

Offshore Compliance Status Response

Compliance Options

Option #1

You may make a submission under the Streamlined Filing Compliance Procedures if you meet the eligibility requirements. See the "Streamlined Filing Compliance Procedures" at www.irs.gov for more information about eligibility criteria and how to make a submission.

If you are eligible to use this option, you must write "RESPONSE TO LETTER 5935" in red across the top of your Form 14653, Certification by U.S. Person Residing Outside of the United States for Streamlined Foreign Offshore Procedures, or Form 14654, Certification by U.S. Person Residing in the United States for Streamlined Domestic Offshore Procedures

Option #2

If you are not eligible or choose not to use Option 1, submit all required tax returns, information returns, and related filings to the address on the enclosed Form 15023, Offshore Compliance Status Response. (NOTE: FinCEN Form 114, Report of Foreign Bank and Financial Accounts (a.k.a. FBAR), must be filed electronically with FinCEN, additional information can be found at www.FinCEN.gov).

Submissions under this option will be subject to all applicable penalties unless you establish that your noncompliance was due to reasonable cause. If you want to present reasonable cause, provide a statement explaining all the facts and circumstances.

Returns submitted under this option will not be subject to IRS audit automatically, but they may be selected for audit under the existing audit selection processes applicable to any U. S. tax return and can also be checked against information received from banks, financial advisors, and other sources for accuracy

Option #3

If you believe that you're fully compliant with all U.S. reporting requirements relating to foreign income, foreign entities, and foreign financial accounts, then provide a narrative statement of facts explaining your position. You must provide a complete history of any previously unreported foreign income, foreign entities, and foreign financial accounts and explain the actions you took to become compliant with U.S. reporting requirements.
