Caution: DRAFT—NOT FOR FILING

This is an early release draft of an IRS tax form, instructions, or publication, which the IRS is providing for your information. **Do not file draft forms** and do **not** rely on draft forms, instructions, and publications for filing. We do **not** release draft forms until we believe we have incorporated all changes (except when explicitly stated on this coversheet). However, unexpected issues occasionally arise, or legislation is passed—in this case, we will post a new draft of the form to alert users that changes were made to the previously posted draft. Thus, there are never any changes to the last posted draft of a form and the final revision of the form. Forms and instructions generally are subject to OMB approval before they can be officially released, so we post only drafts of them until they are approved. Drafts of instructions and publications usually have some changes before their final release.

Early release drafts are at [IRS.gov/DraftForms](https://www.irs.gov/DraftForms) and remain there after the final release is posted at [IRS.gov/LatestForms](https://www.irs.gov/LatestForms). All information about all forms, instructions, and pubs is at [IRS.gov/Forms](https://www.irs.gov/Forms).

Almost every form and publication has a page on IRS.gov with a friendly shortcut. For example, the Form 1040 page is at [IRS.gov/Form1040](https://www.irs.gov/Form1040); the Pub. 501 page is at [IRS.gov/Pub501](https://www.irs.gov/Pub501); the Form W-4 page is at [IRS.gov/W4](https://www.irs.gov/W4); and the Schedule A (Form 1040/SR) page is at [IRS.gov/ScheduleA](https://www.irs.gov/ScheduleA). If typing in a link above instead of clicking on it, be sure to type the link into the address bar of your browser, not a Search box.

If you wish, you can submit comments to the IRS about draft or final forms, instructions, or publications at [IRS.gov/FormsComments](https://www.irs.gov/FormsComments). We cannot respond to all comments due to the high volume we receive and may not be able to consider many suggestions until the subsequent revision of the product.

If you have comments on reducing paperwork and respondent (filer) burden, with respect to draft or final forms, please respond to the relevant information collection through the Federal Register process; for more info, click [here](#).

General Instructions

Future Developments

For the latest information about developments related to Form 8453-S and its instructions, such as legislation enacted after they were published, go to www.irs.gov/Form8453S.

Purpose of Form

Use Form 8453-S to:

- Authenticate an electronic Form 1120-S, U.S. Income Tax Return for an S Corporation;
- Authorize the electronic return originator (ERO), if any, to transmit via a third-party transmitter;
- Authorize the intermediate service provider (ISP) to transmit via a third-party transmitter if you're filing online (not using an ERO); and
- Provide the corporation's consent to directly deposit any refund and/or authorize an electronic funds withdrawal for payment of federal taxes owed.

Instead of filing Form 8453-S, a corporate officer filing a corporation's return through an ERO can sign the return using a personal identification number (PIN). For details, see Form 8879-S, IRS e-file Signature Authorization for Form 1120-S.

Who Must File

If you're filing a 2021 Form 1120-S through an ISP and/or transmitter and you're not using an ERO, you must file Form 8453-S with your electronically filed return. An ERO can use either Form 8453-S or Form 8879-S to obtain authorization to file the corporation's Form 1120-S.

When and Where To File

File Form 8453-S with the corporation's electronically filed income tax return. Use a scanner to create a Portable Document Format (PDF) file of the completed form. Your tax preparation software will allow you to transmit this PDF file with the return.

Specific Instructions

Name. Print or type the corporation's name in the space provided.

Employer identification number (EIN). Enter the corporation's EIN in the space provided.

Part II—Declaration of Officer

Note: The corporate officer must check all applicable boxes on line 6.

If the corporation has tax due and the officer didn't check box 6c, the corporation must deposit the payment no later than the 15th day of the 3rd month after the end of its tax year. For more information on depositing taxes, see the Instructions for Form 1120-S.

If the officer checks box 6c, the officer must ensure that the following information relating to the financial institution account is provided in the tax preparation software.

- Routing number.
- Account number.
- Type of account (checking or savings).
- Debit amount.
- Debit date (date the corporation wants the debit to occur).

An electronically transmitted return won't be considered complete, and therefore filed, unless either:

- Form 8453-S is signed by a corporate officer, scanned into a PDF file, and transmitted with the return; or
- The return is filed through an ERO and Form 8879-S is used to select a PIN that's used to electronically sign the return.

The officer's signature allows the IRS to disclose to the ERO, transmitter, and/or ISP:

- An acknowledgement that the IRS has accepted the corporation's electronically filed return, and
 - The reason(s) for any delay in processing the return or refund.
- The declaration of officer must be signed and dated by:
- The president, vice president, treasurer, assistant treasurer, chief accounting officer; or
 - Any other corporate officer (such as tax officer) authorized to sign the corporation's income tax return.

If the ERO makes changes to the electronic return after Form 8453-S has been signed by the officer, whether it was before it was transmitted or if the return was rejected after transmission, the ERO must have the officer complete and sign a corrected Form 8453-S if either:

- The total income (loss) on Form 1120-S, line 6, differs from the amount on the electronic return by more than \$150; or
- The ordinary business income (loss) on Form 1120-S, line 21, differs from the amount on the electronic return by more than \$100.

Part III—Declaration of Electronic Return Originator (ERO) and Paid Preparer

Note: If the return is filed online through an ISP and/or transmitter (not using an ERO), don't complete Part III.

If the corporation's return is filed through an ERO, the IRS requires the ERO's signature. A paid preparer, if any, must sign Form 8453-S in the space for Paid Preparer Use Only. But if the paid preparer is also the ERO, don't complete the paid preparer section. Instead, check the box labeled "Check if also paid preparer."

Use of PTIN

Paid preparers. Anyone who's paid to prepare the corporation's return must enter their PTIN in Part III. For information on applying for and receiving a PTIN, see Form W-12, IRS Paid Preparer Tax Identification Number (PTIN) Application and Renewal, or visit www.irs.gov/PTIN.

EROs who aren't paid preparers. Only EROs who aren't also the paid preparer of the return have the option to enter their PTIN or their social security number in the "ERO's Use Only" section of Part III. For information on applying for and receiving a PTIN, see Form W-12, IRS Paid Preparer Tax Identification Number (PTIN) Application and Renewal, or visit www.irs.gov/PTIN.

Refunds

The IRS generally issues a refund within 3 weeks after accepting the return. However, some refunds may be delayed because of compliance reviews to ensure that returns are accurate.
