

## Certification of Vaccination - DOE Onsite Support Service Contractor Employees

The purpose of this form is to take steps to prevent the spread of COVID-19 and to protect the health and safety of all Department of Energy (DOE) employees as well as DOE contractor employees who perform work in a Federal government owned or leased facility (pre-COVID-19), are embedded with DOE staff, and are employees of a support service contractor (also referred to as "onsite support service contractor employees"). This form is for use by onsite support service contractor employees, even if those contractor employees are not currently accessing Federal buildings during the COVID-19 pandemic (e.g., on telework, travel). If you fail to submit this signed attestation, you will be treated as not fully vaccinated for the purposes of implementing safety measures, including with respect to mask wearing, physical distancing, testing, travel, and quarantine. Failure to take or provide proof of any required COVID-19 test, may result in being denied entry to a Federal facility or, your employer enforcing any rights they may have against you, consistent with the terms of its contract with DOE and any applicable collective bargaining agreement.

### My Vaccination Status

By checking the box below, I declare that the following statement is true:

Name:	Johnny Dicus	Email Address:	johnny.dicus@hq.doe.gov
Departmental Element:	CHIEF INFORMATION OFFICER	Organizational Placement:	DEPUTY CIO FOR ARCHITECTURE, ENGIN
Sub-Organization:	ENTERPRISE PROGRAM AND PRODUCT INNO	My Duty Location:	IDAHO FALLS, ID

I am fully vaccinated. The Centers for Disease Control and Prevention considers an individual fully vaccinated if they are:  
 2 weeks after their second dose in a 2-dose series, such as the Pfizer or Moderna vaccines, or  
 2 weeks after a single-dose vaccine, such as Johnson & Johnson's Janssen vaccine  
 If you don't meet these requirements, regardless of your age, you are not fully vaccinated.

I am not yet fully vaccinated. I have received my first dose of Moderna or Pfizer, and my second appointment is scheduled, or I received my final dose less than two weeks ago.

I have not been vaccinated. If you are not vaccinated due to medical or religious reasons, please check either "I have not been vaccinated" or "I decline to respond."

I decline to respond.

**I understand that if I decline to respond or am not fully vaccinated, I must comply with the following safety protocols while in a Federal facility:**

- Wear a mask regardless of the level of community transmission;
- Physically distance; and
- Provide proof of having received a negative COVID-19 test from within the previous 3 days.

---

I sign this document under penalty of perjury that the above is true and correct, and that I am the person named below. I understand that a knowing and willful false statement on this form can be punished by fine or imprisonment or both (18 U.S.C. 1001). Checking "I decline to respond" does not constitute a false statement. I understand that as an employee of an onsite support services contractor, making a false statement on this form could result in my employer enforcing any rights they may have against me, including discontinuing my working on the support services contract, consistent with any applicable collective bargaining agreement.

**Directions and notice to employees who perform work in a Federal government owned or leased facility, are embedded with DOE staff, and are employees of a support service contractor (onsite support service contractor employees)**

Consistent with guidance from the Centers for Disease Control and Prevention (CDC) and the Safer Federal Workforce Task Force, has established specific safety protocols for fully vaccinated people and not fully vaccinated people, respectively.

In areas of low or moderate transmission, as defined by CDC, fully vaccinated people generally can safely participate in most activities, indoor or outdoor, without needing to wear a mask or maintain physical distance, and do not need to undertake regular testing --please note that consistent with CDC guidance, DOE may have different protocols for fully vaccinated people in specific work settings, such as healthcare settings. In areas of high or substantial transmission, everyone, including fully vaccinated people, must wear a mask consistent with Federal requirements.

Onsite support service contractor employees who disclose that they are fully vaccinated will comply with DOE guidance for fully vaccinated individuals. Onsite support service contractor employees who are unvaccinated, are not fully vaccinated, or who choose not to provide vaccine information are required to comply with CDC and DOE guidance for not fully vaccinated individuals, including wearing masks regardless of the transmission rate in a given area, physical distancing, regular testing, and adhering to applicable travel restrictions. These requirements are to prevent the spread of COVID-19 to protect the health and safety of our workforce. Making a false statement on this form could result in an adverse personnel action against you, up to and including removal from your work on the contract.

Pursuant to 5 U.S.C. § 552a(e)(3), this **Privacy Act Statement** informs you of why you are being asked to provide this information.
