

assumptions, data inputs, parameters, and methodologies employed to measure risk;

(B) The internal risk model must be subject to an annual model review by a model group that is independent of the business function;

(C) The internal risk model must be subject to at least quarterly backtesting by counterparty or account; and

(D) The BD/FCM must provide written notice to the Commission or Commission staff prior to implementing any material change to its internal risk model.

(2) *Minimum Risk Management System Standards.* (A) The BD/FCM must maintain risk management system standards to measure and manage risk exposure arising from counterparties' CDS portfolios that are independent of any central counterparty margin methodology;

(B) The BD/FCM must have an internal credit risk rating model that assesses the credit risk of each individual counterparty;

(C) The BD/FCM's monitoring of credit risk must include the prudent setting of an exposure limit for each individual counterparty and the exposure limit must be reviewed if the counterparty's credit risk profile changes and at least quarterly;

(D) The BD/FCM must have the ability to limit or reduce the exposure to a counterparty through the collection of additional margin;

(E) The BD/FCM must have documented procedures to value positions conservatively in view of current market prices and the amount that might be realized upon liquidation; and

(F) The BD/FCM must have well-defined procedures and systems in place for the daily collection and payment of initial and variation margin.

(3) *Monthly Reporting.* The BD/FCM must report to the Commission and FINRA staffs on a monthly basis within 5 business days after month end or as otherwise requested details of its top 25 counterparties' portfolios as measured by net credit exposure as well as the top 25 counterparties' portfolios as measured by gross notional amount.

By the Commission.

Submission for OMB Review; Comment Request

Extension:
Regulation S-P

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for approval of extension of the previously approved collection of information provided for in the privacy notice and opt out notice provisions of Regulation S-P—Privacy of Consumer Financial Information (17 CFR part 248, subpart A) under the Securities Exchange Act of 1934 ("Exchange Act") (15 U.S.C. 78a *et seq.*).

The privacy notice and opt out notice provisions of Regulation S-P (the "Rule") implement the privacy notice and opt out notice requirements of Title V of the Gramm-Leach-Bliley Act ("GLBA"), which include the requirement that, at the time of establishing a customer relationship with a consumer and not less than annually during the continuation of such relationship, a financial institution shall provide a clear and conspicuous disclosure to such consumer of such financial institution's policies and practices with respect to disclosing nonpublic personal information to affiliates and nonaffiliated third parties ("privacy notice"). Title V of the GLBA also provides that, unless an exception applies, a financial institution may not disclose nonpublic personal information of a consumer to a nonaffiliated third party unless the financial institution clearly and conspicuously discloses to the consumer that such information may be disclosed to such third party; the consumer is given the opportunity, before the time that such information is initially disclosed, to direct that such information not be disclosed to such third party; and the consumer is given an explanation of how the consumer can exercise that nondisclosure option ("opt out notice"). The Rule applies to broker-dealers, investment advisers registered with the Commission, and investment companies ("covered entities").

Commission staff estimates that, as of June 30, 2021, the Rule's information collection burden applies to approximately 21,875 covered entities (approximately 3,560 broker-dealers, 14,381 investment advisers registered with the Commission, and 3,934 investment companies). In view of (a) the minimal recordkeeping burden imposed by the Rule (since the Rule has no recordkeeping requirement and records relating to customer communications already must be made and retained pursuant to other SEC rules); (b) the summary fashion in which information must be provided to customers in the privacy and opt out notices required by the Rule (the model privacy form adopted by the SEC and the other agencies in 2009, designed to serve as both a privacy notice and an opt out notice, is only two pages); (c) the availability to covered entities of the model privacy form and online model privacy form builder; and (d) the experience of covered entities' staff with the notices, SEC staff estimates that covered entities will each spend an average of approximately 12 hours per year complying with the Rule, for a total of approximately 262,500 annual burden hours ($12 \times 21,875 = 262,500$). SEC staff understands that the vast majority of covered entities deliver their privacy and opt out notices with other communications such as account opening documents and account statements. Because the other communications are already delivered to consumers, adding a brief privacy and opt out notice should not result in added costs for processing or for postage and materials. Also, privacy and opt out notices may be delivered electronically to consumers who have agreed to electronic communications, which further reduces the costs of delivery. Because SEC staff assumes that most paper copies of privacy and opt out notices are combined with other required mailings, the burden-hour estimates above are based on resources required to integrate the privacy and opt notices into another mailing, rather than on the resources required to create and send a separate mailing. SEC staff estimates that, of the estimated 12 annual burden hours incurred, approximately 8 hours would be spent by administrative assistants at an hourly rate of \$83, and approximately 4 hours would be spent by internal counsel at an hourly rate of \$428, for a total annual internal cost of compliance of approximately \$2,376 for each of the covered entities ($8 \times \$83 = \664 ; $4 \times \$428 = \$1,712$; $\$664 + \$1,712 = \$2,376$). Hourly cost of compliance estimates for

administrative assistant time are derived from the Securities Industry and Financial Markets Association's *Office Salaries in the Securities Industry 2013*, modified by SEC staff to account for an 1,800-hour work-year and multiplied by 2.93 to account for bonuses, firm size, employee benefits and overhead. Hourly cost of compliance estimates for internal counsel time are derived from the Securities Industry and Financial Markets Association's *Management & Professional Earnings in the Securities Industry 2013*, modified by SEC staff to account for an 1,800-hour work-year and multiplied by 5.35 to account for bonuses, firm size, employee benefits, and overhead. Accordingly, SEC staff estimates that the total annual internal cost of compliance for the estimated total hour burden for the approximately 21,875 covered entities subject to the Rule is approximately \$51,975,000 ($\$2,376 \times 21,875 = \$51,975,000$).

Regulation FD

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Regulation FD (17 CFR 243.100 *et seq.*)—Other Disclosure Materials requires public disclosure of material information from issuers of publicly traded securities so that investors have current information upon which to base investment decisions. The purpose of the regulation is to require: (1) An issuer that intentionally discloses material information, to do so through public disclosure, not selective disclosure; and (2) to make prompt public disclosure of material information that was unintentionally selectively disclosed. We estimate that approximately 13,000 issuers make Regulation FD disclosures approximately five times a year for a total of 58,000 submissions annually, not including an estimated 7,000 issuers who file Form 8-K to comply with Regulation FD. We estimate that it takes 5 hours per response (58,000 responses \times 5 hours) for a total burden of 290,000 hours annually. In addition, we estimate that 25% of the 5 hours per response (1.25 hours) is prepared by the filer for an annual reporting burden of 72,500 hours (1.25 hours per response \times 58,000 responses).

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the agency's estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Please direct your written comment to David Bottom, Director/Chief Information Officer, Securities and

Exchange Commission, c/o John Pezzullo, 100 F Street NE, Washington, DC 20549 or send an email to: PRA_Mailbox@sec.gov.

Dated: November 1, 2021.

Form TH

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Form TH (17 CFR 239.65, 17 CFR 249.447, 269.10 and 17 CFR 274.404) under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*), the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*), the Trust Indenture Act of 1939 (15 U.S.C. 77aaa *et seq.*) and the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) is used by registrants to notify the Commission that an electronic filer is relying on the temporary hardship exemption for the filing of a document in paper form that would otherwise be required to be filed electronically as required by Rule 201(a) of Regulation S-T. Form TH must be filed every time an electronic filer experiences unanticipated technical difficulties preventing the timely preparation and submission of a required electronic filing. Approximately 5 registrants file Form TH and it takes an estimated 0.33 hours per response for a total annual burden of 2 hours (0.33 hours per response \times 5 responses).
