

- Provide any other information that will help the FOIA staff determine which DHS component agency may have responsive records.

If the request is seeking records pertaining to another living individual, the request must include an authorization from the individual whose record is being requested, authorizing the release to the requester.

Without the information above, the DHS Component(s) may not be able to conduct an effective search, and the individual's request may be denied due to lack of specificity or lack of compliance with applicable regulations.

CONTESTING RECORD PROCEDURES:

For records covered by the Privacy Act or covered JRA records, individuals may make a request for amendment or correction of a record of the Department about the individual by writing directly to the DHS Component that maintains the record, unless the record is not subject to amendment or correction. The request should identify each particular record in question, state the amendment or correction desired, and state why the individual believes that the record is not accurate, relevant, timely, or complete. The individual may submit any documentation that would be helpful. If the individual believes that the same record is in more than one system of records, the request should state that and be addressed to each component that maintains a system of records containing the record. The CIS Ombudsman may amend requestor-specific information upon notification from that individual. Additionally, the CIS Ombudsman may verify information submitted by the requestor against other agency databases; amendments may also be made as a result. Amendments may be made in case notes or by overwriting inaccurate information. Requestors are notified of material changes.

NOTIFICATION PROCEDURES:

See "Record Access Procedures" above.

EXEMPTIONS PROMULGATED FOR THE SYSTEM:

When this system receives a record from another system exempted in that source system under 5 U.S.C. 552a(j)(2), DHS will claim the same exemptions for those records that are claimed for the original primary systems of records from which they originated.

OMB Approval Number: 2506-0077.

Type of Request: reinstatement with change of a previously approved collection.

A. Overview of Information Collection

Title of Information Collection: Eviction Protection Grant Program.

OMB Approval Number: 2528-0331.

Type of Request: Revision of a currently approved collection.

Form Number: Application for Federal Assistance, Standard Form-424; Disclosure of Lobbying Activities, Standard Form-LLL; HUD Detailed Budget Worksheet, 424 CBW; HUD Applicant/Recipient Disclosure/Update Report, 2880; NOFO narrative; HUD Client Services and Outcomes Report, 52698; and grant activity report.

Description of the need for the information and proposed use: This information is collected in connection with HUD’s Eviction Protection Grant Program and will be used by HUD to determine that the grant applicant meets the requirements of the Notice of Funding Opportunity (NOFO). Information collected is also used to assign points for awarding grant funds on a competitive and equitable basis. The information is collected via a narrative and the budget form. Information collected from grantees post-award will be used by HUD to meet its statutory program monitoring and demonstration obligations.

HUD is required to develop a competitive grant program to fund nonprofit or governmental entities to provide legal assistance (including assistance related to pretrial activities, trial activities, post-trial activities and alternative dispute resolution) at no cost to eligible low-income tenants at risk of or subject to eviction. In connection with the COVID-19 emergency, the CARES Act was enacted on March 28, 2020. It placed a moratorium on eviction in all federally-assisted housing and federally-backed mortgages through July 24, 2020. The expiration of that moratorium was followed by an Order from the Centers of Disease Control and Prevention (CDC) temporarily halting evictions for nonpayment of rent on September 4, 2020, which was subsequently extended until July 31,
