

The image displays a complex dashboard or report interface, likely generated by a data visualization tool. The interface is composed of several distinct panels and components:

- Top Left Panel:** Contains a vertical navigation menu with blue icons and a header section with a yellow and red bar.
- Top Middle Panel:** Features a grid of green cells, possibly representing a data table or a set of indicators.
- Top Right Panel:** Includes a large table with multiple columns, some of which are highlighted in green and yellow. Below the table, there are several small circular icons or charts.
- Bottom Left Panel:** Contains a large block of text, likely a detailed report or a list of items, with a structured layout.
- Bottom Middle Panel:** Displays a large table with many rows and columns, predominantly green, suggesting a data-heavy section.
- Bottom Right Panel:** Shows another table with a mix of green and yellow cells, and a small summary or total row at the bottom.

The overall layout is horizontal and organized into a clear grid structure, typical of a professional data reporting tool.
