

**Formal Complaints (14 CFR § 13.5)
Privacy Statement**

FAA's information collection under the formal complaint process in 14 C.F.R. § 13.5 was coordinated with the FAA Privacy Office. The result is that FAA is drafting a privacy impact assessment (PIA) for the Pt. 13 rule (Update to Investigative and Enforcement Procedures, NPRM, 84 FR 3614, Feb. 12, 2019). That PIA will address the privacy implications of 14 C.F.R. § 13.5.
