
